

Before this Book is delivered to the Registrar for revision, the Enumerator is required to fill up the following Tables as correctly as he can.

ENUMERATOR'S SUMMARY.

In making this Summary, write in *one* line against the name of *EACH Parish* or *Township* the number of Houses and of their inmates; and in a *second* line the computed numbers who were in barges, boats, barns, tents, or in the open air, from Table *b*. A third line must contain the total numbers in the Parish or Township, or in that part of the Parish or Township within the Enumeration District.

(a.)

Tabled by G. P. Sargison
20 Aug 1857

Shute J. P. Brul Sept 8

Estimated number of persons who have *not been enumerated* as inmates of any dwelling-house, but who it is believed have slept or abode in the District on the night preceding the day of Enumeration—

(b)

	Persons		
	Males	Females	Total
In barges, boats, or other small vessels remaining stationary on canals or other navigable waters			
In barns, sheds, or the like			
In tents, or in the open air			
The above numbers do not include people in coasting or other sea-going vessels, nor persons travelling on railways or otherwise, through the district.			
TOTAL			

When *many persons* not inhabitants are present, or *many* of the settled inhabitants are temporarily absent—

The Enumerator must also return:

(c)

- (1) The estimated number of such persons who are returned in the subsequent pages as having slept in his district on the night of March 30th, but who were there only temporarily

[State here the cause of the presence of so many strangers—such as a fair, the construction of a railway, &c.]

Persons		
Males	Females	Total

- (2) The estimated number of persons who were absent from the district on the night of March 30th, but who usually dwell in the district

Seamen in ships, or in coasting vessels on the night of March 31st, should not be included in the estimate, as they will be returned at the ports.

[State here the cause of the absence of so many of the inhabitants, whether in fishing or in other employments.]
