For filling up Columns (b), (h), (k) and (l).

1. Column (b).—**RELATIONSHIP.**—Any relative present in the dwelling on Census night who usually lives elsewhere should, for Census purposes, be described in Column (b) as "Visitor," and not as "Son," "Aunt," "Sister-in-law," etc.

2. Column (h).—**EDUCATION.**—For persons attending a school or other institution for the purpose of receiving education, write "Whole Time" if attending daily during the full day school hours or otherwise to an extent which leaves no reasonable time for employment; "Part Time" if attending Day Continuation Schools or Evening Classes, or otherwise giving such partial or intermittent attendance as permits or might permit of substantial regular employment.

3. Columns (k) and (l).—**OCCUPATION AND EMPLOYMENT.**—For a person already entered as "Whole Time" in Column (h), no entry is needed in Column (k), unless the person is studying for a particular profession or occupation (see Instruction 4). For children under 12, Columns (k) (l) and (m) should be left blank.

PERSONS NOT PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

4. If studying or preparing for any particular profession or occupation, write accordingly in Column (k) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (l) blank. (But apprentices or persons training on similar terms should be entered as actually following the occupations to which they are apprenticed.)

5. For a member of a private household (such as householder's wife) who is mainly occupied in unpaid domestic duties at home, write "Home Duties" in Column (k) and leave Columns (l) and (m) blank.

6. If retired from an occupation or service, and not following any other regular occupation, state former occupation or service in Column (k), adding "Retired" in Column (l) should be filled up, business of former employer (if any) being stated.

7. For a member of the household who is chiefly occupied in giving unpaid help in a business carried on by the head of the household or other relative, state the occupation in Column (k) as though it were a paid occupation. The name of the head of the business should be stated in Column (l) as employer, together with the nature of the business.

8. For other persons not included above who are mainly dependent upon others' earnings or upon their own or others' private means, write "None" or "Not occupied for a living" in Column (k) and leave Column (l) blank.

PERSONS PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

9. The occupation should be stated in Column (k), whether the worker is at work or not at the time of the Census. If more than one paid occupation is followed, state only that by which the living is mainly earned.

10. The precise character of the occupation should be stated. Vague and Indefinite Terms must not be used, such, for example, as Assistant, Collector, Contractor, Factory Hand, Foreman, Inspector, Ironworker, Machinist, Manufacturer, Millhand, Operative, Overlooker.

(a) Foremen and Overlookers should state the department or branch of work in which they are employed.

(b) Shopkeepers, Retail Dealers or Shop Assistants, Tailors, Bootmakers, Silversmiths, Jewellers, Bakers, etc., if selling only and not making or producing, or if chiefly selling, should add the words "Shopkeeper" or "Dealer" (if principals), and "Shop Assistant" or "Salesman" (if assisting). But a person who is chiefly engaged in making or producing, though also selling, should add "Maker."

(c) Agents, Brokers, Dealers, Merchants. State particular kind of business or trade as "Cycle Agent," "Sugar Broker," "Cattle Dealer," "Coal Merchant."

(d) Navy, Army, Air Force, Civil Service, Municipal Service, etc. State the post or rank, as Able Seaman, Police Sergeant, Post Office Sorter, Relieving Officer.

(e) Nurses. State whether "Nurse (Domestic)," "Monthly Nurse," "Sick Nurse," etc.

(f) Ironworkers should state whether Puddler, Shingler, Roller, Busheller, etc.

(g) Labourers. Unskilled workers usually employed on some one kind of work should always state fully the kind of work done, e.g., "Navy," "Bricklayer's Labourer," "Dock Labourer," "Foundry Labourer," "Steelworks Labourer"; but those accustomed to employment in different kinds of work should describe themselves as "General Labourer." The term "Labourer" must not be used alone.

N.B.—OTHER WORKERS SHOULD DESCRIBE THEIR JOB BY THE SPECIAL NAME (IF ANY) BY WHICH IT IS KNOWN IN THE INDUSTRY OR MANUFACTURE.

11. Name and business of employer.—The name and business of the employer (firm, company, local authority, government department, etc.), must be stated in Column (l); for example, a bricklayer employed in a brewery should state "Bricklayer" in Column (k) and "Messrs., Brewers," in Column (l). A carman employed by a firm of bleachers and dyers should state "Carman" in Column (k) and "Messrs., Bleachers and Dyers," in Column (l). This information is required for the purpose of classifying the persons employed according to the industry or service with which their work is connected, and will not be published.

State precisely the nature of the employer's business, e.g., instead of "Manufacturer," "Merchant," "Ironworks," "Engineering Works," "Lead Works," "Civil Service," use exact business descriptions, such as "Toy Manufacturer," "Coal Merchant," "Iron Rolling Mills," "Textile Machinery Makers," "White Lead Works," "Civil Service, General Post Office," etc.

In the case of Domestic Servants or other persons in Private Personal Service the word "Private" should be entered in Column (l) and the name and business of the employer must not be stated. INSTRUCTIONS

For filling up Columns (b), (h), (k) and (l).

1. Column (b).—RELATIONSHIP.—Any relative present in the dwelling on Census night who usually lives elsewhere should, for Census purposes, be described in Column (b) as "Visitor," and not as "Son," "Aunt," "Sister-in-law," etc.

2. Column (h).—EDUCATION.—For persons attending a school or other institution for the purpose of receiving education, write "Whole Time" if attending daily during the full day school hours or otherwise to an extent which leaves no reasonable time for employment; "Part Time" if attending Day Continuation Schools or Evening Classes, or otherwise giving such partial or intermittent attendance as permits or might permit of substantial regular employment.

3. Columns (k) and (l).—OCCUPATION AND EMPLOYMENT.—For a person already entered as "Whole Time" in Column (h), no entry is needed in Column (k), unless the person is studying for a particular profession or occupation (see Instruction 4). For children under 12, Columns (k) (l) and (m) should be left blank.

PERSONS NOT PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

4. If studying or preparing for any particular profession or occupation, write accordingly in Column (k) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (l) blank. (But apprentices or persons training on similar terms should be entered as actually following the occupations to which they are apprenticed.)

5. For a member of a private household (such as householder's wife) who is mainly occupied in unpaid domestic duties at home, write "Home Duties" in Column (k) and leave Columns (l) and (m) blank.

6. If retired from an occupation or service, and not following any other regular occupation, state former occupation or service in Column (k), adding "Retired." Column (l) should be filled up, business of former employer (if any) being stated.

7. For a member of the household who is chiefly occupied in giving unpaid help in a business carried on by the head of the household or other relative, state the occupation in Column (k) as though it were a paid occupation. The name of the head of the business should be stated in Column (l) as employer, together with the nature of the business.

8. For other persons not included above who are mainly dependent upon others' earnings or upon their own or others' private means, write "None" or "Not occupied for a living" in Column (k) and leave Column (l) blank.

PERSONS PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

9. The occupation should be stated in Column (k), whether the worker is at work or not at the time of the Census. If more than one paid occupation is followed, state only that by which the living is mainly earned.

10. The precise character of the occupation should be stated. Vague and Indefinite Terms must not be used, such, for example, as Assistant, Collector, Contractor, Factory Hand, Foreman, Inspector, Ironworker, Machinist, Manufacturer, Millhand, Operative, Overlooker.

(a) Foremen and Overlookers should state the department or branch of work in which they are employed.

(b) Shopkeepers, Retail Dealers or Shop Assistants, Tailors, Bootmakers, Silversmiths, Jewellers, Bakers, etc., if selling only and not making or producing, or if chiefly selling, should add the words "Shopkeeper" or "Dealer" (if principals), and "Shop Assistant" or "Salesman" (if assisting). But a person who is chiefly engaged in making or producing, though also selling, should add "Maker."

(c) Agents, Brokers, Dealers, Merchants. State particular kind of business or trade as "Cycle Agent," "Sugar Broker," "Cattle Dealer," "Coal Merchant."

(d) Navy, Army, Air Force, Civil Service, Municipal Service, etc. State the post or rank, as Able Seaman, Police Sergeant, Post Office Sorter, Relieving Officer.

(e) Nurses. State whether "Nurse (Domestic)," "Monthly Nurse," "Sick Nurse," etc.

(f) Ironworkers should state whether Puddler, Shingler, Roller, Busheller, etc.

(g) Labourers. Unskilled workers usually employed on some one kind of work should always state fully the kind of work done, e.g., "Navy," "Bricklayer's Labourer," "Dock Labourer," "Foundry Labourer," "Steelworks Labourer"; but those accustomed to employment in different kinds of work should describe themselves as "General Labourer." The term "Labourer" must not be used alone.

N.B.—OTHER WORKERS SHOULD DESCRIBE THEIR JOB BY THE SPECIAL NAME (IF ANY, BY WHICH IT IS KNOWN IN THE INDUSTRY OR MANUFACTURE.

11. Name and business of employer.—The name and business of the employer (firm, company, local authority, government department, etc.), must be stated in Column (l); for example, a bricklayer employed in a brewery should state "Bricklayer" in Column (k) and "Messrs., Brewers," in Column (l). A carman employed by a firm of bleachers and dyers should state "Carman" in Column (k) and "Messrs., Bleachers and Dyers," in Column (l). This information is required for the purpose of classifying the persons employed according to the industry or service with which their work is connected, and will not be published.

State precisely the nature of the employer's business, e.g., instead of "Manufacturer," "Merchant," "Ironworks," "Engineering Works," "Lead Works," "Civil Service," use exact business descriptions, such as "Toy Manufacturer," "Coal Merchant," "Iron Rolling Mills," "Textile Machinery Makers," "White Lead Works," "Civil Service, General Post Office," etc.

In the case of Domestic Servants or other persons in Private Personal Service the word "Private" should be entered in Column (l) and the name and business of the employer must not be stated. But for Cooks, Waitresses, Chambermaids, employed in Hotels, Restaurants, Boarding Houses, etc., the name and business of the employer should be stated.

The following special examples will indicate the kind of description which should be given both of the occupation and of the employer's business.

EXAMPLES OF THE MODE OF FILLING UP THE SCHEDULE.

[illegible]

For filling up Columns (b), (h), (k) and (l).

1. Column (b).—**RELATIONSHIP.**—Any relative present in the dwelling on Census night who usually lives elsewhere should, for Census purposes, be described in Column (b) as "Visitor," and not as "Son," "Aunt," "Sister-in-law," etc.
2. Column (h).—**EDUCATION.**—For persons attending a school or other institution for the purpose of receiving education, write "**Whole Time**" if attending daily during the full day school hours or otherwise to an extent which leaves no reasonable time for employment; "**Part Time**" if attending Day Continuation Schools or Evening Classes, or otherwise giving such partial or intermittent attendance as permits or might permit of substantial regular employment.
3. Columns (k) and (l).—**OCCUPATION AND EMPLOYMENT.**—For a person already entered as "Whole Time" in Column (h), no entry is needed in Column (k), unless the person is studying for a particular profession or occupation (see Instruction 4). For children under 12, Columns (k) (l) and (m) should be left blank.

PERSONS NOT PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

4. If studying or preparing for any particular profession or occupation, write accordingly in Column (k) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (l) blank. (But apprentices or persons training on similar terms should be entered as actually following the occupations to which they are apprenticed.)
5. For a member of a private household (such as householder's wife) who is mainly occupied in unpaid domestic duties at home, write "Home Duties" in Column (k) and leave Columns (l) and (m) blank.
6. If retired from an occupation or service, and not following any other regular occupation, state former occupation or service in Column (k), adding "Retired" in Column (l) should be filled up, business of former employer (if any) being stated.
7. For a member of the household who is chiefly occupied in giving unpaid help in a business carried on by the head of the household or other relative, state the occupation in Column (k) as though it were a paid occupation. The name of the head of the business should be stated in Column (l) as employer, together with the nature of the business.
8. For other persons not included above who are mainly dependent upon others' earnings or upon their own or others' private means, write "None" or "Not occupied for a living" in Column (k) and leave Column (l) blank.

PERSONS PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

9. The occupation should be stated in Column (k), whether the worker is at work or not at the time of the Census. If more than one paid occupation is followed, state only that by which the living is mainly earned.
10. The precise character of the occupation should be stated. **Vague and Indefinite Terms must not be used**, such, for example, as Assistant, Collector, Contractor, Factory Hand, Foreman, Inspector, Ironworker, Machinist, Manufacturer, Millhand, Operative, Overlooker.
- (a) **Foremen and Overlookers** should state the department or branch of work in which they are employed.
- (b) **Shopkeepers, Retail Dealers or Shop Assistants.** Tailors, Bootmakers, Silversmiths, Jewellers, Bakers, etc., if selling only and not making or producing, or if chiefly selling, should add the words "Shopkeeper" or "Dealer" (if principals), and "Shop Assistant" or "Salesman" (if assisting). But a person who is chiefly engaged in making or producing, though also selling, should add "Maker."
- (c) **Agents, Brokers, Dealers, Merchants.** State particular kind of business or trade as "Cycle Agent," "Sugar Broker," "Cattle Dealer," "Coal Merchant."
- (d) **Navy, Army, Air Force, Civil Service, Municipal Service, etc.** State the post or rank, as Able Seaman, Police Sergeant, Post Office Sorter, Relieving Officer.
- (e) **Nurses.** State whether "Nurse (Domestic)," "Monthly Nurse," "Sick Nurse," etc.
- (f) **Ironworkers** should state whether Puddler, Shingler, Roller, Busheller, etc.
- (g) **Labourers.** Unskilled workers usually employed on some one kind of work should always state fully the kind of work done, e.g., "Navy," "Bricklayer's Labourer," "Dock Labourer," "Foundry Labourer," "Steelworks Labourer"; but those accustomed to employment in different kinds of work should describe themselves as "General Labourer." The term "Labourer" must not be used alone.

N.B.—OTHER WORKERS SHOULD DESCRIBE THEIR JOB BY THE SPECIAL NAME (IF ANY) BY WHICH IT IS KNOWN IN THE INDUSTRY OR MANUFACTURE.

11. **Name and business of employer.**—The name and business of the employer (firm, company, local authority, government department, etc.), must be stated in Column (l); for example, a bricklayer employed in a brewery should state "Bricklayer" in Column (h) and "Messrs....., Brewers," in Column (l). A carman employed by a firm of bleachers and dyers should state "Carman" in Column (h) and "Messrs....., Bleachers and Dyers," in Column (l). This information is required for the purpose of classifying the persons employed according to the industry or service with which their work is connected, and will not be published.
- State precisely the nature of the employer's business, e.g., instead of "Manufacturer," "Merchant," "Ironworks," "Engineering Works," "Lead Works," "Civil Service," use exact business descriptions, such as "Toy Manufacturer," "Coal Merchant," "Iron Rolling Mills," "Textile Machinery Makers," "White Lead Works," "Civil Service, General Post Office," etc.
- In the case of **Domestic Servants** or other persons in Private Personal Service the word "Private" should be entered in Column (l) and the name and business of the employer must not be stated. But for Cooks, Waitresses, Chambermaids, employed in Hotels, Restaurants, Boarding Houses, etc., the name and business of the employer should be stated.

The following special examples will indicate the kind of description which should be given both of the occupation and of the employer's business.

INSTRUCTIONS

For filling up Columns (b), (h), (k) and (l).

1. Column (b).—RELATIONSHIP.—Any relative present in the dwelling on Census night who usually lives elsewhere should, for Census purposes, be described in Column (b) as "Visitor," and not as "Son," "Aunt," "Sister-in-law," etc.

2. Column (h).—EDUCATION.—For persons attending a school or other institution for the purpose of receiving education, write "Whole Time" if attending daily during the full day school hours or otherwise to an extent which leaves no reasonable time for employment; "Part Time" if attending Day Continuation Schools or Evening Classes, or otherwise giving such partial or intermittent attendance as permits or might permit of substantial regular employment.

3. Columns (k) and (l).—OCCUPATION AND EMPLOYMENT.—For a person already entered as "Whole Time" in Column (h), no entry is needed in Column (k), unless the person is studying for a particular profession or occupation (see Instruction 4). For children under 12, Columns (k) (l) and (m) should be left blank.

PERSONS NOT PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

4. If studying or preparing for any particular profession or occupation, write accordingly in Column (k) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (l) blank. (But apprentices or persons training on similar terms should be entered as actually following the occupations to which they are apprenticed.)

5. For a member of a private household (such as householder's wife) who is mainly occupied in unpaid domestic duties at home, write "Home Duties" in Column (k) and leave Columns (l) and (m) blank.

6. If retired from an occupation or service, and not following any other regular occupation, state former occupation or service in Column (k), adding "Retired" Column (l) should be filled up, business of former employer (if any) being stated.

7. For a member of the household who is chiefly occupied in giving unpaid help in a business carried on by the head of the household or other relative, state the occupation in Column (k) as though it were a paid occupation. The name of the head of the business should be stated in Column (l) as employer, together with the nature of the business.

8. For other persons not included above who are mainly dependent upon others' earnings or upon their own or others' private means, write "None" or "Not occupied for a living" in Column (k) and leave Column (l) blank.

PERSONS PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

9. The occupation should be stated in Column (k), whether the worker is at work or not at the time of the Census. If more than one paid occupation is followed, state only that by which the living is mainly earned.

10. The precise character of the occupation should be stated. Vague and Indefinite Terms must not be used, such, for example, as Assistant, Collector, Contractor, Factory Hand, Foreman, Inspector, Ironworker, Machinist, Manufacturer, Millhand, Operative, Overlooker.

(a) Foremen and Overlookers should state the department or branch of work in which they are employed.

(b) Shopkeepers, Retail Dealers or Shop Assistants, Tailors, Bootmakers, Silversmiths, Jewellers, Bakers, etc., if selling only and not making or producing, or if chiefly selling, should add the words "Shopkeeper," or "Dealer" (if principals), and "Shop Assistant," or "Salesman" (if assisting). But a person who is chiefly engaged in making or producing, though also selling, should add "Maker."

(c) Agents, Brokers, Dealers, Merchants. State particular kind of business or trade as "Cycle Agent," "Sugar Broker," "Cattle Dealer," "Coal Merchant."

(d) Navy, Army, Air Force, Civil Service, Municipal Service, etc. State the post or rank, as Able Seaman, Police Sergeant, Post Office Sorter, Relieving Officer.

(e) Nurses. State whether "Nurse (Domestic)," "Monthly Nurse," "Sick Nurse," etc.

(f) Ironworkers should state whether Puddler, Shingler, Roller, Busheller, etc.

(g) Labourers. Unskilled workers usually employed on some one kind of work should always state fully the kind of work done, e.g., "Navy," "Bricklayer's Labourer," "Dock Labourer," "Foundry Labourer," "Steelworks Labourer"; but those accustomed to employment in different kinds of work should describe themselves as "General Labourer." The term "Labourer" must not be used alone.

N.B.—OTHER WORKERS SHOULD DESCRIBE THEIR JOB BY THE SPECIAL NAME (IF ANY) BY WHICH IT IS KNOWN IN THE INDUSTRY OR MANUFACTURE.

11. Name and business of employer.—The name and business of the employer (firm, company, local authority, government department, etc.), must be stated in Column (l); for example, a bricklayer employed in a brewery should state "Bricklayer" in Column (k) and "Messrs., Brewers," in Column (l). A carman employed by a firm of bleachers and dyers should state "Carman" in Column (k) and "Messrs., Bleachers and Dyers," in Column (l). This information is required for the purpose of classifying the persons employed according to the industry or service with which their work is connected, and will not be published.

State precisely the nature of the employer's business, e.g., instead of "Manufacturer," "Merchant," "Ironworks," "Engineering Works," "Lead Works," "Civil Service," use exact business descriptions, such as "Toy Manufacturer," "Coal Merchant," "Iron Rolling Mills," "Textile Machinery Makers," "White Lead Works," "Civil Service, General Post Office," etc.

In the case of Domestic Servants or other persons in Private Personal Service the word "Private" should be entered in Column (l) and the name and business of the employer must not be stated. But for Cooks, Waitresses, Chambermaids, employed in Hotels, Restaurants, Boarding Houses, etc., the name and business of the employer should be stated.

The following special examples will indicate the kind of description which should be given both of the occupation and of the employer's business.

- If retired from an occupation or service, and not following any other regular occupation, state former occupation or service in Column (k), adding "Retired" Column (l) should be filled up, business of former employer (if any) being stated.
- For a member of the household who is chiefly occupied in giving unpaid help in a business carried on by the head of the household or other relative, state the occupation in Column (k) as though it were a paid occupation. INSTRUCTIONS

For filling up Columns (b), (h), (k) and (l).

1. Column (b).—**RELATIONSHIP.**—Any relative present in the dwelling on Census night who usually lives elsewhere should, for Census purposes, be described in Column (b) as "Visitor," and not as "Son," "Aunt," "Sister-in-law," etc.

2. Column (h).—**EDUCATION.**—For persons attending a school or other institution for the purpose of receiving education, write "Whole Time" if attending daily during the full day school hours or otherwise to an extent which leaves no reasonable time for employment; "Part Time" if attending Day Continuation Schools or Evening Classes, or otherwise giving such partial or intermittent attendance as permits or might permit of substantial regular employment.

3. Columns (k) and (l).—**OCCUPATION AND EMPLOYMENT.**—For a person already entered as "Whole Time" in Column (h), no entry is needed in Column (k), unless the person is studying for a particular profession or occupation (see Instruction 4). For children under 12, Columns (k) (l) and (m) should be left blank.

PERSONS NOT PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

4. If studying or preparing for any particular profession or occupation, write accordingly in Column (k) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (l) blank. (But apprentices or persons training on similar terms should be entered as actually following the occupations to which they are apprenticed.)

5. For a member of a private household (such as householder's wife) who is mainly occupied in unpaid domestic duties at home, write "Home Duties" in Column (k) and leave Columns (l) and (m) blank.

6. If retired from an occupation or service, and not following any other regular occupation, state former occupation or service in Column (k), adding "Retired" Column (l) should be filled up, business of former employer (if any) being stated.

7. For a member of the household who is chiefly occupied in giving unpaid help in a business carried on by the head of the household or other relative, state the occupation in Column (k) as though it were a paid occupation. The name of the head of the business should be stated in Column (l) as employer, together with the nature of the business.

8. For other persons not included above who are mainly dependent upon others' earnings or upon their own or others' private means, write "None" or "Not occupied for a living" in Column (k) and leave Column (l) blank.

PERSONS PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

9. The occupation should be stated in Column (k), whether the worker is at work or not at the time of the Census. If more than one paid occupation is followed, state only that by which the living is mainly earned.

10. The precise character of the occupation should be stated. Vague and Indefinite Terms must not be used, such, for example, as Assistant, Collector, Contractor, Factory Hand, Foreman, Inspector, Ironworker, Machinist, Manufacturer, Millhand, Operative, Overlooker.

(a) Foremen and Overlookers should state the department or branch of work in which they are employed.

(b) Shopkeepers, Retail Dealers or Shop Assistants. Tailors, Bootmakers, Silversmiths, Jewellers, Bakers, etc., if selling only and not making or producing, or if chiefly selling, should add the words "Shopkeeper" or "Dealer" (if principals), and "Shop Assistant" or "Salesman" (if assisting). But a person who is chiefly engaged in making or producing, though also selling, should add "Maker."

(c) Agents, Brokers, Dealers, Merchants. State particular kind of business or trade as "Cycle Agent," "Sugar Broker," "Cattle Dealer," "Coal Merchant."

(d) Navy, Army, Air Force, Civil Service, Municipal Service, etc. State the post or rank, as Able Seaman, Police Sergeant, Post Office Sorter, Relieving Officer.

(e) Nurses. State whether "Nurse (Domestic)," "Monthly Nurse," "Sick Nurse," etc.

(f) Ironworkers should state whether Puddler, Shingler, Roller, Busheller, etc.

(g) Labourers. Unskilled workers usually employed on some one kind of work should always state fully the kind of work done, e.g., "Navy," "Bricklayer's Labourer," "Dock Labourer," "Foundry Labourer," "Steelworks Labourer"; but those accustomed to employment in different kinds of work should describe themselves as "General Labourer." The term "Labourer" must not be used alone.

N.B.—OTHER WORKERS SHOULD DESCRIBE THEIR JOB BY THE SPECIAL NAME (IF ANY) BY WHICH IT IS KNOWN IN THE INDUSTRY OR MANUFACTURE.

11. Name and business of employer.—The name and business of the employer (firm, company, local authority, government department, etc.), must be stated in Column (l); for example, a bricklayer employed in a brewery should state "Bricklayer" in Column (k) and "Messrs., Brewers," in Column (l). A carman employed by a firm of bleachers and dyers should state "Carman" in Column (k) and "Messrs., Bleachers and Dyers," in Column (l). This information is required for the purpose of classifying the persons employed according to the industry or service with which their work is connected, and will not be published.

State precisely the nature of the employer's business, e.g., instead of "Manufacturer," "Merchant," "Ironworks," "Engineering Works," "Lead Works," "Civil Service," "use exact business descriptions, such as "Toy Manufacturer," "Coal Merchant," "Iron Rolling Mills," "Textile Machinery Makers," "White Lead Works," "Civil Service, General Post Office," etc.

In the case of Domestic Servants or other persons in Private Personal Service the word "Private" should be entered in Column (l) and the name and business of the employer must not be stated. But for Cooks, Waitresses, Chambermaids, employed in Hotels, Restaurants, Boarding Houses, etc., the name and business of the employer should be stated.

3. Columns (k) and (l).—**OCCUPATION AND EMPLOYMENT.**—For a person already entered as "Whole Time" in Column (k), no entry is needed in Column (k), unless the person is studying for a particular profession or occupation (see Instruction 4). 4. If studying or preparing for any particular profession or occupation, write accordingly in Column (k) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (l) blank. (Head of Household, Manager of Establishment or other person responsible for making the return.)

Prescribed by Regulations under the Census Act, 1920, as the form to be used in England (excluding Monmouth), for the purpose of returns in respect of (a) Private Households, (b) Hotels, Clubs, Boarding Houses, or Common or other Lodging Houses, and (c) Other persons in respect of whom no other form of schedule is prescribed.

NOTICE.

N.B.—Any one or more persons separately occupying separate lodgings in a house or a separate part of a house will be regarded as forming a separate household. But boarders are to be regarded as part of the household with which they board.

3. Every such person is required by law to give to the person responsible for making the return such information as may be necessary to enable the return to be made. No use may, however, be made of such information by the person to whom it is given except for the purpose of making the return.

5. The Schedule will be called for on Monday, April 25th, by the appointed enumerator; in order that he may not be delayed it must be ready with the answers written in the proper columns early on the morning of that day. If the answers are incomplete or inaccurate, the enumerator must ask any questions necessary to enable him to correct the Schedule.

7. If any person whose duty it is to make a return or to give information refuses to do so, or wilfully gives false information, or uses otherwise than for the purpose of making the return any information given him for that purpose, he will be liable to a fine not exceeding **Ten Pounds.**

EXAMPLES OF THE MODE OF FILLING UP THE SCHEDULE.

3rd Example. 4th Example.

For filling up Columns (b), (h), (k) and (l).

2. Column (h).—**EDUCATION.**—For persons attending a school or other institution for the purpose of receiving education, write “**Whole Time**” if attending daily during the full day school hours or otherwise to an extent which leaves no reasonable time for employment; “**Part Time**” if attending Day Continuation Schools or Evening Classes, or otherwise giving such partial or intermittent attendance as permits or might permit of substantial regular employment.

3. Columns (k) and (l).—**OCCUPATION AND EMPLOYMENT.**—For a person already entered as "Whole Time" in Column (k), no entry is needed in Column (l), unless the person is studying for a particular profession or occupation (see Instruction 4). For children under 12, Columns (k) (l) and (m) should be left blank.

4. If studying or preparing for any particular profession or occupation, write accordingly in Column (k) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (j) blank. (But apprentices or persons training on similar terms should be entered as actually following the occupations to which they are apprenticed.)

5. For a member of a private household (such as householder's wife) who is mainly occupied in unpaid domestic duties at home, write "Home Duties" in Column (k) and leave Columns (l) and (m) blank.

6. If retired from an occupation or service, and not following any other regular occupation, state former occupation or service in Column (k), adding "Retired." Column (l) should be filled up, business of former employer (if any) being stated.

7. For a member of the household who is chiefly occupied in giving unpaid help in a business carried on by the head of the household or other relative, state the occupation in Column (k) as though it were a paid occupation. The name of the head of the business should be stated in Column (l) as employer, together with the nature of the business.

8. For other persons not included above who are mainly dependent upon others' earnings or upon their own or others' private means, write "None" or "Not occupied for a living" in Column (k) and leave Column (l) blank.

9. The occupation should be stated in Column (k), whether the worker is at work or not at the time of the Census. If more than one paid occupation is followed, state only that by which the living is mainly earned.

10. The precise character of the occupation should be stated. **Vague and Indefinite Terms must not** be used, such, for example, as Assistant, Collector, Contractor, Factory Hand, Foreman, Inspector, Ironworker, Machinist, Manufacturer, Millhand, Operative, Overlooker.

(a) Foremen and Overlookers should state the department or branch of work in which they are employed.

(b) Shopkeepers, Retail Dealers or Shop Assistants, Tailors, Bootmakers, Silversmiths, Jewellers, Bakers, etc., if selling only and not making or producing, or if chiefly selling, should add the words "Shopkeeper" or "Dealer" (if principals), and "Shop Assistant" or "Salesman" (if assisting). But a person who is chiefly engaged in making or producing, though also selling, should add "Maker."

(c) **Na79, Army, Air Force, Civil Service, Municipal Service, etc.** State the post or rank, as Able Seaman, Police Sergeant, Post Office Sorter, Relieving Officer.

(d) **Nurses.** State whether "Nurse (Domestic)," "Monthly Nurse," "Sick Nurse," etc.

(e) **Ironworkers.** should state whether Puddler, Shingler, Roller, Busheller, etc.

(f) **Labourers.** Unskilled workers usually employed on some one kind of work should always state full

(c) **Agents, Brokers, Dealers, Merchants.** State particular kind of business or trade as "Cycle Agent," "Sugar Broker," "Cattle Dealer," "Coal Merchant,"

N.B.—OTHER WORKERS SHOULD DESCRIBE THEIR JOB BY THE SPECIAL NAME (IF ANY) BY WHICH IT IS KNOWN IN THE INDUSTRY OR MANUFACTURE

11. **Name and business of employer.**—The name and business of the employer (firm, company, local authority, government department, etc.), must be stated in Column (i); for example, a bricklayer employed in a brewery should state "Bricklayer," in Column (h) and "Messrs....., Brewers," in Column (i). A carman employed by a firm of bleachers and dyers should state "Carman" in Column (h) and "Messrs....., Bleachers and Dyers," in Column (i). This information is required for the purpose of classifying the persons employed according to the industry or service with which their work is connected, and will not be published.

State precisely the nature of the employer's business, e.g., instead of "Manufacturer," "Merchant," "Ironworks," "Engineering Works," "Lead Works," "Civil Service," use exact business descriptions, such as "Toy Manufacturer," "Coal Merchant," "Iron Rolling Mills," "Textile Machinery Makers," "White Lead Works," "Civil Service General Post Office," etc.

In the case of **Domestic Servants** or other persons in Private Personal Service the word "Private" should be entered in Column (f) and the name and business of the employer must **not** be stated. But for Cooks, Waitresses, Chambermaids, employed in Hotels, Restaurants, Boarding Houses, etc., the name and business of the employer should be stated.

The following special examples will indicate the kind of description which should be given both of the occupation and of the employer's business.

INSTRUCTIONS

For filling up Columns (b), (h), (k) and (l).

1. Column (b).—**RELATIONSHIP.**—Any relative present in the dwelling on Census night who usually lives elsewhere should, for Census purposes, be described in Column (b) as "Visitor," and not as "Son," "Aunt," "Sister-in-law," etc.

2. Column (h).—**EDUCATION.**—For persons attending a school or other institution for the purpose of receiving education, write "Whole Time" if attending daily during the full day school hours or otherwise to an extent which leaves no reasonable time for employment; "Part Time" if attending Day Continuation Schools or Evening Classes, or otherwise giving such partial or intermittent attendance as permits or might permit of substantial regular employment.

3. Columns (k) and (l).—**OCCUPATION AND EMPLOYMENT.**—For a person already entered as "Whole Time" in Column (h), no entry is needed in Column (k), unless the person is studying for a particular profession or occupation (see Instruction 4). For children under 12, Columns (k) (l) and (m) should be left blank.

PERSONS NOT PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

4. If studying or preparing for any particular profession or occupation, write accordingly in Column (k) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (l) blank. (But apprentices or persons training on similar terms should be entered as actually following the occupations to which they are apprenticed.)

5. For a member of a private household (such as householder's wife) who is mainly occupied in unpaid domestic duties at home, write "Home Duties" in Column (k) and leave Columns (l) and (m) blank.

6. If retired from an occupation or service, and not following any other regular occupation, state former occupation or service in Column (k), adding "Retired." Column (l) should be filled up, business of former employer (if any) being stated.

7. For a member of the household who is chiefly occupied in giving unpaid help in a business carried on by the head of the household or other relative, state the occupation in Column (k) as though it were a paid occupation. The name of the head of the business should be stated in Column (l) as employer, together with the nature of the business.

8. For other persons not included above who are mainly dependent upon others' earnings or upon their own or others' private means, write "None" or "Not occupied for a living" in Column (k) and leave Column (l) blank.

PERSONS PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

9. The occupation should be stated in Column (k), whether the worker is at work or not at the time of the Census. If more than one paid occupation is followed, state only that by which the living is mainly earned.

10. The precise character of the occupation should be stated. Vague and Indefinite Terms must not be used, such, for example, as Assistant, Collector, Contractor, Factory Hand, Foreman, Inspector, Ironworker, Machinist, Manufacturer, Millhand, Operative, Overlooker.

(a) Foremen and Overlookers should state the department or branch of work in which they are employed.

(b) Shopkeepers, Retail Dealers or Shop Assistants, Tailors, Bootmakers, Silversmiths, Jewellers, Bakers, etc., if selling only and not making or producing, or if chiefly selling, should add the words "Shopkeeper" or "Dealer" (if principals), and "Shop Assistant" or "Salesman" (if assisting). But a person who is chiefly engaged in making or producing, though also selling, should add "Maker."

(c) Agents, Brokers, Dealers, Merchants. State particular kind of business or trade as "Cycle Agent," "Sugar Broker," "Cattle Dealer," "Coal Merchant," etc.

(d) Navy, Army, Air Force, Civil Service, Municipal Service, etc. State the post or rank, as Able Seaman, Police Sergeant, Post Office Sorter, Relieving Officer.

(f) Ironworkers should state whether Puddler, Shingler, Roller, Busheller, etc.

(g) Labourers. Unskilled workers usually employed on some one kind of work should always state fully the kind of work done, e.g., "Navy," "Bricklayer's Labourer," "Dock Labourer," "Foundry Labourer," "Steelworks Labourer"; but those accustomed to employment in different kinds of work should describe themselves as "General Labourer." The term "Labourer" must not be used alone.

N.B.—OTHER WORKERS SHOULD DESCRIBE THEIR JOB BY THE SPECIAL NAME (IF ANY) BY WHICH IT IS KNOWN IN THE INDUSTRY OR MANUFACTURE.

11. Name and business of employer.—The name and business of the employer (firm, company, local authority, government department, etc.), must be stated in Column (l); for example, a bricklayer employed in a brewery should state "Bricklayer" in Column (k) and "Messrs., Brewers," in Column (l). A carman employed by a firm of bleachers and dyers should state "Carman" in Column (k) and "Messrs., Bleachers and Dyers," in Column (l). This information is required for the purpose of classifying the persons employed according to the industry or service with which their work is connected, and will not be published.

State precisely the nature of the employer's business, e.g., instead of "Manufacturer," "Merchant," "Ironworks," "Engineering Works," "Lead Works," "Civil Service," use exact business descriptions, such as "Toy Manufacturer," "Coal Merchant," "Iron Rolling Mills," "Textile Machinery Makers," "White Lead Works," "Civil Service, General Post Office," etc.

In the case of Domestic Servants or other persons in Private Personal Service the word "Private" should be entered in Column (l) and the name and business of the employer must not be stated. Unskilled workers usually employed on some one kind of work should always state fully the kind of work done, e.g., "Navy," "Bricklayer's Labourer," "Dock Labourer," "Foundry Labourer," "Steelworks Labourer," but those accustomed to employment in different kinds of work should describe themselves as "General Labourer." The term "Labourer" must not be used alone.

N.B.—OTHER WORKERS SHOULD DESCRIBE THEIR JOB BY THE SPECIAL NAME (IF ANY) BY WHICH IT IS KNOWN IN THE INDUSTRY OR MANUFACTURE.

11. Name and business of employer.—The name and business of the employer (firm, company, local authority, government department, etc.), must be stated in Column (l); for example, a bricklayer employed in a brewery should state "Bricklayer" in Column (h) and "Messrs., Brewers," in Column (l). A carman employed by a firm of bleachers and dyers should state "Carman" in Column (h) and "Messrs., Bleachers and Dyers," in Column (l). This information is required for the purpose of classifying the persons employed according to the industry or service with which their work is connected, and will not be published.

State precisely the nature of the employer's business, e.g., instead of "Manufacturer," "Merchant," "Ironworks," "Engineering Works," "Lead Works," "Civil Service," use exact business descriptions, such as "Toy Manufacturer," "Coal Merchant," "Iron Rolling Mills," "Textile Machinery Makers," "White Lead Works," "Civil Service, General Post Office," etc.

In the case of Domestic Servants or other persons in Private Personal Service the word "Private" should be entered in Column (l) and the name and business of the employer must not be stated. But for Cooks, Waitresses, Chambermaids, employed in Hotels, Restaurants, Boarding Houses, etc., the name and business of the employer should be stated.

The following special examples will indicate the kind of description which should be given both of the occupation and of the employer's business.

For children under 12, Columns (k) (l) and (m) should be left blank.

PERSONS NOT PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

4. If studying or preparing for any particular profession or occupation, write accordingly in Column (k) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (l) blank. 6. If retired from an occupation or service, and not following any other regular occupation, state former occupation or service in Column (k), adding "Retired" in Column (l) should be filled up, business of former employer (if any) being stated.

7. For a member of the household who is chiefly occupied in giving unpaid help in a business carried on by the head of the household or other relative, state the occupation in Column (k) as though it were a paid occupation. The name of the head of the business should be stated in Column (l) as employer, together with the nature of the business.

8. For other persons not included above who are mainly dependent upon others' earnings or upon their own or others' private means, write "None" or "Not occupied for a living" in Column (k) and leave Column (l) blank.

PERSONS PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

9. The occupation should be stated in Column (k), whether the worker is at work or not at the time of the Census. If more than one paid occupation is followed, state only that by which the living is mainly earned.

A carman employed by a firm of bleachers and dyers should state "Carman" in Column (k) and "Messrs., Bleachers and Dyers," in Column (l). This information is required for the purpose of classifying the persons employed according to the industry or service with which their work is connected, and will not be published.

4. If studying or preparing for any particular profession or occupation, write accordingly in Column (k) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (l) blank. For filling up Columns (b), (h), (k) and (l).

1. Column (b).—**RELATIONSHIP.**—Any relative present in the dwelling on Census night who usually lives elsewhere should, for Census purposes, be described in Column (b) as "Visitor," and not as "Son," "Aunt," "Sister-in-law," etc.

2. Column (h).—**EDUCATION.**—For persons attending a school or other institution for the purpose of receiving education, write "Whole Time" if attending daily during the full day school hours or otherwise to an extent which leaves no reasonable time for employment; "Part Time" if attending Day Continuation Schools or Evening Classes, or otherwise giving such partial or intermittent attendance as permits or might permit of substantial regular employment.

3. Columns (k) and (l).—**OCCUPATION AND EMPLOYMENT.**—For a person already entered as "Whole Time" in Column (h), no entry is needed in Column (k), unless the person is studying for a particular profession or occupation (see Instruction 4). For children under 12, Columns (k) (l) and (m) should be left blank.

PERSONS NOT PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

4. If studying or preparing for any particular profession or occupation, write accordingly in Column (k) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (l) blank. (But apprentices or persons training on similar terms should be entered as actually following the occupations to which they are apprenticed.)

5. For a member of a private household (such as householder's wife) who is mainly occupied in unpaid domestic duties at home, write "Home Duties" in Column (k) and leave Columns (l) and (m) blank.

6. If retired from an occupation or service, and not following any other regular occupation, state former occupation or service in Column (k), adding "Retired" in Column (l) should be filled up, business of former employer (if any) being stated.

7. For a member of the household who is chiefly occupied in giving unpaid help in a business carried on by the head of the household or other relative, state the occupation in Column (k) as though it were a paid occupation. The name of the head of the business should be stated in Column (l) as employer, together with the nature of the business.

8. For other persons not included above who are mainly dependent upon others' earnings or upon their own or others' private means, write "None" or "Not occupied for a living" in Column (k) and leave Column (l) blank.

PERSONS PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

9. The occupation should be stated in Column (k), whether the worker is at work or not at the time of the Census. If more than one paid occupation is followed, state only that by which the living is mainly earned.

10. The precise character of the occupation should be stated. Vague and Indefinite Terms must not be used, such, for example, as Assistant, Collector, Contractor, Factory Hand, Foreman, Inspector, Ironworker, Machinist, Manufacturer, Millhand, Operative, Overlooker.

(a) Foremen and Overlookers should state the department or branch of work in which they are employed.

(b) Shopkeepers, Retail Dealers or Shop Assistants. Tailors, Bootmakers, Silversmiths, Jewellers, Bakers, etc., if selling only and not making or producing, or if chiefly selling, should add the words "Shopkeeper" or "Dealer" (if principals), and "Shop Assistant" or "Salesman" (if assisting). But a person who is chiefly engaged in making or producing, though also selling, should add "Maker."

(c) Agents, Brokers, Dealers, Merchants. State particular kind of business or trade as "Cycle Agent," "Sugar Broker," "Cattle Dealer," "Coal Merchant."

(e) Nurses. State whether "Nurse (Domestic)," "Monthly Nurse," "Sick Nurse," etc.

(f) Ironworkers should state whether Puddler, Shingler, Roller, Busheller, etc.

(g) Labourers. Unskilled workers usually employed on some one kind of work should always state fully the kind of work done, e.g., "Navy," "Bricklayer's Labourer," "Dock Labourer," "Foundry Labourer," "Steelworks Labourer"; but those accustomed to employment in different kinds of work should describe themselves as "General Labourer." The term "Labourer" must not be used alone.

N.B.—OTHER WORKERS SHOULD DESCRIBE THEIR JOB BY THE SPECIAL NAME (IF ANY) BY WHICH IT IS KNOWN IN THE INDUSTRY OR MANUFACTURE.

11. Name and business of employer.—The name and business of the employer (firm, company, local authority, government department, etc.), must be stated in Column (l); for example, a bricklayer employed in a brewery should state "Bricklayer" in Column (k) and "Messrs., Brewers," in Column (l). A carman employed by a firm of bleachers and dyers should state "Carman" in Column (k) and "Messrs., Bleachers and Dyers," in Column (l). This information is required for the purpose of classifying the persons employed according to the industry or service with which their work is connected, and will not be published.

State precisely the nature of the employer's business, e.g., instead of "Manufacturer," "Merchant," "Ironworks," "Engineering Works," "Lead Works," "Civil Service," use exact business descriptions, such as "Toy Manufacturer," "Coal Merchant," "Iron Rolling Mills," "Textile Machinery Makers," "White Lead Works," "Civil Service, General Post Office," etc.

INSTRUCTIONS

For filling up Columns (b), (h), (k) and (l).

1. Column (b).—**RELATIONSHIP.**—Any relative present in the dwelling on Census night who usually lives elsewhere should, for Census purposes, be described in Column (b) as "Visitor," and not as "Son," "Aunt," "Sister-in-law," etc.

2. Column (h).—**EDUCATION.**—For persons attending a school or other institution for the purpose of receiving education, write "Whole Time" if attending daily during the full day school hours or otherwise to an extent which leaves no reasonable time for employment; "Part Time" if attending Day Continuation Schools or Evening Classes, or otherwise giving such partial or intermittent attendance as permits or might permit of substantial regular employment.

3. Columns (k) and (l).—**OCCUPATION AND EMPLOYMENT.**—For a person already entered as "Whole Time" in Column (h), no entry is needed in Column (k), unless the person is studying for a particular profession or occupation (see Instruction 4). For children under 12, Columns (k) (l) and (m) should be left blank.

PERSONS NOT PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

4. If studying or preparing for any particular profession or occupation, write accordingly in Column (h) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (l) blank. (But apprentices or persons training on similar terms should be entered as actually following the occupations to which they are apprenticed.)

5. For a member of a private household (such as householder's wife) who is mainly occupied in unpaid domestic duties at home, write "Home Duties" in Column (h) and leave Columns (l) and (m) blank.

6. If retired from an occupation or service, and not following any other regular occupation, state former occupation or service in Column (k), adding "Retired" Column (l) should be filled up, business of former employer (if any) being stated.

7. For a member of the household who is chiefly occupied in giving unpaid help in a business carried on by the head of the household or other relative, state the occupation in Column (h) as though it were a paid occupation. The name of the head of the business should be stated in Column (l) as employer, together with the nature of the business.

8. For other persons not included above who are mainly dependent upon others' earnings or upon their own or others' private means, write "None" or "Not occupied for a living" in Column (k) and leave Column (l) blank.

PERSONS PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

9. The occupation should be stated in Column (k), whether the worker is at work or not at the time of the Census. If more than one paid occupation is followed, state only that by which the living is mainly earned.

10. The precise character of the occupation should be stated. Vague and Indefinite Terms must not be used, such, for example, as Assistant, Collector, Contractor, Factory Hand, Foreman, Inspector, Ironworker, Machinist, Manufacturer, Millhand, Operative, Overlooker.

(a) Foremen and Overlookers should state the department or branch of work in which they are employed.

(b) Shopkeepers, Retail Dealers or Shop Assistants. Tailors, Bootmakers, Silversmiths, Jewellers, Bakers, etc., if selling only and not making or producing, or if chiefly selling, should add the words "Shopkeeper" or "Dealer" (if principals), and "Shop Assistant" or "Salesman" (if assisting). But a person who is chiefly engaged in making or producing, though also selling, should add "Maker."

(c) Agents, Brokers, Dealers, Merchants. State particular kind of business or trade as "Cycle Agent," "Sugar Broker," "Cattle Dealer," "Coal Merchant," etc.

(d) Navy, Army, Air Force, Civil Service, Municipal Service, etc. State the post or rank, as Able Seaman, Police Sergeant, Post Office Setter, Relieving Officer, etc.

(e) Nurses. State whether "Nurse (Domestic)," "Monthly Nurse," "Sick Nurse," etc.

(f) Ironworkers should state whether Puddler, Shingler, Roller, Busheller, etc.

(g) Labourers. Unskilled workers usually employed on some one kind of work should always state fully the kind of work done, e.g., "Navy," "Bricklayer's Labourer," "Dock Labourer," "Foundry Labourer," "Steelworks Labourer," but those accustomed to employment in different kinds of work should describe themselves as "General Labourer." The term "Labourer" must not be used alone.

N.B.—OTHER WORKERS SHOULD DESCRIBE THEIR JOB BY THE SPECIAL NAME (IF ANY) BY WHICH IT IS KNOWN IN THE INDUSTRY OR MANUFACTURE.

11. Name and business of employer.—The name and business of the employer (firm, company, local authority, government department, etc.), must be stated in Column (l); for example, a bricklayer employed in a brewery should state "Bricklayer" in Column (k) and "Messrs., Brewers," in Column (l). A carman employed by a firm of bleachers and dyers should state "Carman" in Column (k) and "Messrs., Bleachers and Dyers," in Column (l). This information is required for the purpose of classifying the persons employed according to the industry or service with which their work is connected, and will not be published.

State precisely the nature of the employer's business, e.g., instead of "Manufacturer," "Merchant," "Ironworks," "Engineering Works," "Lead Works," "Civil Service," use exact business descriptions, such as "Toy Manufacturer," "Coal Merchant," "Iron Rolling Mills," "Textile Machinery Makers," "White Lead Works," "Civil Service, General Post Office," etc.

In the case of Domestic Servants or other persons in Private Personal Service the word "Private" should be entered in Column (l) and the name and business of the employer must not be stated. But for Cooks, Waitresses, Chambermaids, employed in Hotels, Restaurants, Boarding Houses, etc., the name and business of the employer should be stated.

The following special examples will indicate the kind of description which should be given both of the occupation and of the employer's business.

For filling up Columns (b), (h), (k) and (l).

1. Column (b).—**RELATIONSHIP.**—Any relative present in the dwelling on Census night who usually lives elsewhere should, for Census purposes, be described in Column (b) as "Visitor," and not as "Son," "Aunt," "Sister-in-law," etc.

2. Column (h).—**EDUCATION.**—For persons attending a school or other institution for the purpose of receiving education, write "Whole Time" if attending daily during the full day school hours or otherwise to an extent which leaves no reasonable time for employment; "Part Time" if attending Day Continuation Schools or Evening Classes, or otherwise giving such partial or intermittent attendance as permits or might permit of substantial regular employment.

3. Columns (k) and (l).—**OCCUPATION AND EMPLOYMENT.**—For a person already entered as "Whole Time" in Column (h), no entry is needed in Column (k), unless the person is studying for a particular profession or occupation (see Instruction 4). For children under 12, Columns (k) (l) and (m) should be left blank.

PERSONS NOT PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

4. If studying or preparing for any particular profession or occupation, write accordingly in Column (k) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (l) blank. (But apprentices or persons training on similar terms should be entered as actually following the occupations to which they are apprenticed.)

5. For a member of a private household (such as householder's wife) who is mainly occupied in unpaid domestic duties at home, write "Home Duties" in Column (k) and leave Columns (l) and (m) blank.

6. If retired from an occupation or service, and not following any other regular occupation, state former occupation or service in Column (k), adding "Retired" in Column (l) should be filled up, business of former employer (if any) being stated.

7. For a member of the household who is chiefly occupied in giving unpaid help in a business carried on by the head of the household or other relative, state the occupation in Column (k) as though it were a paid occupation. The name of the head of the business should be stated in Column (l) as employer, together with the nature of the business.

8. For other persons not included above who are mainly dependent upon others' earnings or upon their own or others' private means, write "None" or "Not occupied for a living" in Column (k) and leave Column (l) blank.

PERSONS PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

9. The occupation should be stated in Column (k), whether the worker is at work or not at the time of the Census. If more than one paid occupation is followed, state only that by which the living is mainly earned.

10. The precise character of the occupation should be stated. Vague and Indefinite Terms must not be used, such, for example, as Assistant, Collector, Contractor, Factory Hand, Foreman, Inspector, Ironworker, Machinist, Manufacturer, Millhand, Operative, Overlooker.

(a) Foremen and Overlookers should state the department or branch of work in which they are employed.

(b) Shopkeepers, Retail Dealers or Shop Assistants. Tailors, Bootmakers, Silversmiths, Jewellers, Bakers, etc., if selling only and not making or producing, or if chiefly selling, should add the words "Shopkeeper" or "Dealer" (if principals), and "Shop Assistant" or "Salesman" (if assisting). But a person who is chiefly engaged in making or producing, though also selling, should add "Maker."

(c) Agents, Brokers, Dealers, Merchants. State particular kind of business or trade as "Cycle Agent," "Sugar Broker," "Cattle Dealer," "Coal Merchant."

(d) Navy, Army, Air Force, Civil Service, Municipal Service, etc. State the post or rank, as Able Seaman, Police Sergeant, Post Office Sorter, Relieving Officer.

(e) Nurses. State whether "Nurse (Domestic)," "Monthly Nurse," "Sick Nurse," etc.

(f) Ironworkers should state whether Puddler, Shingler, Roller, Busheller, etc.

(g) Labourers. Unskilled workers usually employed on some one kind of work should always state fully the kind of work done, e.g., "Navy," "Bricklayer's Labourer," "Dock Labourer," "Poultry Labourer," "Steelworks Labourer"; but those accustomed to employment in different kinds of work should describe themselves as "General Labourer." The term "Labourer" must not be used alone.

N.B.—OTHER WORKERS SHOULD DESCRIBE THEIR JOB BY THE SPECIAL NAME (IF ANY) BY WHICH IT IS KNOWN IN THE INDUSTRY OR MANUFACTURE.

11. Name and business of employer.—The name and business of the employer (firm, company, local authority, government department, etc.), must be stated in Column (l); for example, a bricklayer employed in a brewery should state "Bricklayer" in Column (k) and "Messrs., Brewers," in Column (l). A carman employed by a firm of bleachers and dyers should state "Carman" in Column (k) and "Messrs., Bleachers and Dyers," in Column (l). This information is required for the purpose of classifying the persons employed according to the industry or service with which their work is connected, and will not be published.

State precisely the nature of the employer's business, e.g., instead of "Manufacturer," "Merchant," "Ironworks," "Engineering Works," "Lead Works," "Civil Service," use exact business descriptions, such as "Toy Manufacturer," "Coal Merchant," "Iron Rolling Mills," "Textile Machinery Makers," "White Lead Works," "Civil Service, General Post Office," etc.

In the case of Domestic Servants or other persons in Private Personal Service the word "Private" should be entered in Column (l) and the name and business of the employer must not be stated. But for Cooks, Waitresses, Chambermaids, employed in Hotels, Restaurants, Boarding Houses, etc., the name and business of the employer should be stated.

INSTRUCTIONS

For filling up Columns (b), (h), (k) and (l).

1. Column (b).—**RELATIONSHIP.**—Any relative present in the dwelling on Census night who usually lives elsewhere should, for Census purposes, be described in Column (b) as "Visitor," and not as "Son," "Aunt," "Sister-in-law," etc.

2. Column (h).—**EDUCATION.**—For persons attending a school or other institution for the purpose of receiving education, write "Whole Time" if attending daily during the full day school hours or otherwise to an extent which leaves no reasonable time for employment; "Part Time" if attending Day Continuation Schools or Evening Classes, or otherwise giving such partial or intermittent attendance as permits or might permit of substantial regular employment.

3. Columns (k) and (l).—**OCCUPATION AND EMPLOYMENT.**—For a person already entered as "Whole Time" in Column (h), no entry is needed in Column (k), unless the person is studying for a particular profession or occupation (see Instruction 4). For children under 12, Columns (k) (l) and (m) should be left blank.

PERSONS NOT PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

4. If studying or preparing for any particular profession or occupation, write accordingly in Column (k) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (l) blank. (But apprentices or persons training on similar terms should be entered as actually following the occupations to which they are apprenticed.)

5. For a member of a private household (such as householder's wife) who is mainly occupied in unpaid domestic duties at home, write "Home Duties" in Column (k) and leave Columns (l) and (m) blank.

6. If retired from an occupation or service, and not following any other regular occupation, state former occupation or service in Column (k), adding "Retired" Column (l) should be filled up, business of former employer (if any) being stated.

7. For a member of the household who is chiefly occupied in giving unpaid help in a business carried on by the head of the household or other relative, state the occupation in Column (k) as though it were a paid occupation. The name of the head of the business should be stated in Column (l) as employer, together with the nature of the business.

8. For other persons not included above who are mainly dependent upon others' earnings or upon their own or others' private means, write "None" or "Not occupied for a living" in Column (k) and leave Column (l) blank.

PERSONS PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

9. The occupation should be stated in Column (k), whether the worker is at work or not at the time of the Census. If more than one paid occupation is followed, state only that by which the living is mainly earned.

10. The precise character of the occupation should be stated. Vague and Indefinite Terms must not be used, such, for example, as Assistant, Collector, Contractor, Factory Hand, Foreman, Inspector, Ironworker, Machinist, Manufacturer, Millhand, Operative, Overlooker.

(a) Foremen and Overlookers should state the department or branch of work in which they are employed.

(b) Shopkeepers, Retail Dealers or Shop Assistants, Tailors, Bootmakers, Silversmiths, Jewellers, Bakers, etc., if selling only and not making, or producing, or if chiefly selling, should add the words "Shopkeeper" or "Dealer" (if principals), and "Shop Assistant" or "Salesman" (if assisting). But a person who is chiefly engaged in making or producing, though also selling, should add "Maker."

(c) Agents, Brokers, Dealers, Merchants. State particular kind of business or trade as "Cycle Agent," "Sugar Broker," "Cattle Dealer," "Coal Merchant."

N.B.—OTHER WORKERS SHOULD DESCRIBE THEIR JOB BY THE SPECIAL NAME (IF ANY) BY WHICH IT IS KNOWN IN THE INDUSTRY OR MANUFACTURE.

11. Name and business of employer.—The name and business of the employer (firm, company, local authority, government department, etc.), must be stated in Column (l); for example, a bricklayer employed in a brewery should state "Bricklayer" in Column (k) and "Messrs., Brewers," in Column (l). A carman employed by a firm of bleachers and dyers should state "Carman" in Column (k) and "Messrs., Bleachers and Dyers," in Column (l). This information is required for the purpose of classifying the persons employed according to the industry or service with which their work is connected, and will not be published.

State precisely the nature of the employer's business, e.g., instead of "Manufacturer," "Merchant," "Ironworks," "Engineering Works," "Lead Works," "Civil Service," use exact business descriptions, such as "Toy Manufacturer," "Coal Merchant," "Iron Rolling Mills," "Textile Machinery Makers," "White Lead Works," "Civil Service, General Post Office," etc.

In the case of Domestic Servants or other persons in Private Personal Service the word "Private" should be entered in Column (l) and the name and business of the employer must not be stated. But for Cooks, Waitresses, Chambermaids, employed in Hotels, Restaurants, Boarding Houses, etc., the name and business of the employer should be stated.

The following special examples will indicate the kind of description which should be given both of the occupation and of the employer's business.

INSTRUCTIONS.

For filling up Columns (b), (h), (k) and (l).

- Column (b).—**RELATIONSHIP.**—Any relative present in the dwelling on Census night who usually lives elsewhere should, for Census purposes, be described in Column (b) as "Visitor," and not as "Son," "Aunt," "Sister-in-law," etc.
- Column (h).—**EDUCATION.**—For persons attending a school or other institution for the purpose of receiving education, write "Whole Time" if attending daily during the full day school hours or otherwise to an extent which leaves no reasonable time for employment; "Part Time" if attending Day Continuation Schools or Evening Classes, or otherwise giving such partial or intermittent attendance as permits or might permit of substantial regular employment.
- Columns (k) and (l).—**OCCUPATION AND EMPLOYMENT.**—For a person already entered as "Whole Time" in Column (h), no entry is needed in Column (k), unless the person is studying for a particular profession or occupation (see Instruction 4). For children under 12, Columns (k) and (l) should be left blank.

PERSONS NOT PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

- If studying or preparing for any particular profession or occupation, write accordingly in Column (k) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (l) blank. (But apprentices or persons training on similar terms should be entered as actually following the occupations to which they are apprenticed.)
- For a member of a private household (such as householder's wife) who is mainly occupied in unpaid domestic duties at home, write "Home Duties" in Column (k) and leave Columns (l) and (m) blank.
- If retired from an occupation or service, and not following any other regular occupation, state former occupation or service in Column (k), adding "Retired" in Column (l) should be filled up, business of former employer (if any) being stated.
- For a member of the household who is chiefly occupied in giving unpaid help in a business carried on by the head of the household or other relative, state the occupation in Column (k) as though it were a paid occupation. The name of the head of the business should be stated in Column (l) as employer, together with the nature of the business.
- For other persons not included above who are mainly dependent upon others' earnings or upon their own or others' private means, write "None" or "Not occupied for a living" in Column (k) and leave Column (l) blank.

PERSONS PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

- The occupation should be stated in Column (k), whether the worker is at work or not at the time of the Census. If more than one paid occupation is followed, state only that by which the living is mainly earned.
- The precise character of the occupation should be stated. Vague and Indefinite Terms must not be used, such, for example, as Assistant, Collector, Contractor, Factory Hand, Foreman, Inspector, Ironworker, Machinist, Manufacturer, Millhand, Operative, Overlooker.
 - Foremen and Overlookers should state the department or branch of work in which they are employed.
 - Shopkeepers, Retail Dealers or Shop Assistants, Tailors, Bootmakers, Silversmiths, Jewellers, Bakers, etc., if selling only and not making or producing, or if chiefly selling, should add the words "Shopkeeper" or "Dealer" (if principals), and "Shop Assistant" or "Salesman" (if assisting). But a person who is chiefly engaged in making or producing, though also selling, should add "Maker."
 - Agents, Brokers, Dealers, Merchants. State particular kind of business or trade as "Cycle Agent," "Sugar Broker," "Cattle Dealer," "Coal Merchant."
 - N.B.—OTHER WORKERS SHOULD DESCRIBE THEIR JOB BY THE SPECIAL NAME (IF ANY) BY WHICH IT IS KNOWN IN THE INDUSTRY OR MANUFACTURE.
 - Navy, Army, Air Force, Civil Service, Municipal Service, etc. State the post or rank, as Able Seaman, Police Sergeant, Post Office Sorter, Relieving Officer.
 - Nurses. State whether "Nurse (Domestic)," "Monthly Nurse," "Sick Nurse," etc.
 - Ironworkers should state whether Puddler, Shingler, Roller, Busheller, etc.
 - Labourers. Unskilled workers usually employed on some one kind of work should always state fully the kind of work done, e.g., "Navy," "Bricklayer's Labourer," "Dock Labourer," "Foundry Labourer," "Steelworks Labourer"; but those accustomed to employment in different kinds of work should describe themselves as "General Labourer." The term "Labourer" must not be used alone.

- Name and business of employer.—The name and business of the employer (firm, company, local authority, government department, etc.), must be stated in Column (l); for example, a bricklayer employed in a brewery should state "Bricklayer" in Column (k) and "Messrs., Brewers," in Column (l). A carman employed by a firm of bleachers and dyers should state "Carman" in Column (k) and "Messrs., Bleachers and Dyers," in Column (l). This information is required for the purpose of classifying the persons employed according to the industry or service with which their work is connected, and will not be published. State precisely the nature of the employer's business, e.g., instead of "Manufacturer," "Merchant," "Ironworks," "Engineering Works," "Lead Works," "Civil Service," "use exact business descriptions, such as "Toy Manufacturer," "Coal Merchant," "Iron Rolling Mills," "Textile Machinery Makers," "White Lead Works," "Civil Service, General Post Office," etc.
- In the case of Domestic Servants or other persons in Private Personal Service the word "Private" should be entered in Column (l) and the name and business of the employer must not be stated. But for Cooks, Waitresses, Chambermaids, employed in Hotels, Restaurants, Boarding Houses, etc., the name and business of the employer should be stated.

The following special examples will indicate the kind of description which should be given both of the occupation and of the employer's business.

INSTRUCTIONS

For filling up Columns (b), (h), (k) and (l).

1. Column (b).—**RELATIONSHIP.**—Any relative present in the dwelling on Census night who usually lives elsewhere should, for Census purposes, be described in Column (b) as "Visitor," and not as "Son," "Aunt," "Sister-in-law," etc.

2. Column (h).—**EDUCATION.**—For persons attending a school or other institution for the purpose of receiving education, write "Whole Time" if attending daily during the full day school hours or otherwise to an extent which leaves no reasonable time for employment; "Part Time" if attending Day Continuation Schools or Evening Classes, or otherwise giving such partial or intermittent attendance as permits or might permit of substantial regular employment.

3. Columns (k) and (l).—**OCCUPATION AND EMPLOYMENT.**—For a person already entered as "Whole Time" in Column (h), no entry is needed in Column (k), unless the person is studying for a particular profession or occupation (see Instruction 4). For children under 12, Columns (k) (l) and (m) should be left blank.

PERSONS NOT PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

4. If studying or preparing for any particular profession or occupation, write accordingly in Column (k) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (l) blank. (But apprentices or persons training on similar terms should be entered as actually following the occupations to which they are apprenticed.)

5. For a member of a private household (such as householder's wife) who is mainly occupied in unpaid domestic duties at home, write "Home Duties" in Column (k) and leave Columns (l) and (m) blank.

6. If retired from an occupation or service, and not following any other regular occupation, state former occupation or service in Column (k), adding "Retired" Column (l) should be filled up, business of former employer (if any) being stated.

7. For a member of the household who is chiefly occupied in giving unpaid help in a business carried on by the head of the household or other relative, state the occupation in Column (k) as though it were a paid occupation. The name of the head of the business should be stated in Column (l) as employer, together with the nature of the business.

8. For other persons not included above who are mainly dependent upon others' earnings or upon their own or others' private means, write "None" or "Not occupied for a living" in Column (k) and leave Column (l) blank.

PERSONS PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

9. The occupation should be stated in Column (k), whether the worker is at work or not at the time of the Census. If more than one paid occupation is followed, state only that by which the living is mainly earned.

10. The precise character of the occupation should be stated. Vague and Indefinite Terms must not be used, such, for example, as Assistant, Collector, Contractor, Factory Hand, Foreman, Inspector, Ironworker, Machinist, Manufacturer, Millhand, Operative, Overlooker.

(a) Foremen and Overlookers should state the department or branch of work in which they are employed.

(b) Shopkeepers, Retail Dealers or Shop Assistants. Tailors, Bootmakers, Silversmiths, Jewellers, Bakers, etc., if selling only and not making or producing, or if chiefly selling, should add the words "Shopkeeper" or "Dealer" (if principals), and "Shop Assistant" or "Salesman" (if assisting). But a person who is chiefly engaged in making or producing, though also selling, should add "Maker."

(c) Agents, Brokers, Dealers, Merchants. State particular kind of business or trade as "Cycle Agent," "Sugar Broker," "Cattle Dealer," "Coal Merchant."

(d) Navy, Army, Air Force, Civil Service, Municipal Service, etc. State the post or rank, as Able Seaman, Police Sergeant, Post Office Sorter, Relieving Officer.

(e) Nurses. State whether "Nurse (Domestic)," "Monthly Nurse," "Sick Nurse," etc.

(f) Ironworkers should state whether Puddler, Shingler, Roller, Busheller, etc.

(g) Labourers. Unskilled workers usually employed on some one kind of work should always state fully the kind of work done, e.g., "Navy," "Bricklayer's Labourer," "Dock Labourer," "Foundry Labourer," "Steelworks Labourer," but those accustomed to employment in different kinds of work should describe themselves as "General Labourer." The term "Labourer" must not be used alone.

N.B.—OTHER WORKERS SHOULD DESCRIBE THEIR JOB BY THE SPECIAL NAME (IF ANY) BY WHICH IT IS KNOWN IN THE INDUSTRY OR MANUFACTURE.

11. Name and business of employer.—The name and business of the employer (firm, company, local authority, government department, etc.), must be stated in Column (l); for example, a bricklayer employed in a brewery should state "Bricklayer" in Column (k) and "Messrs., Brewers," in Column (l). A carman employed by a firm of bleachers and dyers should state "Carman" in Column (k) and "Messrs., Bleachers and Dyers," in Column (l). This information is required for the purpose of classifying the persons employed according to the industry or service with which their work is connected, and will not be published. State precisely the nature of the employer's business, e.g., instead of "Manufacturer," "Merchant," "Ironworks," "Engineering Works," "Lead Works," "Civil Service," use exact business descriptions, such as "Toy Manufacturer," "Coal Merchant," "Iron Rolling Mills," "Textile Machinery Makers," "White Lead Works," "Civil Service, General Post Office," etc.

In the case of Domestic Servants or other persons in Private Personal Service the word "Private" should be entered in Column (l) and the name and business of the employer must not be stated. But for Cooks, Waitresses, Chambermaids, employed in Hotels, Restaurants, Boarding Houses, etc., the name and business of the employer should be stated.

The following special examples will indicate the kind of description which should be given both of the occupation and of the employer's business.

INSTRUCTIONS

For filling up Columns (b), (h), (k) and (l).

1. Column (b).—**RELATIONSHIP.**—Any relative present in the dwelling on Census night who usually lives elsewhere should, for Census purposes, be described in Column (b) as "Visitor," and not as "Son," "Aunt," "Sister-in-law," etc.

2. Column (h).—**EDUCATION.**—For persons attending a school or other institution for the purpose of receiving education, write "Whole Time" if attending daily during the full day school hours or otherwise to an extent which leaves no reasonable time for employment; "Part Time" if attending Day Continuation Schools or Evening Classes, or otherwise giving such partial or intermittent attendance as permits or might permit of substantial regular employment.

3. Columns (k) and (l).—**OCCUPATION AND EMPLOYMENT.**—For a person already entered as "Whole Time" in Column (h), no entry is needed in Column (k), unless the person is studying for a particular profession or occupation (see Instruction 4). For children under 12, Columns (k) (l) and (m) should be left blank.

PERSONS NOT PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

4. If studying or preparing for any particular profession or occupation, write accordingly in Column (k) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (l) blank. (But apprentices or persons training on similar terms should be entered as actually following the occupations to which they are apprenticed.)

5. For a member of a private household (such as householder's wife) who is mainly occupied in unpaid domestic duties at home, write "Home Duties" in Column (k) and leave Columns (l) and (m) blank.

6. If retired from an occupation or service, and not following any other regular occupation, state former occupation or service in Column (k), adding "Retired" in Column (l) should be filled up, business of former employer (if any) being stated.

7. For a member of the household who is chiefly occupied in giving unpaid help in a business carried on by the head of the household or other relative, state the occupation in Column (k) as though it were a paid occupation. The name of the head of the business should be stated in Column (l) as employer, together with the nature of the business.

8. For other persons not included above who are mainly dependent upon others' earnings or upon their own or others' private means, write "None" or "Not occupied for a living" in Column (k) and leave Column (l) blank.

PERSONS PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

9. The occupation should be stated in Column (k), whether the worker is at work or not at the time of the Census. If more than one paid occupation is followed, state only that by which the living is mainly earned.

10. The precise character of the occupation should be stated. Vague and Indefinite Terms must not be used, such, for example, as Assistant, Collector, Contractor, Factory Hand, Foreman, Inspector, Ironworker, Machinist, Manufacturer, Millhand, Operative, Overlooker.

(a) Foremen and Overlookers should state the department or branch of work in which they are employed.

(b) Shopkeepers, Retail Dealers or Shop Assistants. Tailors, Bootmakers, Silversmiths, Jewellers, Bakers, etc., if selling only and not making or producing, or if chiefly selling, should add the words "Shopkeeper" or "Dealer" (if principals), and "Shop Assistant" or "Salesman" (if assisting). But a person who is chiefly engaged in making or producing, though also selling, should add "Maker."

(c) Agents, Brokers, Dealers, Merchants. State particular kind of business or trade as "Cycle Agent," "Sugar Broker," "Cattle Dealer," "Coal Merchant."

N.B.—OTHER WORKERS SHOULD DESCRIBE THEIR JOB BY THE SPECIAL NAME (IF ANY) BY WHICH IT IS KNOWN IN THE INDUSTRY OR MANUFACTURE.

11. Name and business of employer.—The name and business of the employer (firm, company, local authority, government department, etc.), must be stated in Column (l); for example, a bricklayer employed in a brewery should state "Bricklayer" in Column (k) and "Messrs., Brewers," in Column (l). A carman employed by a firm of bleachers and dyers should state "Carman" in Column (k) and "Messrs., Bleachers and Dyers," in Column (l). This information is required for the purpose of classifying the persons employed according to the industry or service with which their work is connected, and will not be published. State precisely the nature of the employer's business, e.g., instead of "Manufacturer," "Merchant," "Ironworks," "Engineering Works," "Lead Works," "Civil Service," use exact business descriptions, such as "Toy Manufacturer," "Coal Merchant," "Iron Rolling Mills," "Textile Machinery Makers," "White Lead Works," "Civil Service, General Post Office," etc.

In the case of Domestic Servants or other persons in Private Personal Service the word "Private" should be entered in Column (l) and the name and business of the employer must not be stated. But for Cooks, Waitresses, Chambermaids, employed in Hotels, Restaurants, Boarding Houses, etc., the name and business of the employer should be stated. The following special examples will indicate the kind of description which should be given both of the occupation and of the employer's business.

3. Columns (k) and (l).—OCCUPATION AND EMPLOYMENT.—For a person already entered as "Whole Time" in Column (h), no entry is needed in Column (k), unless the person is studying for a particular profession or occupation (see Instruction 4). For children under 12, Columns (k) and (l) should be left blank.

PERSONS NOT PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

4. If studying or preparing for any particular profession or occupation, write accordingly in Column (k) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (l) blank. 6. If retired from an occupation or service, and not following any other regular occupation, state former occupation or service in Column (k), adding "Retired" in Column (l) should be filled up, business of former employer (if any) being stated.

7. For a member of the household who is chiefly occupied in giving unpaid help in a business carried on by the head of the household or other relative, state the occupation in Column (k) as though it were a paid occupation. The name of the head of the business should be stated in Column (l) as employer, together with the nature of the business.

A carman employed by a firm of bleachers and dyers should state "Carman" in Column (k) and "Messrs., Bleachers and Dyers," in Column (l). This information is required for the purpose of classifying the persons employed according to the industry or service with which their work is connected, and will not be published.

INSTRUCTIONS

For filling up Columns (b), (h), (k) and (l).

- Column (b).—RELATIONSHIP.—Any relative present in the dwelling on Census night who usually lives elsewhere should, for Census purposes, be described in Column (b) as "Visitor," and not as "Son," "Aunt," "Sister-in-law," etc.
- Column (h).—EDUCATION.—For persons attending a school or other institution for the purpose of receiving education, write "Whole Time" if attending daily during the full day school hours or otherwise to an extent which leaves no reasonable time for employment; "Part Time" if attending Day Continuation Schools or Evening Classes, or otherwise giving such partial or intermittent attendance as permits or might permit of substantial regular employment.
- Columns (k) and (l).—OCCUPATION AND EMPLOYMENT.—For a person already entered as "Whole Time" in Column (h), no entry is needed in Column (k), unless the person is studying for a particular profession or occupation (see Instruction 4). For children under 12, Columns (k) (l) and (m) should be left blank.

PERSONS NOT PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

- If studying or preparing for any particular profession or occupation, write accordingly in Column (k) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (l) blank. (But apprentices or persons training on similar terms should be entered as actually following the occupations to which they are apprenticed.)
- For a member of a private household (such as householder's wife) who is mainly occupied in unpaid domestic duties at home, write "Home Duties" in Column (k) and leave Columns (l) and (m) blank.
- If retired from an occupation or service, and not following any other regular occupation, state former occupation or service in Column (k), adding "Retired" in Column (l) should be filled up, business of former employer (if any) being stated.
- For a member of the household who is chiefly occupied in giving unpaid help in a business carried on by the head of the household or other relative, state the occupation in Column (k) as though it were a paid occupation. The name of the head of the business should be stated in Column (l) as employer, together with the nature of the business.
- For other persons not included above who are mainly dependent upon others' earnings or upon their own or others' private means, write "None" or "Not occupied for a living" in Column (k) and leave Column (l) blank.

PERSONS PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

- The occupation should be stated in Column (k), whether the worker is at work or not at the time of the Census. If more than one paid occupation is followed, state only that by which the living is mainly earned.
- The precise character of the occupation should be stated. Vague and Indefinite Terms must not be used, such, for example, as Assistant, Collector, Contractor, Factory Hand, Foreman, Inspector, Ironworker, Machinist, Manufacturer, Millhand, Operative, Overlooker.
(a) Foremen and Overlookers should state the department or branch of work in which they are employed.
(b) Shopkeepers, Retail Dealers or Shop Assistants, Tailors, Bootmakers, Silversmiths, Jewellers, Bakers, etc., if selling only and not making or producing, or if chiefly selling, should add the words "Shopkeeper" or "Dealer" (if principals), and "Shop Assistant" or "Salesman" (if assisting). But a person who is chiefly engaged in making or producing, though also selling, should add "Maker."
(c) Agents, Brokers, Dealers, Merchants. State particular kind of business or trade as "Cycle Agent," "Sugar Broker," "Cattle Dealer," "Coal Merchant."
- N.B.—OTHER WORKERS SHOULD DESCRIBE THEIR JOB BY THE SPECIAL NAME (IF ANY) BY WHICH IT IS KNOWN IN THE INDUSTRY OR MANUFACTURE.
(d) Navy, Army, Air Force, Civil Service, Municipal Service, etc. State the post or rank, as Able Seaman, Police Sergeant, Post Office-Sorter, Relieving Officer.
(e) Nurses. State whether "Nurse (Domestic)," "Monthly Nurse," "Sick Nurse," etc.
(f) Ironworkers should state whether Puddler, Shingler, Roller, Busheller, etc.
(g) Labourers. Unskilled workers usually employed on some one kind of work should always state fully the kind of work done, e.g., "Navy," "Bricklayer's Labourer," "Dock Labourer," "Foundry Labourer," "Steelworks Labourer"; but those accustomed to employment in different kinds of work should describe themselves as "General Labourer." The term "Labourer" must not be used alone.

- Name and business of employer.—The name and business of the employer (firm, company, local authority, government department, etc.), must be stated in Column (l); for example, a bricklayer employed in a brewery should state "Bricklayer" in Column (k) and "Messrs. Brewers," in Column (l). A carman employed by a firm of bleachers and dyers should state "Carman" in Column (k) and "Messrs. Bleachers and Dyers," in Column (l). This information is required for the purpose of classifying the persons employed according to the industry or service with which their work is connected, and will not be published. State precisely the nature of the employer's business, e.g., instead of "Manufacturer," "Merchant," "Ironworks," "Engineering Works," "Lead Works," "Civil Service," use exact business descriptions, such as "Toy Manufacturer," "Coal Merchant," "Iron Rolling Mills," "Textile Machinery Makers," "White Lead Works," "Civil Service, General Post Office," etc.
In the case of Domestic Servants or other persons in Private Personal Service the word "Private" should be entered in Column (l) and the name and business of the employer must not be stated. But for Cooks, Waitresses, Chambermaids, employed in Hotels, Restaurants, Boarding Houses, etc., the name and business of the employer should be stated.
The following special examples will indicate the kind of description which should be given both of the occupation and of the employer's business.

INSTRUCTIONS

For filling up Columns (b), (h), (k) and (l).

1. Column (b).—**RELATIONSHIP.**—Any relative present in the dwelling on Census night who usually lives elsewhere should, for Census purposes, be described in Column (b) as "Visitor," and not as "Son," "Aunt," "Sister-in-law," etc.

2. Column (h).—**EDUCATION.**—For persons attending a school or other institution for the purpose of receiving education, write "**Whole Time**" if attending daily during the full day school hours or otherwise to an extent which leaves no reasonable time for employment; "**Part Time**" if attending Day Continuation Schools or Evening Classes, or otherwise giving such partial or intermittent attendance as permits or might permit of substantial regular employment.

3. Columns (k) and (l).—**OCCUPATION AND EMPLOYMENT.**—For a person already entered as "Whole Time" in Column (k), no entry is needed in Column (k), unless the person is studying for a particular profession or occupation (see Instruction 4). For children under 12, Columns (k) (l) and (m) should be left blank.

PERSONS NOT PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

4. If studying or preparing for any particular profession or occupation, write accordingly in Column (k) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (l) blank. (But apprentices or persons training on similar terms should be entered as actually following the occupations to which they are apprenticed.)

5. For a member of a private household (such as householder's wife) who is mainly occupied in unpaid domestic duties at home, write "Home Duties" in Column (k) and leave Columns (l) and (m) blank.

6. If retired from an occupation or service, and not following any other regular occupation, state former occupation or service in Column (h), adding "Retired" Column (i) should be filled up, business of former employer (if any) being stated.

7. For a member of the household who is chiefly occupied in giving unpaid help in a business carried on by the head of the household or other relative, state the occupation in Column (k) as though it were a paid occupation. The name of the head of the business should be stated in Column (l) as employer, together with the nature of the business.

8. For other persons not included above who are mainly dependent upon others' earnings or upon their own or others' private means, write "None" or "Not occupied for a living" in Column (k) and leave Column (l) blank.

PERSONS PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

9. The occupation should be stated in Column (A), whether the worker is at work or not at the time of the Census. If more than one paid occupation is followed, state only that by which the living is mainly earned.

10. The precise character of the occupation should be stated. **Vague and Indefinite Terms must not be used**, such, for example, as Assistant, Collector, Contractor, Factory Hand, Foreman, Inspector, Ironworker, Machinist, Manufacturer, Millhand, Operative, Overlooker.

11. Name and business of employer.—The name and business of the employer (firm, company, local authority, government department, etc.), must be stated in Column (i); for example, a bricklayer employed in a brewery should state "Bricklayer" in Column (k) and "Messrs., Brewers," in Column (l). A carman employed by a firm of bleachers and dyers should state "Carman" in Column (k) and "Messrs., Bleachers and Dyers," in Column (l). This information is required for the purpose of classifying the persons employed according to the industry or service with which their work is connected, and will not be published.

State precisely the nature of the employer's business, e.g., instead of "Manufacturer," "Merchant," "Ironworks," "Engineering Works," "Lead Works," "Civil Service," use exact business descriptions, such as "Toy Manufacturer," "Coal Merchant," "Iron Rolling Mills," "Textile Machinery Makers," "White Lead Works," "Civil Service, General Post Office," etc.

In the case of Domestic Servants or other persons in Private Personal Service the word "Private" should be entered in Column (1) and the name and business of the employer must not be stated. INSTRUCTIONS

For filling up Columns (b), (h), (k) and (l).

- Column (b).—**RELATIONSHIP.**—Any relative present in the dwelling on Census night who usually lives elsewhere should, for Census purposes, be described in Column (b) as "Visitor," and not as "Son," "Aunt," "Sister-in-law," etc.
- Column (h).—**EDUCATION.**—For persons attending a school or other institution for the purpose of receiving education, write "Whole Time" if attending daily during the full day school hours or otherwise to an extent which leaves no reasonable time for employment; "Part Time" if attending Day Continuation Schools or Evening Classes, or otherwise giving such partial or intermittent attendance as permits or might permit of substantial regular employment.
- Columns (k) and (l).—**OCCUPATION AND EMPLOYMENT.**—For a person already entered as "Whole Time" in Column (h), no entry is needed in Column (k), unless the person is studying for a particular profession or occupation (see Instruction 4). For children under 12, Columns (k) (l) and (m) should be left blank.

PERSONS NOT PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

- If studying or preparing for any particular profession or occupation, write accordingly in Column (k) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (l) blank. (But apprentices or persons training on similar terms should be entered as actually following the occupations to which they are apprenticed.)
- For a member of a private household (such as householder's wife) who is mainly occupied in unpaid domestic duties at home, write "Home Duties" in Column (k) and leave Columns (l) and (m) blank.
- If retired from an occupation or service, and not following any other regular occupation, state former occupation or service in Column (k), adding "Retired" Column (l) should be filled up, business of former employer (if any) being stated.
- For a member of the household who is chiefly occupied in giving unpaid help in a business carried on by the head of the household or other relative, state the occupation in Column (k) as though it were a paid occupation. The name of the head of the business should be stated in Column (l) as employer, together with the nature of the business.
- For other persons not included above who are mainly dependent upon others' earnings or upon their own or others' private means, write "None" or "Not occupied for a living" in Column (k) and leave Column (l) blank.

PERSONS PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

- The occupation should be stated in Column (k), whether the worker is at work or not at the time of the Census. If more than one paid occupation is followed, state only that by which the living is mainly earned.
- The precise character of the occupation should be stated. Vague and Indefinite Terms must not be used, such, for example, as Assistant, Collector, Contractor, Factory Hand, Foreman, Inspector, Ironworker, Machinist, Manufacturer, Millhand, Operative, Overlooker:
 - Foremen and Overlookers should state the department or branch of work in which they are employed.
 - Shopkeepers, Retail Dealers or Shop Assistants, Tailors, Bootmakers, Silversmiths, Jewellers, Bakers, etc., if selling only and not making, or producing, or if chiefly selling, should add the words "Shopkeeper" or "Dealer" (if principals), and "Shop Assistant" or "Salesman" (if assisting). But a person who is chiefly engaged in making or producing, though also selling, should add "Maker."
 - Agents, Brokers, Dealers, Merchants. State particular kind of business or trade as "Cycle Agent," "Sugar Broker," "Cattle Dealer," "Coal Merchant."
- N.B.—OTHER WORKERS SHOULD DESCRIBE THEIR JOB BY THE SPECIAL NAME (IF ANY) BY WHICH IT IS KNOWN IN THE INDUSTRY OR MANUFACTURE.
 - Navy, Army, Air Force, Civil Service, Municipal Service, etc. State the post or rank, as Able Seaman, Police Sergeant, Post Office Sorter, Relieving Officer.
 - Nurses. State whether "Nurse (Domestic)," "Monthly Nurse," "Sick Nurse," etc.
 - Ironworkers should state whether Puddler, Shingler, Roller, Busheller, etc.
 - Labourers. Unskilled workers usually employed on some one kind of work should always state fully the kind of work done, e.g., "Navy," "Bricklayer's Labourer," "Dock Labourer," "Foundry Labourer," "Steelworks Labourer," but those accustomed to employment in different kinds of work should describe themselves as "General Labourer." The term "Labourer" must not be used alone.

- Name and business of employer.—The name and business of the employer (firm, company, local authority, government department, etc.), must be stated in Column (l); for example, a bricklayer employed in a brewery should state "Bricklayer" in Column (k) and "Messrs., Brewers," in Column (l). A carman employed by a firm of bleachers and dyers should state "Carman" in Column (k) and "Messrs., Bleachers and Dyers," in Column (l). This information is required for the purpose of classifying the persons employed according to the industry or service with which their work is connected, and will not be published. State precisely the nature of the employer's business, e.g., instead of "Manufacturer," "Merchant," "Ironworks," "Engineering Works," "Lead Works," "Civil Service," use exact business descriptions, such as "Toy Manufacturer," "Coal Merchant," "Iron Rolling Mills," "Textile Machinery Makers," "White Lead Works," "Civil Service, General Post Office," etc.
- In the case of Domestic Servants or other persons in Private Personal Service the word "Private" should be entered in Column (l) and the name and business of the employer must not be stated. But for Cooks, Waitresses, Chambermaids, employed in Hotels, Restaurants, Boarding Houses, etc., the name and business of the employer should be stated.

The following special examples will indicate the kind of description which should be given both of the occupation and of the employer's business.

INSTRUCTIONS

For filling up Columns (b), (h), (k) and (l).

1. Column (b).—**RELATIONSHIP.**—Any relative present in the dwelling on Census night who usually lives elsewhere should, for Census purposes, be described in Column (b) as "Visitor," and not as "Son," "Aunt," "Sister-in-law," etc.

2. Column (h).—**EDUCATION.**—For persons attending a school or other institution for the purpose of receiving education, write "Whole Time" if attending daily during the full day school hours or otherwise to an extent which leaves no reasonable time for employment; "Part Time" if attending Day Continuation Schools or Evening Classes, or otherwise giving such partial or intermittent attendance as permits or might permit of substantial regular employment.

3. Columns (k) and (l).—**OCCUPATION AND EMPLOYMENT.**—For a person already entered as "Whole Time" in Column (h), no entry is needed in Column (k), unless the person is studying for a particular profession or occupation (see Instruction 4). For children under 12, Columns (k) (l) and (m) should be left blank.

PERSONS NOT PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

4. If studying or preparing for any particular profession or occupation, write accordingly in Column (k) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (l) blank. (But apprentices or persons training on similar terms should be entered as actually following the occupations to which they are apprenticed.)

5. For a member of a private household (such as householder's wife) who is mainly occupied in unpaid domestic duties at home, write "Home Duties" in Column (k) and leave Columns (l) and (m) blank.

6. If retired from an occupation or service, and not following any other regular occupation, state former occupation or service in Column (k), adding "Retired" in Column (l) should be filled up, business of former employer (if any) being stated.

7. For a member of the household who is chiefly occupied in giving unpaid help in a business carried on by the head of the household or other relative, state the occupation in Column (k) as though it were a paid occupation. The name of the head of the business should be stated in Column (l) as employer, together with the nature of the business.

8. For other persons not included above who are mainly dependent upon others' earnings or upon their own or others' private means, write "None" or "Not occupied for a living" in Column (k) and leave Column (l) blank.

PERSONS PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

9. The occupation should be stated in Column (k), whether the worker is at work or not at the time of the Census. If more than one paid occupation is followed, state only that by which the living is mainly earned.

10. The precise character of the occupation should be stated. Vague and Indefinite Terms must not be used, such, for example, as Assistant, Collector, Contractor, Factory Hand, Foreman, Inspector, Ironworker, Machinist, Manufacturer, Millhand, Operative, Overlooker.

(a) Foremen and Overlookers should state the department or branch of work in which they are employed.

(b) Shopkeepers, Retail Dealers or Shop Assistants, Tailors, Bootmakers, Silversmiths, Jewellers, Bakers, etc., if selling only and not making or producing, or if chiefly selling, should add the words "Shopkeeper" or "Dealer" (if principals), and "Shop Assistant" or "Salesman" (if assisting). But a person who is chiefly engaged in making or producing, though also selling, should add "Maker."

(c) Agents, Brokers, Dealers, Merchants. State particular kind of business or trade as "Cycle Agent," "Sugar Broker," "Cattle Dealer," "Coal Merchant."

(d) Navy, Army, Air Force, Civil Service, Municipal Service, etc. State the post or rank, as Able Seaman, Police Sergeant, Post Office Sorter, Relieving Officer.

(e) Nurses. State whether "Nurse (Domestic)," "Monthly Nurse," "Sick Nurse," etc.

(f) Ironworkers should state whether Puddler, Shingler, Roller, Busheller, etc.

(g) Labourers. Unskilled workers usually employed on some one kind of work should always state fully the kind of work done, e.g., "Navy," "Bricklayer's Labourer," "Dock Labourer," "Foundry Labourer," "Steelworks Labourer"; but those accustomed to employment in different kinds of work should describe themselves as "General Labourer." The term "Labourer" must not be used alone.

N.B.—OTHER WORKERS SHOULD DESCRIBE THEIR JOB BY THE SPECIAL NAME (IF ANY) BY WHICH IT IS KNOWN IN THE INDUSTRY OR MANUFACTURE.

11. Name and business of employer.—The name and business of the employer (firm, company, local authority, government department, etc.), must be stated in Column (l); for example, a bricklayer employed in a brewery should state "Bricklayer" in Column (k) and "Messrs., Brewers," in Column (l). A carman employed by a firm of bleachers and dyers should state "Carman" in Column (k) and "Messrs., Bleachers and Dyers," in Column (l). This information is required for the purpose of classifying the persons employed according to the industry or service with which their work is connected, and will not be published.

State precisely the nature of the employer's business, e.g., instead of "Manufacturer," "Merchant," "Ironworks," "Engineering Works," "Lead Works," "Civil Service," use exact business descriptions, such as "Toy Manufacturer," "Coal Merchant," "Iron Rolling Mills," "Textile Machinery Makers," "White Lead Works," "Civil Service, General Post Office," etc.

In the case of Domestic Servants or other persons in Private Personal Service the word "Private" should be entered in Column (l) and the name and business of the employer must not be stated. But for Cooks, Waitresses, Chambermaids, employed in Hotels, Restaurants, Boarding Houses, etc., the name and business of the employer should be stated.

The following special examples will indicate the kind of description which should be given both of the occupation and of the employer's business.

INSTRUCTIONS

For filling up Columns (b), (h), (k) and (l).

1. Column (b).—RELATIONSHIP.—Any relative present in the dwelling on Census night who usually lives elsewhere should, for Census purposes, be described in Column (b) as "Visitor," and not as "Son," "Aunt," "Sister-in-law," etc.

2. Column (h).—EDUCATION.—For persons attending a school or other institution for the purpose of receiving education, write "Whole Time" if attending daily during the full day school hours or otherwise to an extent which leaves no reasonable time for employment; "Part Time" if attending Day Continuation Schools or Evening Classes, or otherwise giving such partial or intermittent attendance as permits or might permit of substantial regular employment.

3. Columns (k) and (l).—OCCUPATION AND EMPLOYMENT.—For a person already entered as "Whole Time" in Column (h), no entry is needed in Column (k), unless the person is studying for a particular profession or occupation (see Instruction 4). For children under 12, Columns (k) (l) and (m) should be left blank.

PERSONS NOT PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

4. If studying or preparing for any particular profession or occupation, write accordingly in Column (k) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (l) blank. (But apprentices or persons training on similar terms should be entered as actually following the occupations to which they are apprenticed.)

5. For a member of a private household (such as householder's wife) who is mainly occupied in unpaid domestic duties at home, write "Home Duties" in Column (k) and leave Columns (l) and (m) blank.

6. If retired from an occupation or service, and not following any other regular occupation, state former occupation or service in Column (k), adding "Retired" in Column (l) should be filled up, business of former employer (if any) being stated.

7. For a member of the household who is chiefly occupied in giving unpaid help in a business carried on by the head of the household or other relative, state the occupation in Column (k) as though it were a paid occupation. The name of the head of the business should be stated in Column (l) as employer, together with the nature of the business.

8. For other persons not included above who are mainly dependent upon others' earnings or upon their own or others' private means, write "None" or "Not occupied for a living" in Column (k) and leave Column (l) blank.

PERSONS PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

9. The occupation should be stated in Column (k), whether the worker is at work or not at the time of the Census. If more than one paid occupation is followed, state only that by which the living is mainly earned.

10. The precise character of the occupation should be stated. Vague and Indefinite Terms must not be used, such, for example, as Assistant, Collector, Contractor, Factory Hand, Foreman, Inspector, Ironworker, Machinist, Manufacturer, Millhand, Operative, Overlooker.

(a) Foremen and Overlookers should state the department or branch of work in which they are employed.
(b) Shopkeepers, Retail Dealers or Shop Assistants, Tailors, Bootmakers, Silversmiths, Jewellers, Bakers, etc., if selling only and not making or producing, or if chiefly selling, should add the words "Shopkeeper" or "Dealer" (if principals), and "Shop Assistant" or "Salesman" (if assisting). But a person who is chiefly engaged in making or producing, though also selling, should add "Maker."
(c) Agents, Brokers, Dealers, Merchants. State particular kind of business or trade as "Cycle Agent," "Sugar Broker," "Cattle Dealer," "Coal Merchant."

(d) Navy, Army, Air Force, Civil Service, Municipal Service, etc. State the post or rank, as Able Seaman, Police Sergeant, Post Office Sorter, Relieving Officer.
(e) Nurses. State whether "Nurse (Domestic)," "Monthly Nurse," "Sick Nurse," etc.
(f) Ironworkers should state whether Puddler, Shingler, Roller, Busheller, etc.
(g) Labourers. Unskilled workers usually employed on some one kind of work should always state fully the kind of work done, e.g., "Navy," "Bricklayer's Labourer," "Dock Labourer," "Foundry Labourer," "Steelworks Labourer," but those accustomed to employment in different kinds of work should describe themselves as "General Labourer." The term "Labourer" must not be used alone.

N.B.—OTHER WORKERS SHOULD DESCRIBE THEIR JOB BY THE SPECIAL NAME (IF ANY) BY WHICH IT IS KNOWN IN THE INDUSTRY OR MANUFACTURE.

11. Name and business of employer.—The name and business of the employer (firm, company, local authority, government department, etc.), must be stated in Column (l); for example, a bricklayer employed in a brewery should state "Bricklayer" in Column (k) and "Messrs., Brewers," in Column (l). A carman employed by a firm of bleachers and dyers should state "Carman" in Column (k) and "Messrs., Bleachers and Dyers," in Column (l). This information is required for the purpose of classifying the persons employed according to the industry or service with which their work is connected, and will not be published.

State precisely the nature of the employer's business, e.g., instead of "Manufacturer," "Merchant," "Ironworks," "Engineering Works," "Lead Works," "Civil Service," use exact business descriptions, such as "Toy Manufacturer," "Coal Merchant," "Iron Rolling Mills," "Textile Machinery Makers," "White Lead Works," "Civil Service, General Post Office," etc.

In the case of Domestic Servants or other persons in Private Personal Service the word "Private" should be entered in Column (l) and the name and business of the employer must not be stated. But for Cooks, Waitresses, Chambermaids, employed in Hotels, Restaurants, Boarding Houses, etc., the name and business of the employer should be stated.

The following special examples will indicate the kind of description which should be given both of the occupation and of the employer's business.

INSTRUCTIONS

For filling up Columns (b), (h), (k) and (l).

- Column (b).—**RELATIONSHIP.**—Any relative present in the dwelling on Census night who usually lives elsewhere should, for Census purposes, be described in Column (b) as "Visitor," and not as "Son," "Aunt," "Sister-in-law," etc.
- Column (h).—**EDUCATION.**—For persons attending a school or other institution for the purpose of receiving education, write "Whole Time" if attending daily during the full day school hours or otherwise to an extent which leaves no reasonable time for employment; "Part Time" if attending Day Continuation Schools or Evening Classes, or otherwise giving such partial or intermittent attendance as permits or might permit of substantial regular employment.
- Columns (k) and (l).—**OCCUPATION AND EMPLOYMENT.**—For a person already entered as "Whole Time" in Column (h), no entry is needed in Column (k), unless the person is studying for a particular profession or occupation (see Instruction 4). For children under 12, Columns (k) (l) and (m) should be left blank.

PERSONS NOT PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

- If studying or preparing for any particular profession or occupation, write accordingly in Column (k) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (l) blank. (But apprentices or persons training on similar terms should be entered as actually following the occupations to which they are apprenticed.)
- For a member of a private household (such as householder's wife) who is mainly occupied in unpaid domestic duties at home, write "Home Duties" in Column (k) and leave Columns (l) and (m) blank.
- If retired from an occupation or service, and not following any other regular occupation, state former occupation or service in Column (k), adding "Retired" in Column (l) should be filled up, business of former employer (if any) being stated.
- For a member of the household who is chiefly occupied in giving unpaid help in a business carried on by the head of the household or other relative, state the occupation in Column (k) as though it were a paid occupation. The name of the head of the business should be stated in Column (l) as employer, together with the nature of the business.
- For other persons not included above who are mainly dependent upon others' earnings or upon their own or others' private means, write "None" or "Not occupied for a living" in Column (k) and leave Column (l) blank.

PERSONS PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

- The occupation should be stated in Column (k), whether the worker is at work or not at the time of the Census. If more than one paid occupation is followed, state only that by which the living is mainly earned.
- The precise character of the occupation should be stated. Vague and Indefinite Terms must not be used, such, for example, as Assistant, Collector, Contractor, Factory Hand, Foreman, Inspector, Ironworker, Machinist, Manufacturer, Millhand, Operative, Overlooker.
 - Foremen and Overlookers should state the department or branch of work in which they are employed.
 - Shopkeepers, Retail Dealers or Shop Assistants. Tailors, Bootmakers, Silversmiths, Jewellers, Bakers, etc., if selling only and not making or producing, or if chiefly selling, should add the words "Shopkeeper" or "Dealer" (if principals), and "Shop Assistant" or "Salesman" (if assisting). But a person who is chiefly engaged in making or producing, though also selling, should add "Maker."
 - Agents, Brokers, Dealers, Merchants. State particular kind of business or trade as "Cycle Agent," "Sugar Broker," "Cattle Dealer," "Coal Merchant."
- (d) Navy, Army, Air Force, Civil Service, Municipal Service, etc. State the post or rank, as Able Seaman, Police Sergeant, Post Office Sorter, Relieving Officer.
- (e) Nurses. State whether "Nurse (Domestic)," "Monthly Nurse," "Sick Nurse," etc.
- (f) Ironworkers should state whether Puddler, Shingler, Roller, Busheller, etc.
- (g) Labourers. Unskilled workers usually employed on some one kind of work should always state fully the kind of work done, e.g., "Navy," "Bricklayer's Labourer," "Dock Labourer," "Foundry Labourer," "Steelworks Labourer"; but those accustomed to employment in different kinds of work should describe themselves as "General Labourer." The term "Labourer" must not be used alone.

N.B.—OTHER WORKERS SHOULD DESCRIBE THEIR JOB BY THE SPECIAL NAME (IF ANY) BY WHICH IT IS KNOWN IN THE INDUSTRY OR MANUFACTURE.

- Name and business of employer.—The name and business of the employer (firm, company, local authority, government department, etc.), must be stated in Column (l); for example, a bricklayer employed in a brewery should state "Bricklayer" in Column (k) and "Messrs., Brewers," in Column (l). A carman employed by a firm of bleachers and dyers should state "Carman" in Column (k) and "Messrs., Bleachers and Dyers," in Column (l). This information is required for the purpose of classifying the persons employed according to the industry or service with which their work is connected, and will not be published. State precisely the nature of the employer's business, e.g., instead of "Manufacturer," "Merchant," "Ironworks," "Engineering Works," "Lead Works," "Civil Service," use exact business descriptions, such as "Toy Manufacturer," "Coal Merchant," "Iron Rolling Mills," "Textile Machinery Makers," "White Lead Works," "Civil Service, General Post Office," etc.
- In the case of Domestic Servants or other persons in Private Personal Service the word "Private" should be entered in Column (l) and the name and business of the employer must not be stated. But for Cooks, Waitresses, Chambermaids, employed in Hotels, Restaurants, Boarding Houses, etc., the name and business of the employer should be stated.

The following special examples will indicate the kind of description which should be given both of the occupation and of the employer's business.

INSTRUCTIONS

For filling up Columns (b), (h), (k) and (l).

1. Column (b).—**RELATIONSHIP.**—Any relative present in the dwelling on Census night who usually lives elsewhere should, for Census purposes, be described in Column (b) as "Visitor," and not as "Son," "Aunt," "Sister-in-law," etc.

2. Column (h).—**EDUCATION.**—For persons attending a school or other institution for the purpose of receiving education, write "Whole Time" if attending daily during the full day school hours or otherwise to an extent which leaves no reasonable time for employment; "Part Time" if attending Day Continuation Schools or Evening Classes, or otherwise giving such partial or intermittent attendance as permits or might permit of substantial regular employment.

3. Columns (k) and (l).—**OCCUPATION AND EMPLOYMENT.**—For a person already entered as "Whole Time" in Column (h), no entry is needed in Column (k), unless the person is studying for a particular profession or occupation (see Instruction 4). For children under 12, Columns (k) (l) and (m) should be left blank.

PERSONS NOT PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

4. If studying or preparing for any particular profession or occupation, write accordingly in Column (k) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (l) blank. (But apprentices or persons training on similar terms should be entered as actually following the occupations to which they are apprenticed.)

5. For a member of a private household (such as householder's wife) who is mainly occupied in unpaid domestic duties at home, write "Home Duties" in Column (k) and leave Columns (l) and (m) blank.

6. If retired from an occupation or service, and not following any other regular occupation, state former occupation or service in Column (k), adding "Retired" Column (l) should be filled up, business of former employer (if any) being stated.

7. For a member of the household who is chiefly occupied in giving unpaid help in a business carried on by the head of the household or other relative, state the occupation in Column (k) as though it were a paid occupation. The name of the head of the business should be stated in Column (l) as employer, together with the nature of the business.

8. For other persons not included above who are mainly dependent upon others' earnings or upon their own or others' private means, write "None" or "Not occupied for a living" in Column (k) and leave Column (l) blank.

PERSONS PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

9. The occupation should be stated in Column (k), whether the worker is at work or not at the time of the Census. If more than one paid occupation is followed, state only that by which the living is mainly earned.

10. The precise character of the occupation should be stated. **Vague and Indefinite Terms must not be used**, such, for example, as Assistant, Collector, Contractor, Factory Hand, Foreman, Inspector, Ironworker, Machinist, Manufacturer, Millhand, Operative, Overlooker.

(a) Foremen and Overlookers should state the department or branch of work in which they are employed.

(b) Shopkeepers, Retail Dealers or Shop Assistants. Tailors, Bootmakers, Silversmiths, Jewellers, Bakers, etc., if selling only and not making or producing, or if chiefly selling, should add the words "Shopkeeper" or "Dealer" (if principals), and "Shop Assistant" or "Salesman" (if assisting). But a person who is chiefly engaged in making or producing, though also selling, should add "Maker."

(c) Agents, Brokers, Dealers, Merchants. State particular kind of business or trade as "Cycle Agent," "Sugar Broker," "Cattle Dealer," "Coal Merchant."

(d) Navy, Army, Air Force, Civil Service, Municipal Service, etc. State the post or rank, as Able Seaman, Police Sergeant, Post Office Sorter, Relieving Officer.

(e) Nurses. State whether "Nurse (Domestic)," "Monthly Nurse," "Sick Nurse," etc.

(f) Ironworkers should state whether Puddler, Shingler, Roller, Busheller, etc.

(g) Labourers. Unskilled workers usually employed on some one kind of work should always state fully the kind of work done, e.g., "Navy," "Bricklayer's Labourer," "Dock Labourer," "Foundry Labourer," "Steelworks Labourer"; but those accustomed to employment in different kinds of work should describe themselves as "General Labourer." The term "Labourer" must not be used alone.

N.B.—OTHER WORKERS SHOULD DESCRIBE THEIR JOB BY THE SPECIAL NAME (IF ANY) BY WHICH IT IS KNOWN IN THE INDUSTRY OR MANUFACTURE.

11. Name and business of employer.—The name and business of the employer (firm, company, local authority, government department, etc.), must be stated in Column (l); for example, a bricklayer employed in a brewery should state "Bricklayer" in Column (k) and "Messrs., Brewers," in Column (l). A carman employed by a firm of bleachers and dyers should state "Carman" in Column (k) and "Messrs., Bleachers and Dyers," in Column (l). This information is required for the purpose of classifying the persons employed according to the industry or service with which their work is connected, and will not be published.

State precisely the nature of the employer's business, e.g., instead of "Manufacturer," "Merchant," "Ironworks," "Engineering Works," "Lead Works," "Civil Service," use exact business descriptions, such as "Toy Manufacturer," "Coal Merchant," "Iron Rolling Mills," "Textile Machinery Makers," "White Lead Works," "Civil Service, General Post Office," etc.

In the case of Domestic Servants or other persons in Private Personal Service the word "Private" should be entered in Column (l) and the name and business of the employer must not be stated. But for Cooks, Waitresses, Chambermaids, employed in Hotels, Restaurants, Boarding Houses, etc., the name and business of the employer should be stated.

The following special examples will indicate the kind of description which should be given both of the occupation and of the employer's business.

INSTRUCTIONS

For filling up Columns (b), (h), (k) and (l).

1. Column (b).—**RELATIONSHIP.**—Any relative present in the dwelling on Census night who usually lives elsewhere should, for Census purposes, be described in Column (b) as "Visitor," and not as "Son," "Aunt," "Sister-in-law," etc.

2. Column (h).—**EDUCATION.**—For persons attending a school or other institution for the purpose of receiving education, write "Whole Time" if attending daily during the full day school hours or otherwise to an extent which leaves no reasonable time for employment; "Part Time" if attending Day Continuation Schools or Evening Classes, or otherwise giving such partial or intermittent attendance as permits or might permit of substantial regular employment.

3. Columns (k) and (l).—**OCCUPATION AND EMPLOYMENT.**—For a person already entered as "Whole Time" in Column (h), no entry is needed in Column (k), unless the person is studying for a particular profession or occupation (see Instruction 4). For children under 12, Columns (k) (l) and (m) should be left blank.

PERSONS NOT PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

4. If studying or preparing for any particular profession or occupation, write accordingly in Column (h) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (l) blank. (But apprentices or persons training on similar terms should be entered as actually following the occupations to which they are apprenticed.)

5. For a member of a private household (such as householder's wife) who is mainly occupied in unpaid domestic duties at home, write "Home Duties" in Column (h) and leave Columns (l) and (m) blank.

6. If retired from an occupation or service, and not following any other regular occupation, state former occupation or service in Column (h), adding "Retired" in Column (l) should be filled up, business of former employer (if any) being stated.

7. For a member of the household who is chiefly occupied in giving unpaid help in a business carried on by the head of the household or other relative, state the occupation in Column (h) as though it were a paid occupation. The name of the head of the business should be stated in Column (l) as employer, together with the nature of the business.

8. For other persons not included above who are mainly dependent upon others' earnings or upon their own or others' private means, write "None" or "Not occupied for a living" in Column (h) and leave Column (l) blank.

PERSONS PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

9. The occupation should be stated in Column (h), whether the worker is at work or not at the time of the Census. If more than one paid occupation is followed, state only that by which the living is mainly earned.

10. The precise character of the occupation should be stated. Vague and Indefinite Terms must not be used, such, for example, as Assistant, Collector, Contractor, Factory Hand, Foreman, Inspector, Ironworker, Machinist, Manufacturer, Millhand, Operative, Overlooker.

(a) Foremen and Overlookers should state the department or branch of work in which they are employed.

(b) Shopkeepers, Retail Dealers or Shop Assistants, Tailors, Bootmakers, Silversmiths, Jewellers, Bakers, etc., if selling only and not making or producing, or if chiefly selling, should add the words "Shopkeeper" or "Dealer" (if principals), and "Shop Assistant" or "Salesman" (if assisting). But a person who is chiefly engaged in making or producing, though also selling, should add "Maker."

(c) Agents, Brokers, Dealers, Merchants. State particular kind of business or trade as "Cycle Agent," "Sugar Broker," "Cattle Dealer," "Coal Merchant."

(d) Navy, Army, Air Force, Civil Service, Municipal Service, etc. State the post or rank, as Able Seaman, Police Sergeant, Post Office Sorter, Relieving Officer.

(e) Nurses. State whether "Nurse (Domestic)," "Monthly Nurse," "Sick Nurse," etc.

(f) Ironworkers should state whether Puddler, Shingler, Roller, Busbeller, etc.

(g) Labourers. Unskilled workers usually employed on some one kind of work should always state fully the kind of work done, e.g., "Navy," "Bricklayer's Labourer," "Dock Labourer," "Foundry Labourer," "Steelworks Labourer"; but those accustomed to employment in different kinds of work should describe themselves as "General Labourer." The term "Labourer" must not be used alone.

N.B.—OTHER WORKERS SHOULD DESCRIBE THEIR JOB BY THE SPECIAL NAME (IF ANY) BY WHICH IT IS KNOWN IN THE INDUSTRY OR MANUFACTURE.

11. Name and business of employer.—The name and business of the employer (firm, company, local authority, government department, etc.), must be stated in Column (l); for example, a bricklayer employed in a brewery should state "Bricklayer" in Column (h) and "Messrs., Brewers," in Column (l). A carman employed by a firm of bleachers and dyers should state "Carman" in Column (h) and "Messrs., Bleachers and Dyers," in Column (l). This information is required for the purpose of classifying the persons employed according to the industry or service with which their work is connected, and will not be published. State precisely the nature of the employer's business, e.g., instead of "Manufacturer," "Merchant," "Ironworks," "Engineering Works," "Lead Works," "Civil Service," use exact business descriptions, such as "Toy Manufacturer," "Coal Merchant," "Iron Rolling Mills," "Textile Machinery Makers," "White Lead Works," "Civil Service, General Post Office," etc.

In the case of Domestic Servants or other persons in Private Personal Service the word "Private" should be entered in Column (l) and the name and business of the employer must not be stated. But for Cooks, Waitresses, Chambermaids, employed in Hotels, Restaurants, Boarding Houses, etc., the name and business of the employer should be stated. The following special examples will indicate the kind of description which should be given both of the occupation and of the employer's business.

INSTRUCTIONS

For filling up Columns (b), (h), (k) and (l).

- Column (b).—RELATIONSHIP.—Any relative present in the dwelling on Census night who usually lives elsewhere should, for Census purposes, be described in Column (b) as "Visitor," and not as "Son," "Aunt," "Sister-in-law," etc.
- Column (h).—EDUCATION.—For persons attending a school or other institution for the purpose of receiving education, write "Whole Time" if attending daily during the full day school hours or otherwise to an extent which leaves no reasonable time for employment; "Part Time" if attending Day Continuation Schools or Evening Classes, or otherwise giving such partial or intermittent attendance as permits or might permit of substantial regular employment.
- Columns (k) and (l).—OCCUPATION AND EMPLOYMENT.—For a person already entered as "Whole Time" in Column (h), no entry is needed in Column (k), unless the person is studying for a particular profession or occupation (see Instruction 4). For children under 12, Columns (k) (l) and (m) should be left blank.

PERSONS NOT PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

- If studying or preparing for any particular profession or occupation, write accordingly in Column (k) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (l) blank. (But apprentices or persons training on similar terms should be entered as actually following the occupations to which they are apprenticed.)
- For a member of a private household (such as householder's wife) who is mainly occupied in unpaid domestic duties at home, write "Home Duties" in Column (k) and leave Columns (l) and (m) blank.
- If retired from an occupation or service, and not following any other regular occupation, state former occupation or service in Column (k), adding "Retired" in Column (l) should be filled up, business of former employer (if any) being stated.
- For a member of the household who is chiefly occupied in giving unpaid help in a business carried on by the head of the household or other relative, state the occupation in Column (k) as though it were a paid occupation. The name of the head of the business should be stated in Column (l) as employer, together with the nature of the business.
- For other persons not included above who are mainly dependent upon others' earnings or upon their own or others' private means, write "None" or "Not occupied for a living" in Column (k) and leave Column (l) blank.

PERSONS PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

- The occupation should be stated in Column (k), whether the worker is at work or not at the time of the Census. If more than one paid occupation is followed, state only that by which the living is mainly earned.
- The precise character of the occupation should be stated. Vague and Indefinite Terms must not be used, such, for example, as Assistant, Collector, Contractor, Factory Hand, Foreman, Inspector, Ironworker, Machinist, Manufacturer, Millhand, Operative, Overlooker.
 - Foremen and Overlookers should state the department or branch of work in which they are employed.
 - Shopkeepers, Retail Dealers or Shop Assistants, Tailors, Bootmakers, Silversmiths, Jewellers, Bakers, etc., if selling only and not making or producing, or if chiefly selling, should add the words "Shopkeeper" or "Dealer" (if principals), and "Shop Assistant" or "Salesman" (if assisting). But a person who is chiefly engaged in making or producing, though also selling, should add "Maker."
 - Agents, Brokers, Dealers, Merchants. State particular kind of business or trade as "Cycle Agent," "Sugar Broker," "Cattle Dealer," "Coal Merchant."
- N.B.—OTHER WORKERS SHOULD DESCRIBE THEIR JOB BY THE SPECIAL NAME (IF ANY) BY WHICH IT IS KNOWN IN THE INDUSTRY OR MANUFACTURE.
 - Navy, Army, Air Force, Civil Service, Municipal Service, etc. State the post or rank, as Able Seaman, Police Sergeant, Post Office Sorter, Relieving Officer.
 - Nurses. State whether "Nurse (Domestic)," "Monthly Nurse," "Sick Nurse," etc.
 - Ironworkers should state whether Puddler, Shingler, Roller, Busheller, etc.
 - Labourers. Unskilled workers usually employed on some one kind of work should always state fully the kind of work done, e.g., "Navy," "Bricklayer's Labourer," "Dock Labourer," "Foundry Labourer," "Steelworks Labourer"; but those accustomed to employment in different kinds of work should describe themselves as "General Labourer." The term "Labourer" must not be used alone.

- Name and business of employer.—The name and business of the employer (firm, company, local authority, government department, etc.), must be stated in Column (l); for example, a bricklayer employed in a brewery should state "Bricklayer" in Column (k) and "Messrs., Brewers," in Column (l). A carman employed by a firm of bleachers and dyers should state "Carman" in Column (k) and "Messrs., Bleachers and Dyers," in Column (l). This information is required for the purpose of classifying the persons employed according to the industry or service with which their work is connected, and will not be published. State precisely the nature of the employer's business, e.g., instead of "Manufacturer," "Merchant," "Ironworks," "Engineering Works," "Lead Works," "Civil Service," use exact business descriptions, such as "Toy Manufacturer," "Coal Merchant," "Iron Rolling Mills," "Textile Machinery Makers," "White Lead Works," "Civil Service, General Post Office," etc.

NOTICE.

1. The Head, or person acting as Head, of a private Household is required by law to make a return in this Form, stating the particulars asked for in respect of all persons forming part of the household for Census purposes. See the heading to Column (a) within.

N.B.—Any one or more persons separately occupying separate lodgings in a house or a separate part of a house will be regarded as forming a separate household. But boarders are to be regarded as part of the household with which they board.

2. The Manager or other person in charge of a hotel, club, boarding house, or common or other lodging house, is required by law to make a return in this Form with respect to all persons falling to be included as inmates of the establishment for Census purposes. See the heading to Column (a) within.

3. Every such person is required by law to give to the person responsible for making the return such information as may be necessary to enable the return to be made. No use may, however, be made of such information by the person to whom it is given except for the purpose of making the return.

4. INSTRUCTIONS

For filling up Columns (b), (h), (k) and (l).

1. Column (b).—**RELATIONSHIP.**—Any relative present in the dwelling on Census night who usually lives elsewhere should, for Census purposes, be described in Column (b) as "Visitor," and not as "Son," "Aunt," "Sister-in-law," etc.

2. Column (h).—**EDUCATION.**—For persons attending a school or other institution for the purpose of receiving education, write "Whole Time" if attending daily during the full day school hours or otherwise to an extent which leaves no reasonable time for employment; "Part Time" if attending Day Continuation Schools or Evening Classes, or otherwise giving such partial or intermittent attendance as permits or might permit of substantial regular employment.

3. Columns (k) and (l).—**OCCUPATION AND EMPLOYMENT.**—For a person already entered as "Whole Time" in Column (h), no entry is needed in Column (k), unless the person is studying for a particular profession or occupation (see Instruction 4). For children under 12, Columns (k) (l) and (m) should be left blank.

PERSONS NOT PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

4. If studying or preparing for any particular profession or occupation, write accordingly in Column (k) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (l) blank. (But apprentices or persons training on similar terms should be entered as actually following the occupations to which they are apprenticed.)

5. For a member of a private household (such as householder's wife) who is mainly occupied in unpaid domestic duties at home, write "Home Duties" in Column (k) and leave Columns (l) and (m) blank.

6. If retired from an occupation or service, and not following any other regular occupation, state former occupation or service in Column (k), adding "Retired" Column (l) should be filled up, business of former employer (if any) being stated.

7. For a member of the household who is chiefly occupied in giving unpaid help in a business carried on by the head of the household or other relative, state the occupation in Column (k) as though it were a paid occupation. The name of the head of the business should be stated in Column (l) as employer, together with the nature of the business.

8. For other persons not included above who are mainly dependent upon others' earnings or upon their own or others' private means, write "None" or "Not occupied for a living" in Column (k) and leave Column (l) blank.

PERSONS PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

9. The occupation should be stated in Column (k), whether the worker is at work or not at the time of the Census. If more than one paid occupation is followed, state only that by which the living is mainly earned.

10. The precise character of the occupation should be stated. Vague and Indefinite Terms must not be used, such, for example, as Assistant, Collector, Contractor, Factory Hand, Foreman, Inspector, Ironworker, Machinist, Manufacturer, Millhand, Operative, Overlooker.

(a) Foremen and Overlookers should state the department or branch of work in which they are employed.

(b) Shopkeepers, Retail Dealers or Shop Assistants, Tailors, Bootmakers, Silversmiths, Jewellers, Bakers, etc., if selling only and not making or producing, or if chiefly selling, should add the words "Shopkeeper" or "Dealer" (if principals), and "Shop Assistant" or "Salesman" (if assisting). But a person who is chiefly engaged in making or producing, though also selling, should add "Maker."

(c) Agents, Brokers, Dealers, Merchants. State particular kind of business or trade as "Cycle Agent," "Sugar Broker," "Cattle Dealer," "Coal Merchant."

N.B.—OTHER WORKERS SHOULD DESCRIBE THEIR JOB BY THE SPECIAL NAME (IF ANY) BY WHICH IT IS KNOWN IN THE INDUSTRY OR MANUFACTURE.

11. Name and business of employer.—The name and business of the employer (firm, company, local authority, government department, etc.), must be stated in Column (l); for example, a bricklayer employed in a brewery should state "Bricklayer" in Column (k) and "Messrs., Brewers," in Column (l). A carman employed by a firm of bleachers and dyers should state "Carman" in Column (k) and "Messrs., Bleachers and Dyers," in Column (l). This information is required for the purpose of classifying the persons employed according to the industry or service with which their work is connected, and will not be published.

State precisely the nature of the employer's business, e.g., instead of "Manufacturer," "Merchant," "Ironworks," "Engineering Works," "Lead Works," "Civil Service," use exact business descriptions, such as "Toy Manufacturer," "Coal Merchant," "Iron Rolling Mills," "Textile Machinery Makers," "White Lead Works," "Civil Service, General Post Office," etc.

In the case of Domestic Servants or other persons in Private Personal Service the word "Private" should be entered in Column (l) and the name and business of the employer must not be stated. But for Cooks, Waitresses, Chambermaids, employed in Hotels, Restaurants, Boarding Houses, etc., the name and business of the employer should be stated.

The following special examples will indicate the kind of description which should be given both of the occupation and of the employer's business.

INSTRUCTIONS

For filling up Columns (b), (h), (k) and (l).

1. Column (b).—**RELATIONSHIP.**—Any relative present in the dwelling on Census night who usually lives elsewhere should, for Census purposes, be described in Column (b) as "Visitor," and not as "Son," "Aunt," "Sister-in-law," etc.

2. Column (h).—**EDUCATION.**—For persons attending a school or other institution for the purpose of receiving education, write "Whole Time" if attending daily during the full day school hours or otherwise to an extent which leaves no reasonable time for employment; "Part Time" if attending Day Continuation Schools or Evening Classes, or otherwise giving such partial or intermittent attendance as permits or might permit of substantial regular employment.

3. Columns (k) and (l).—**OCCUPATION AND EMPLOYMENT.**—For a person already entered as "Whole Time" in Column (h), no entry is needed in Column (k), unless the person is studying for a particular profession or occupation (see Instruction 4). For children under 12, Columns (k) (l) and (m) should be left blank.

PERSONS NOT PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

4. If studying or preparing for any particular profession or occupation, write accordingly in Column (k) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (l) blank. (But apprentices or persons training on similar terms should be entered as actually following the occupations to which they are apprenticed.)

5. For a member of a private household (such as householder's wife) who is mainly occupied in unpaid domestic duties at home, write "Home Duties" in Column (k) and leave Columns (l) and (m) blank.

6. If retired from an occupation or service, and not following any other regular occupation, state former occupation or service in Column (k), adding "Retired" in Column (l) should be filled up, business of former employer (if any) being stated.

7. For a member of the household who is chiefly occupied in giving unpaid help in a business carried on by the head of the household or other relative, state the occupation in Column (k) as though it were a paid occupation. The name of the head of the business should be stated in Column (l) as employer, together with the nature of the business.

8. For other persons not included above who are mainly dependent upon others' earnings or upon their own or others' private means, write "None" or "Not occupied for a living" in Column (k) and leave Column (l) blank.

PERSONS PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

9. The occupation should be stated in Column (k), whether the worker is at work or not at the time of the Census. If more than one paid occupation is followed, state only that by which the living is mainly earned.

10. The precise character of the occupation should be stated. Vague and Indefinite Terms must not be used, such, for example, as Assistant, Collector, Contractor, Factory Hand, Foreman, Inspector, Ironworker, Machinist, Manufacturer, Millhand, Operative, Overlooker.

(a) Foremen and Overlookers should state the department or branch of work in which they are employed.
(b) Shopkeepers, Retail Dealers or Shop Assistants, Tailors, Bootmakers, Silversmiths, Jewellers, Bakers, etc., if selling only and not making or producing, or if chiefly selling, should add the words "Shopkeeper," "Dealer" (if principals), and "Shop Assistant" or "Salesman" (if assisting). But a person who is chiefly engaged in making or producing, though also selling, should add "Maker."
(c) Agents, Brokers, Dealers, Merchants. State particular kind of business or trade as "Cycle Agent," "Sugar Broker," "Cattle Dealer," "Coal Merchant," etc.
(d) Navy, Army, Air Force, Civil Service, Municipal Service, etc. State the post or rank, as Able Seaman, Police Sergeant, Post Office Sorter, Relieving Officer.
(e) Nurses. State whether "Nurse (Domestic)," "Monthly Nurse," "Sick Nurse," etc.
(f) Ironworkers should state whether Puddler, Shingler, Roller, Busheller, etc.
(g) Labourers. Unskilled workers usually employed on some one kind of work should always state fully the kind of work done, e.g., "Navy," "Bricklayer's Labourer," "Dock Labourer," "Foundry Labourer," "Steelworks Labourer"; but those accustomed to employment in different kinds of work should describe themselves as "General Labourer." The term "Labourer" must not be used alone.

N.B.—OTHER WORKERS SHOULD DESCRIBE THEIR JOB BY THE SPECIAL NAME (IF ANY) BY WHICH IT IS KNOWN IN THE INDUSTRY OR MANUFACTURE.

11. Name and business of employer.—The name and business of the employer (firm, company, local authority, government department, etc.), must be stated in Column (l); for example, a bricklayer employed in a brewery should state "Bricklayer" in Column (k) and "Messrs., Brewers," in Column (l). A carman employed by a firm of bleachers and dyers should state "Carman" in Column (k) and "Messrs., Bleachers and Dyers," in Column (l). This information is required for the purpose of classifying the persons employed according to the industry or service with which their work is connected, and will not be published.

State precisely the nature of the employer's business, e.g., instead of "Manufacturer," "Merchant," "Ironworks," "Engineering Works," "Lead Works," "Civil Service," use exact business descriptions, such as "Toy Manufacturer," "Coal Merchant," "Iron Rolling Mills," "Textile Machinery Makers," "White Lead Works," "Civil Service, General Post Office," etc.

In the case of Domestic Servants or other persons in Private Personal Service the word "Private" should be entered in Column (l) and the name and business of the employer must not be stated. But for Cooks, Waitresses, Chambermaids, employed in Hotels, Restaurants, Boarding Houses, etc., the name and business of the employer should be stated.

The following special examples will indicate the kind of description which should be given both of the occupation and of the employer's business.

INSTRUCTIONS

For filling up Columns (b), (h), (k) and (l).

1. Column (b).—RELATIONSHIP.—Any relative present in the dwelling on Census night who usually lives elsewhere should, for Census purposes, be described in Column (b) as "Visitor," and not as "Son," "Aunt," "Sister-in-law," etc.

2. Column (h).—EDUCATION.—For persons attending a school or other institution for the purpose of receiving education, write "Whole Time" if attending daily during the full day school hours or otherwise to an extent which leaves no reasonable time for employment; "Part Time" if attending Day Continuation Schools or Evening Classes, or otherwise giving such partial or intermittent attendance as permits or might permit of substantial regular employment.

3. Columns (k) and (l).—OCCUPATION AND EMPLOYMENT.—For a person already entered as "Whole Time" in Column (h), no entry is needed in Column (k), unless the person is studying for a particular profession or occupation (see Instruction 4). For children under 12, Columns (k) (l) and (m) should be left blank.

PERSONS NOT PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

4. If studying or preparing for any particular profession or occupation, write accordingly in Column (k) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (l) blank. (But apprentices or persons training on similar terms should be entered as actually following the occupations to which they are apprenticed.)

5. For a member of a private household (such as householder's wife) who is mainly occupied in unpaid domestic duties at home, write "Home Duties" in Column (k) and leave Columns (l) and (m) blank.

6. If retired from an occupation or service, and not following any other regular occupation, state former occupation or service in Column (k), adding "Retired" Column (l) should be filled up, business of former employer (if any) being stated.

7. For a member of the household who is chiefly occupied in giving unpaid help in a business carried on by the head of the household or other relative, state the occupation in Column (k) as though it were a paid occupation. The name of the head of the business should be stated in Column (l) as employer, together with the nature of the business.

8. For other persons not included above who are mainly dependent upon others' earnings or upon their own or others' private means, write "None" or "Not occupied for a living" in Column (k) and leave Column (l) blank.

PERSONS PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

9. The occupation should be stated in Column (k), whether the worker is at work or not at the time of the Census. If more than one paid occupation is followed, state only that by which the living is mainly earned.

10. The precise character of the occupation should be stated. Vague and Indefinite Terms must not be used, such, for example, as Assistant, Collector, Contractor, Factory Hand, Foreman, Inspector, Ironworker, Machinist, Manufacturer, Millhand, Operative, Overlooker.

(a) Foremen and Overlookers should state the department or branch of work in which they are employed.

(b) Shopkeepers, Retail Dealers or Shop Assistants, Tailors, Bootmakers, Silversmiths, Jewellers, Bakers, etc., if selling only and not making or producing, or if chiefly selling, should add the words "Shopkeeper" or "Dealer" (if principals), and "Shop Assistant" or "Salesman" (if assisting). But a person who is chiefly engaged in making or producing, though also selling, should add "Maker."

(c) Agents, Brokers, Dealers, Merchants. State particular kind of business or trade as "Cycle Agent," "Sugar Broker," "Cattle Dealer," "Coal Merchant."

(d) Navy, Army, Air Force, Civil Service, Municipal Service, etc. State the post or rank, as Able Seaman, Police Sergeant, Post Office Sorter, Relieving Officer.

(e) Nurses. State whether "Nurse (Domestic)," "Monthly Nurse," "Sick Nurse," etc.

(f) Ironworkers should state whether Puddler, Shingler, Roller, Busheller, etc.

(g) Labourers. Unskilled workers usually employed on some one kind of work should always state fully the kind of work done, e.g., "Navy," "Bricklayer's Labourer," "Dock Labourer," "Foundry Labourer," "Steelworks Labourer"; but those accustomed to employment in different kinds of work should describe themselves as "General Labourer." The term "Labourer" must not be used alone.

N.B.—OTHER WORKERS SHOULD DESCRIBE THEIR JOB BY THE SPECIAL NAME (IF ANY) BY WHICH IT IS KNOWN IN THE INDUSTRY OR MANUFACTURE.

11. Name and business of employer.—The name and business of the employer (firm, company, local authority, government department, etc.), must be stated in Column (l); for example, a bricklayer employed in a brewery should state "Bricklayer" in Column (k) and "Messrs., Brewers," in Column (l). A carman employed by a firm of bleachers and dyers should state "Carman" in Column (k) and "Messrs., Bleachers and Dyers," in Column (l). This information is required for the purpose of classifying the persons employed according to the industry or service with which their work is connected, and will not be published.

State precisely the nature of the employer's business, e.g., instead of "Manufacturer," "Merchant," "Ironworks," "Engineering Works," "Lead Works," "Civil Service," use exact business descriptions, such as "Toy Manufacturer," "Coal Merchant," "Iron Rolling Mills," "Textile Machinery Makers," "White Lead Works," "Civil Service, General Post Office," etc.

In the case of Domestic Servants or other persons in Private Personal Service the word "Private" should be entered in Column (l) and the name and business of the employer must not be stated. But for Cooks, Waitresses, Chambermaids, employed in Hotels, Restaurants, Boarding Houses, etc., the name and business of the employer should be stated.

The following special examples will indicate the kind of description which should be given both of the occupation and of the employer's business.

INSTRUCTIONS

For filling up Columns (b), (h), (k) and (l).

1. Column (b).—RELATIONSHIP.—Any relative present in the dwelling on Census night who usually lives elsewhere should, for Census purposes, be described in Column (b) as "Visitor," and not as "Son," "Aunt," "Sister-in-law," etc.

2. Column (h).—EDUCATION.—For persons attending a school or other institution for the purpose of receiving education, write "Whole Time" if attending daily during the full day school hours or otherwise to an extent which leaves no reasonable time for employment; "Part Time" if attending Day Continuation Schools or Evening Classes, or otherwise giving such partial or intermittent attendance as permits or might permit of substantial regular employment.

3. Columns (k) and (l).—OCCUPATION AND EMPLOYMENT.—For a person already entered as "Whole Time" in Column (h), no entry is needed in Column (k), unless the person is studying for a particular profession or occupation (see Instruction 4). For children under 12, Columns (k) (l) and (m) should be left blank.

PERSONS NOT PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

4. If studying or preparing for any particular profession or occupation, write accordingly in Column (k) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (l) blank. (But apprentices or persons training on similar terms should be entered as actually following the occupations to which they are apprenticed.)

5. For a member of a private household (such as householder's wife) who is mainly occupied in unpaid domestic duties at home, write "Home Duties" in Column (k) and leave Columns (l) and (m) blank.

6. If retired from an occupation or service, and not following any other regular occupation, state former occupation or service in Column (k), adding "Retired" Column (l) should be filled up, business of former employer (if any) being stated.

7. For a member of the household who is chiefly occupied in giving unpaid help in a business carried on by the head of the household or other relative, state the occupation in Column (k) as though it were a paid occupation. The name of the head of the business should be stated in Column (l) as employer, together with the nature of the business.

8. For other persons not included above who are mainly dependent upon others' earnings or upon their own or others' private means, write "None" or "Not occupied for a living" in Column (k) and leave Column (l) blank.

PERSONS PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

9. The occupation should be stated in Column (k), whether the worker is at work or not at the time of the Census. If more than one paid occupation is followed, state only that by which the living is mainly earned.

10. The precise character of the occupation should be stated. Vague and Indefinite Terms must not be used, such, for example, as Assistant, Collector, Contractor, Factory Hand, Foreman, Inspector, Ironworker, Machinist, Manufacturer, Millhand, Operative, Overlooker.

(a) Foremen and Overlookers should state the department or branch of work in which they are employed.

(b) Shopkeepers, Retail Dealers or Shop Assistants, Tailors, Bootmakers, Silversmiths, Jewellers, Bakers, etc., if selling only and not making or producing, or if chiefly selling, should add the words "Shopkeeper" or "Dealer" (if principals), and "Shop Assistant" or "Salesman" (if assisting). But a person who is chiefly engaged in making or producing, though also selling, should add "Maker."

(c) Agents, Brokers, Dealers, Merchants. State particular kind of business or trade as "Cycle Agent," "Sugar Broker," "Cattle Dealer," "Coal Merchant."

(d) Navy, Army, Air Force, Civil Service, Municipal Service, etc. State the post or rank, as Able Seaman, Police Sergeant, Post Office Sorter, Relieving Officer.

(e) Nurses. State whether "Nurse (Domestic)," "Monthly Nurse," "Sick Nurse," etc.

(f) Ironworkers should state whether Puddler, Shingler, Roller, Busheller, etc.

(g) Labourers. Unskilled workers usually employed on some one kind of work should always state fully the kind of work done, e.g., "Navy," "Bricklayer's Labourer," "Dock Labourer," "Foundry Labourer," "Steelworks Labourer"; but those accustomed to employment in different kinds of work should describe themselves as "General Labourer." The term "Labourer" must not be used alone.

N.B.—OTHER WORKERS SHOULD DESCRIBE THEIR JOB BY THE SPECIAL NAME (IF ANY) BY WHICH IT IS KNOWN IN THE INDUSTRY OR MANUFACTURE.

11. Name and business of employer.—The name and business of the employer (firm, company, local authority, government department, etc.), must be stated in Column (l); for example, a bricklayer employed in a brewery should state "Bricklayer" in Column (k) and "Messrs., Brewers," in Column (l). A carman employed by a firm of bleachers and dyers should state "Carman" in Column (k) and "Messrs., Bleachers and Dyers," in Column (l). This information is required for the purpose of classifying the persons employed according to the industry or service with which their work is connected, and will not be published.

State precisely the nature of the employer's business, e.g., instead of "Manufacturer," "Merchant," "Ironworks," "Engineering Works," "Lead Works," "Civil Service," use exact business descriptions, such as "Toy Manufacturer," "Coal Merchant," "Iron Rolling Mills," "Textile Machinery Makers," "White Lead Works," "Civil Service, General Post Office," etc.

In the case of Domestic Servants or other persons in Private Personal Service the word "Private" should be entered in Column (l) and the name and business of the employer must not be stated. But for Cooks, Waitresses, Chambermaids, employed in Hotels, Restaurants, Boarding Houses, etc., the name and business of the employer should be stated.

The following special examples will indicate the kind of description which should be given both of the occupation and of the employer's business.

INSTRUCTIONS

For filling up Columns (b), (h), (k) and (l).

1. Column (b).—**RELATIONSHIP.**—Any relative present in the dwelling on Census night who usually lives elsewhere should, for Census purposes, be described in Column (b) as "Visitor," and not as "Son," "Aunt," "Sister-in-law," etc.

2. Column (h).—**EDUCATION.**—For persons attending a school or other institution for the purpose of receiving education, write "Whole Time" if attending daily during the full day school hours or otherwise to an extent which leaves no reasonable time for employment; "Part Time" if attending Day Continuation Schools or Evening Classes, or otherwise giving such partial or intermittent attendance as permits or might permit of substantial regular employment.

3. Columns (k) and (l).—**OCCUPATION AND EMPLOYMENT.**—For a person already entered as "Whole Time" in Column (h), no entry is needed in Column (k), unless the person is studying for a particular profession or occupation (see Instruction 4). For children under 12, Columns (k) (l) and (m) should be left blank.

PERSONS NOT PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

4. If studying or preparing for any particular profession or occupation, write accordingly in Column (k) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (l) blank. (But apprentices or persons training on similar terms should be entered as actually following the occupations to which they are apprenticed.)

5. For a member of a private household (such as householder's wife) who is mainly occupied in unpaid domestic duties at home, write "Home Duties" in Column (k) and leave Columns (l) and (m) blank.

6. If retired from an occupation or service, and not following any other regular occupation, state former occupation or service in Column (k), adding "Retired" Column (l) should be filled up, business of former employer (if any) being stated.

7. For a member of the household who is chiefly occupied in giving unpaid help in a business carried on by the head of the household or other relative, state the occupation in Column (k) as though it were a paid occupation. The name of the head of the business should be stated in Column (l) as employer, together with the nature of the business.

8. For other persons not included above who are mainly dependent upon others' earnings or upon their own or others' private means, write "None" or "Not occupied for a living" in Column (k) and leave Column (l) blank.

PERSONS PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

9. The occupation should be stated in Column (k), whether the worker is at work or not at the time of the Census. If more than one paid occupation is followed, state only that by which the living is mainly earned.

10. The precise character of the occupation should be stated. Vague and Indefinite Terms must not be used, such, for example, as Assistant, Collector, Contractor, Factory Hand, Foreman, Inspector, Ironworker, Machinist, Manufacturer, Millhand, Operative, Overlooker.

(a) Foremen and Overlookers should state the department or branch of work in which they are employed.

(b) Shopkeepers, Retail Dealers or Shop Assistants. Tailors, Bootmakers, Silversmiths, Jewellers, Bakers, etc., if selling only and not making or producing, or if chiefly selling, should add the words "Shopkeeper," or "Dealer" (if principals), and "Shop Assistant" or "Salesman" (if assisting). But a person who is chiefly engaged in making or producing, though also selling, should add "Maker."

(c) Agents, Brokers, Dealers, Merchants. State particular kind of business or trade as "Cycle Agent," "Sugar Broker," "Cattle Dealer," "Coal Merchant."

(d) Navy, Army, Air Force, Civil Service, Municipal Service, etc. State the post or rank, as Able Seaman, Police Sergeant, Post Office Sorter, Relieving Officer.

(e) Nurses. State whether "Nurse (Domestic)," "Monthly Nurse," "Sick Nurse," etc.

(f) Ironworkers should state whether Puddler, Shingler, Roller, Busheller, etc.

(g) Labourers. Unskilled workers usually employed on some one kind of work should always state fully the kind of work done, e.g., "Navy," "Bricklayer's Labourer," "Dock Labourer," "Foundry Labourer," "Steelworks Labourer"; but those accustomed to employment in different kinds of work should describe themselves as "General Labourer." The term "Labourer" must not be used alone.

N.B.—OTHER WORKERS SHOULD DESCRIBE THEIR JOB BY THE SPECIAL NAME (IF ANY) BY WHICH IT IS KNOWN IN THE INDUSTRY OR MANUFACTURE.

11. Name and business of employer.—The name and business of the employer (firm, company, local authority, government department, etc.), must be stated in Column (l); for example, a bricklayer employed in a brewery should state "Bricklayer" in Column (k) and "Messrs., Brewers," in Column (l). A carman employed by a firm of bleachers and dyers should state "Carman" in Column (k) and "Messrs., Bleachers and Dyers," in Column (l). This information is required for the purpose of classifying the persons employed according to the industry or service with which their work is connected, and will not be published.

State precisely the nature of the employer's business, e.g., instead of "Manufacturer," "Merchant," "Ironworks," "Engineering Works," "Lead Works," "Civil Service," use exact business descriptions, such as "Toy Manufacturer," "Coal Merchant," "Iron Rolling Mills," "Textile Machinery Makers," "White Lead Works," "Civil Service, General Post Office," etc.

In the case of Domestic Servants or other persons in Private Personal Service the word "Private" should be entered in Column (l) and the name and business of the employer must not be stated. But for Cooks, Waitresses, Chambermaids, employed in Hotels, Restaurants, Boarding Houses, etc., the name and business of the employer should be stated.

The following special examples will indicate the kind of description which should be given both of the occupation and of the employer's business.

INSTRUCTIONS

For filling up Columns (b), (h), (k) and (l).

1. Column (b).—**RELATIONSHIP.**—Any relative present in the dwelling on Census night who usually lives elsewhere should, for Census purposes, be described in Column (b) as "Visitor," and not as "Son," "Aunt," "Sister-in-law," etc.

2. Column (h).—**EDUCATION.**—For persons attending a school or other institution for the purpose of receiving education, write "Whole Time" if attending daily during the full day school hours or otherwise to an extent which leaves no reasonable time for employment; "Part Time" if attending Day Continuation Schools or Evening Classes, or otherwise giving such partial or intermittent attendance as permits or might permit of substantial regular employment.

3. Columns (k) and (l).—**OCCUPATION AND EMPLOYMENT.**—For a person already entered as "Whole Time" in Column (h), no entry is needed in Column (k), unless the person is studying for a particular profession or occupation (see Instruction 4). For children under 12, Columns (k) (l) and (m) should be left blank.

PERSONS NOT PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

4. If studying or preparing for any particular profession or occupation, write accordingly in Column (k) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (l) blank. (But apprentices or persons training on similar terms should be entered as actually following the occupations to which they are apprenticed.)

5. For a member of a private household (such as householder's wife) who is mainly occupied in unpaid domestic duties at home, write "Home Duties" in Column (k) and leave Columns (l) and (m) blank.

6. If retired from an occupation or service, and not following any other regular occupation, state former occupation or service in Column (k), adding "Retired" in Column (l) should be filled up, business of former employer (if any) being stated.

7. For a member of the household who is chiefly occupied in giving unpaid help in a business carried on by the head of the household or other relative, state the occupation in Column (k) as though it were a paid occupation. The name of the head of the business should be stated in Column (l) as employer, together with the nature of the business.

8. For other persons not included above who are mainly dependent upon others' earnings or upon their own or others' private means, write "None" or "Not occupied for a living" in Column (k) and leave Column (l) blank.

PERSONS PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

9. The occupation should be stated in Column (k), whether the worker is at work or not at the time of the Census. If more than one paid occupation is followed, state only that by which the living is mainly earned.

10. The precise character of the occupation should be stated. Vague and Indefinite Terms must not be used, such, for example, as Assistant, Collector, Contractor, Factory Hand, Foreman, Inspector, Ironworker, Machinist, Manufacturer, Millhand, Operative, Overlooker.

(a) Foremen and Overlookers should state the department or branch of work in which they are employed.

(b) Shopkeepers, Retail Dealers or Shop Assistants, Tailors, Bootmakers, Silversmiths, Jewellers, Bakers, etc., if selling only and not making or producing, or if chiefly selling, should add the words "Shopkeeper" or "Dealer" (if principals), and "Shop Assistant" or "Salesman" (if assisting). But a person who is chiefly engaged in making or producing, though also selling, should add "Maker."

(c) Agents, Brokers, Dealers, Merchants. State particular kind of business or trade as "Cycle Agent," "Sugar Broker," "Cattle Dealer," "Coal Merchant."

N.B.—OTHER WORKERS SHOULD DESCRIBE THEIR JOB BY THE SPECIAL NAME (IF ANY) BY WHICH IT IS KNOWN IN THE INDUSTRY OR MANUFACTURE.

11. Name and business of employer.—The name and business of the employer (firm, company, local authority, government department, etc.), must be stated in Column (l); for example, a bricklayer employed in a brewery should state "Bricklayer" in Column (k) and "Messrs., Brewers," in Column (l). A carman employed by a firm of bleachers and dyers should state "Carman" in Column (k) and "Messrs., Bleachers and Dyers," in Column (l). This information is required for the purpose of classifying the persons employed according to the industry or service with which their work is connected, and will not be published.

State precisely the nature of the employer's business, e.g., instead of "Manufacturer," "Merchant," "Ironworks," "Engineering Works," "Lead Works," "Civil Service," use exact business descriptions, such as "Toy Manufacturer," "Coal Merchant," "Iron Rolling Mills," "Textile Machinery Makers," "White Lead Works," "Civil Service, General Post Office," etc.

In the case of Domestic Servants or other persons in Private Personal Service the word "Private" should be entered in Column (l) and the name and business of the employer must not be stated. But for Cooks, Waitresses, Chambermaids, employed in Hotels, Restaurants, Boarding Houses, etc., the name and business of the employer should be stated.

The following special examples will indicate the kind of description which should be given both of the occupation and of the employer's business.

INSTRUCTIONS

For filling up Columns (b), (h), (k) and (l).

1. Column (b).—RELATIONSHIP.—Any relative present in the dwelling on Census night who usually lives elsewhere should, for Census purposes, be described in Column (b) as "Visitor," and not as "Son," "Aunt," "Sister-in-law," etc.

2. Column (h).—EDUCATION.—For persons attending a school or other institution for the purpose of receiving education, write "Whole Time" if attending daily during the full day school hours or otherwise to an extent which leaves no reasonable time for employment; "Part Time" if attending Day Continuation Schools or Evening Classes, or otherwise giving such partial or intermittent attendance as permits or might permit of substantial regular employment.

3. Columns (k) and (l).—OCCUPATION AND EMPLOYMENT.—For a person already entered as "Whole Time" in Column (h), no entry is needed in Column (k), unless the person is studying for a particular profession or occupation (see Instruction 4). For children under 12, Columns (k) (l) and (m) should be left blank.

PERSONS NOT PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

4. If studying or preparing for any particular profession or occupation, write accordingly in Column (k) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (l) blank. (But apprentices or persons training on similar terms should be entered as actually following the occupations to which they are apprenticed.)

5. For a member of a private household (such as householder's wife) who is mainly occupied in unpaid domestic duties at home, write "Home Duties" in Column (k) and leave Columns (l) and (m) blank.

6. If retired from an occupation or service, and not following any other regular occupation, state former occupation or service in Column (k), adding "Retired" in Column (l) should be filled up, business of former employer (if any) being stated.

7. For a member of the household who is chiefly occupied in giving unpaid help in a business carried on by the head of the household or other relative, state the occupation in Column (k) as though it were a paid occupation. The name of the head of the business should be stated in Column (l) as employer, together with the nature of the business.

8. For other persons not included above who are mainly dependent upon others' earnings or upon their own or others' private means, write "None" or "Not occupied for a living" in Column (k) and leave Column (l) blank.

PERSONS PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

9. The occupation should be stated in Column (k), whether the worker is at work or not at the time of the Census. If more than one paid occupation is followed, state only that by which the living is mainly earned.

10. The precise character of the occupation should be stated. Vague and Indefinite Terms must not be used, such, for example, as Assistant, Collector, Contractor, Factory Hand, Foreman, Inspector, Ironworker, Machinist, Manufacturer, Millhand, Operative, Overlooker.

(a) Foremen and Overlookers should state the department or branch of work in which they are employed.

(b) Shopkeepers, Retail Dealers or Shop Assistants, Tailors, Bootmakers, Silversmiths, Jewellers, Bakers, etc., if selling only and not making or producing, or if chiefly selling, should add the words "Shopkeeper" or "Dealer" (if principals), and "Shop Assistant" or "Salesman" (if assisting). But a person who is chiefly engaged in making or producing, though also selling, should add "Maker."

(c) Agents, Brokers, Dealers, Merchants. State particular kind of business or trade as "Cycle Agent," "Sugar Broker," "Cattle Dealer," "Coal Merchant."

(d) Navy, Army, Air Force, Civil Service, Municipal Service, etc. State the post or rank, as Able Seaman, Police Sergeant, Post Office Sorter, Relieving Officer.

(e) Nurses. State whether "Nurse (Domestic)," "Monthly Nurse," "Sick Nurse," etc.

(f) Ironworkers should state whether Puddler, Shingler, Roller, Busheller, etc.

(g) Labourers. Unskilled workers usually employed on some one kind of work should always state fully the kind of work done, e.g., "Navy," "Bricklayer's Labourer," "Dock Labourer," "Foundry Labourer," "Steelworks Labourer," but those accustomed to employment in different kinds of work should describe themselves as "General Labourer." The term "Labourer" must not be used alone.

N.B.—OTHER WORKERS SHOULD DESCRIBE THEIR JOB BY THE SPECIAL NAME (IF ANY) BY WHICH IT IS KNOWN IN THE INDUSTRY OR MANUFACTURE.

11. Name and business of employer.—The name and business of the employer (firm, company, local authority, government department, etc.), must be stated in Column (l); for example, a bricklayer employed in a brewery should state "Bricklayer" in Column (k) and "Messrs., Brewers," in Column (l). A carman employed by a firm of bleachers and dyers should state "Carman" in Column (k) and "Messrs., Bleachers and Dyers," in Column (l). This information is required for the purpose of classifying the persons employed according to the industry or service with which their work is connected, and will not be published.

State precisely the nature of the employer's business, e.g., instead of "Manufacturer," "Merchant," "Ironworks," "Engineering Works," "Lead Works," "Civil Service," use exact business descriptions, such as "Toy Manufacturer," "Coal Merchant," "Iron Rolling Mills," "Textile Machinery Makers," "White Lead Works," "Civil Service, General Post Office," etc.

In the case of Domestic Servants or other persons in Private Personal Service the word "Private" should be entered in Column (l) and the name and business of the employer must not be stated. But for Cooks, Waitresses, Chambermaids, employed in Hotels, Restaurants, Boarding Houses, etc., the name and business of the employer should be stated.

The following special examples will indicate the kind of description which should be given both of the occupation and of the employer's business.

INSTRUCTIONS

For filling up Columns (b), (h), (k) and (l).

- Column (b).—**RELATIONSHIP.**—Any relative present in the dwelling on Census night who usually lives elsewhere should, for Census purposes, be described in Column (b) as "Visitor," and not as "Son," "Aunt," "Sister-in-law," etc.
- Column (h).—**EDUCATION.**—For persons attending a school or other institution for the purpose of receiving education, write "Whole Time" if attending daily during the full day school hours or otherwise to an extent which leaves no reasonable time for employment; "Part Time" if attending Day Continuation Schools or Evening Classes, or otherwise giving such partial or intermittent attendance as permits or might permit of substantial regular employment.
- Columns (k) and (l).—**OCCUPATION AND EMPLOYMENT.**—For a person already entered as "Whole Time" in Column (h), no entry is needed in Column (k), unless the person is studying for a particular profession or occupation (see Instruction 4). For children under 12, Columns (k) (l) and (m) should be left blank.

PERSONS NOT PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

- If studying or preparing for any particular profession or occupation, write accordingly in Column (k) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (l) blank. (But apprentices or persons training on similar terms should be entered as actually following the occupations to which they are apprenticed.)
- For a member of a private household (such as householder's wife) who is mainly occupied in unpaid domestic duties at home, write "Home Duties" in Column (k) and leave Columns (l) and (m) blank.
- If retired from an occupation or service, and not following any other regular occupation, state former occupation or service in Column (k), adding "Retired" Column (l) should be filled up, business of former employer (if any) being stated.
- For a member of the household who is chiefly occupied in giving unpaid help in a business carried on by the head of the household or other relative, state the occupation in Column (k) as though it were a paid occupation. The name of the head of the business should be stated in Column (l) as employer, together with the nature of the business.
- For other persons not included above who are mainly dependent upon others' earnings or upon their own or others' private means, write "None" or "Not occupied for a living" in Column (k) and leave Column (l) blank.

PERSONS PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

- The occupation should be stated in Column (k), whether the worker is at work or not at the time of the Census. If more than one paid occupation is followed, state only that by which the living is mainly earned.
- The precise character of the occupation should be stated. Vague and Indefinite Terms must not be used, such, for example, as Assistant, Collector, Contractor, Factory Hand, Foreman, Inspector, Ironworker, Machinist, Manufacturer, Millhand, Operative, Overlooker.
 - Foremen and Overlookers should state the department or branch of work in which they are employed.
 - Shopkeepers, Retail Dealers or Shop Assistants, Tailors, Bootmakers, Silversmiths, Jewellers, Bakers, etc., if selling only and not making or producing, or if chiefly selling, should add the words "Shopkeeper" or "Dealer" (if principals), and "Shop Assistant" or "Salesman" (if assisting). But a person who is chiefly engaged in making or producing, though also selling, should add "Maker."
 - Agents, Brokers, Dealers, Merchants. State particular kind of business or trade as "Cycle Agent," "Sugar Broker," "Cattle Dealer," "Coal Merchant."

 - Nurses. State whether "Nurse (Domestic)," "Monthly Nurse," "Sick Nurse," etc.
 - Ironworkers should state whether Puddler, Shingler, Roller, Busheller, etc.
 - Labourers. Unskilled workers usually employed on some one kind of work should always state fully the kind of work done, e.g., "Navy," "Bricklayer's Labourer," "Dock Labourer," "Foundry Labourer," "Steelworks Labourer"; but those accustomed to employment in different kinds of work should describe themselves as "General Labourer." The term "Labourer" must not be used alone.
- Name and business of employer.—The name and business of the employer (firm, company, local authority, government department, etc.), must be stated in Column (l); for example, a bricklayer employed in a brewery should state "Bricklayer" in Column (k) and "Messrs., Brewers," in Column (l). A carman employed by a firm of bleachers and dyers should state "Carman" in Column (k) and "Messrs., Bleachers and Dyers," in Column (l). This information is required for the purpose of classifying the persons employed according to the industry or service with which their work is connected, and will not be published. State precisely the nature of the employer's business, e.g., instead of "Manufacturer," "Merchant," "Ironworks," "Engineering Works," "Lead Works," "Civil Service," use exact business descriptions, such as "Toy Manufacturer," "Coal Merchant," "Iron Rolling Mills," "Textile Machinery Makers," "White Lead Works," "Civil Service, General Post Office," etc.

INSTRUCTIONS

For filling up Columns (b), (h), (k) and (l).

- Column (b).—**RELATIONSHIP.**—Any relative present in the dwelling on Census night who usually lives elsewhere should, for Census purposes, be described in Column (b) as "Visitor," and not as "Son," "Aunt," "Sister-in-law," etc.
- Column (h).—**EDUCATION.**—For persons attending a school or other institution for the purpose of receiving education, write "Whole Time" if attending daily during the full day school hours or otherwise to an extent which leaves no reasonable time for employment; "Part Time" if attending Day Continuation Schools or Evening Classes, or otherwise giving such partial or intermittent attendance as permits or might permit of substantial regular employment.
- Columns (k) and (l).—**OCCUPATION AND EMPLOYMENT.**—For a person already entered as "Whole Time" in Column (h), no entry is needed in Column (k), unless the person is studying for a particular profession or occupation (see Instruction 4). For children under 12, Columns (k) (l) and (m) should be left blank.

PERSONS NOT PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

- If studying or preparing for any particular profession or occupation, write accordingly in Column (k) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (l) blank. (But apprentices or persons training on similar terms should be entered as actually following the occupations to which they are apprenticed.)
- For a member of a private household (such as householder's wife) who is mainly occupied in unpaid domestic duties at home, write "Home Duties" in Column (k) and leave Columns (l) and (m) blank.
- If retired from an occupation or service, and not following any other regular occupation, state former occupation or service in Column (k), adding "Retired" Column (l) should be filled up, business of former employer (if any) being stated.
- For a member of the household who is chiefly occupied in giving unpaid help in a business carried on by the head of the household or other relative, state the occupation in Column (k) as though it were a paid occupation. The name of the head of the business should be stated in Column (l) as employer, together with the nature of the business.
- For other persons not included above who are mainly dependent upon others' earnings or upon their own or others' private means, write "None" or "Not occupied for a living" in Column (k) and leave Column (l) blank.

PERSONS PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

- The occupation should be stated in Column (k), whether the worker is at work or not at the time of the Census. If more than one paid occupation is followed, state only that by which the living is mainly earned.
- The precise character of the occupation should be stated. Vague and Indefinite Terms must not be used, such, for example, as Assistant, Collector, Contractor, Factory Hand, Foreman, Inspector, Ironworker, Machinist, Manufacturer, Millhand, Operative, Overlooker.
- (a) Foremen and Overlookers should state the department or branch of work in which they are employed.
- (b) Shopkeepers, Retail Dealers or Shop Assistants. Tailors, Bootmakers, Silversmiths, Jewellers, Bakers, etc., if selling only and not making or producing, or if chiefly selling, should add the words "Shopkeeper" or "Dealer" (if principals), and "Shop Assistant" or "Salesman" (if assisting). But a person who is chiefly engaged in making or producing, though also selling, should add "Maker."
- (c) Agents, Brokers, Dealers, Merchants. State particular kind of business or trade as "Cycle Agent," "Sugar Broker," "Cattle Dealer," "Coal Merchant."
- (d) Navy, Army, Air Force, Civil Service, Municipal Service, etc. State the post or rank, as Able Seaman, Police Sergeant, Post Office Sorter, Relieving Officer.
- (e) Nurses. State whether "Nurse (Domestic)," "Monthly Nurse," "Sick Nurse," etc.
- (f) Ironworkers should state whether Puddler, Shingler, Roller, Busheller, etc.
- (g) Labourers. Unskilled workers usually employed on some one kind of work should always state fully the kind of work done, e.g., "Navy," "Bricklayer's Labourer," "Dock Labourer," "Foundry Labourer," "Steelworks Labourer"; but those accustomed to employment in different kinds of work should describe themselves as "General Labourer." The term "Labourer" must not be used alone.

N.B.—OTHER WORKERS SHOULD DESCRIBE THEIR JOB BY THE SPECIAL NAME (IF ANY) BY WHICH IT IS KNOWN IN THE INDUSTRY OR MANUFACTURE.

- Name and business of employer.—The name and business of the employer (firm, company, local authority, government department, etc.), must be stated in Column (l); for example, a bricklayer employed in a brewery should state "Bricklayer" in Column (k) and "Messrs., Brewers," in Column (l). A carman employed by a firm of bleachers and dyers should state "Carman" in Column (k) and "Messrs., Bleachers and Dyers," in Column (l). This information is required for the purpose of classifying the persons employed according to the industry or service with which their work is connected, and will not be published.
- State precisely the nature of the employer's business, e.g., instead of "Manufacturer," "Merchant," "Ironworks," "Engineering Works," "Lead Works," "Civil Service," use exact business descriptions, such as "Toy Manufacturer," "Coal Merchant," "Iron Rolling Mills," "Textile Machinery Makers," "White Lead Works," "Civil Service, General Post Office," etc.
- In the case of Domestic Servants or other persons in Private Personal Service the word "Private" should be entered in Column (l) and the name and business of the employer must not be stated. But for Cooks, Waitresses, Chambermaids, employed in Hotels, Restaurants, Boarding Houses, etc., the name and business of the employer should be stated.

The following special examples will indicate the kind of description which should be given both of the occupation and of the employer's business.

INSTRUCTIONS

For filling up Columns (b), (h), (k) and (l).

1. Column (b).—RELATIONSHIP.—Any relative present in the dwelling on Census night who usually lives elsewhere should, for Census purposes, be described in Column (b) as "Visitor," and not as "Son," "Aunt," "Sister-in-law," etc.

2. Column (h).—EDUCATION.—For persons attending a school or other institution for the purpose of receiving education, write "Whole Time" if attending daily during the full day school hours or otherwise to an extent which leaves no reasonable time for employment; "Part Time" if attending Day Continuation Schools or Evening Classes, or otherwise giving such partial or intermittent attendance as permits or might permit of substantial regular employment.

3. Columns (k) and (l).—OCCUPATION AND EMPLOYMENT.—For a person already entered as "Whole Time" in Column (h), no entry is needed in Column (k), unless the person is studying for a particular profession or occupation (see Instruction 4). For children under 12, Columns (k) (l) and (m) should be left blank.

PERSONS NOT PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

4. If studying or preparing for any particular profession or occupation, write accordingly in Column (k) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (l) blank. (But apprentices or persons training on similar terms should be entered as actually following the occupations to which they are apprenticed.)

5. For a member of a private household (such as householder's wife) who is mainly occupied in unpaid domestic duties at home, write "Home Duties" in Column (k) and leave Columns (l) and (m) blank.

6. If retired from an occupation or service, and not following any other regular occupation, state former occupation or service in Column (k), adding "Retired." Column (l) should be filled up, business of former employer (if any) being stated.

7. For a member of the household who is chiefly occupied in giving unpaid help in a business carried on by the head of the household or other relative, state the occupation in Column (k) as though it were a paid occupation. The name of the head of the business should be stated in Column (l) as employer, together with the nature of the business.

8. For other persons not included above who are mainly dependent upon others' earnings or upon their own or others' private means, write "None" or "Not occupied for a living" in Column (k) and leave Column (l) blank.

PERSONS PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

9. The occupation should be stated in Column (k), whether the worker is at work or not at the time of the Census. If more than one paid occupation is followed, state only that by which the living is mainly earned.

10. The precise character of the occupation should be stated. Vague and Indefinite Terms must not be used, such, for example, as Assistant, Collector, Contractor, Factory Hand, Foreman, Inspector, Ironworker, Machinist, Manufacturer, Millhand, Operative, Overlooker.

(a) Foremen and Overlookers should state the department or branch of work in which they are employed.

(b) Shopkeepers, Retail Dealers or Shop Assistants. Tailors, Bootmakers, Silversmiths, Jewellers, Bakers, etc., if selling only and not making or producing, or if chiefly selling, should add the words "Shopkeeper" or "Dealer" (if principals), and "Shop Assistant" or "Salesman" (if assisting). But a person who is chiefly engaged in making or producing, though also selling, should add "Maker."

(c) Agents, Brokers, Dealers, Merchants. State particular kind of business or trade as "Cycle Agent," "Sugar Broker," "Cattle Dealer," "Coal Merchant."

(d) Navy, Army, Air Force, Civil Service, Municipal Service, etc. State the post or rank, as Able Seaman, Police Sergeant, Post Office Sorter, Relieving Officer.

(e) Nurses. State whether "Nurse (Domestic)," "Monthly Nurse," "Sick Nurse," etc.

(f) Ironworkers should state whether Puddler, Shingler, Roller, Busheller, etc.

(g) Labourers. Unskilled workers usually employed on some one kind of work should always state fully the kind of work done, e.g., "Navy," "Bricklayer's Labourer," "Dock Labourer," "Foundry Labourer," "Steelworks Labourer," but those accustomed to employment in different kinds of work should describe themselves as "General Labourer." The term "Labourer" must not be used alone.

N.B.—OTHER WORKERS SHOULD DESCRIBE THEIR JOB BY THE SPECIAL NAME (IF ANY) BY WHICH IT IS KNOWN IN THE INDUSTRY OR MANUFACTURE.

11. Name and business of employer.—The name and business of the employer (firm, company, local authority, government department, etc.), must be stated in Column (l); for example, a bricklayer employed in a brewery should state "Bricklayer" in Column (k) and "Messrs., Brewers," in Column (l). A carman employed by a firm of bleachers and dyers should state "Carman" in Column (k) and "Messrs., Bleachers and Dyers," in Column (l). This information is required for the purpose of classifying the persons employed according to the industry or service with which their work is connected, and will not be published.

State precisely the nature of the employer's business, e.g., instead of "Manufacturer," "Merchant," "Ironworks," "Engineering Works," "Lead Works," "Civil Service," use exact business descriptions, such as "Toy Manufacturer," "Coal Merchant," "Iron Rolling Mills," "Textile Machinery Makers," "White Lead Works," "Civil Service, General Post Office," etc.

In the case of Domestic Servants or other persons in Private Personal Service the word "Private" should be entered in Column (l) and the name and business of the employer must not be stated. But for Cooks, Waitresses, Chambermaids, employed in Hotels, Restaurants, Boarding Houses, etc., the name and business of the employer should be stated.

The following special examples will indicate the kind of description which should be given both of the occupation and of the employer's business.

NOTICE.

1. The Head, or person acting as Head, of a private Household is required by law to make a return in this Form, stating the particulars asked for in respect of all persons forming part of the household for Census purposes. See the heading to Column (a) within.

N.B.—Any one or more persons separately occupying separate lodgings in a house or a separate part of a house will be regarded as forming a separate household. But boarders are to be regarded as part of the household with which they board.

2. The Manager or other person in charge of a hotel, club, boarding house, or common or other lodging house, is required by law to make a return in this Form with respect to all persons falling to be included as inmates of the establishment for Census purposes. See the heading to Column (a) within.

INSTRUCTIONS

For filling up Columns (b), (h), (k) and (l).

1. Column (b).—**RELATIONSHIP.**—Any relative present in the dwelling on Census night who usually lives elsewhere should, for Census purposes, be described in Column (b) as "Visitor," and not as "Son," "Aunt," "Sister-in-law," etc.

2. Column (h).—**EDUCATION.**—For persons attending a school or other institution for the purpose of receiving education, write "**Whole Time**" if attending daily during the full day school hours or otherwise to an extent which leaves no reasonable time for employment; "**Part Time**" if attending Day Continuation Schools or Evening Classes, or otherwise giving such partial or intermittent attendance as permits or might permit of substantial regular employment.

3. Columns (k) and (l).—**OCCUPATION AND EMPLOYMENT.**—For a person already entered as "Whole Time" in Column (k), no entry is needed in Column (k), unless the person is studying for a particular profession or occupation (see Instruction 4). For children under 12, Columns (k) (l) and (m) should be left blank.

PERSONS NOT PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

4. If studying or preparing for any particular profession or occupation, write accordingly in Column (k) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (l) blank. (But apprentices or persons training on similar terms should be entered as actually following the occupations to which they are apprenticed.)

5. For a member of a private household (such as householder's wife) who is mainly occupied in unpaid domestic duties at home, write "Home Duties" in Column (k) and leave Columns (l) and (m) blank.

6. If retired from an occupation or service, and not following any other regular occupation, state former occupation or service in Column (k), adding "Retired" Column (l) should be filled up, business of former employer (if any) being stated.

7. For a member of the household who is chiefly occupied in giving unpaid help in a business carried on by the head of the household or other relative, state the occupation in Column (k) as though it were a paid occupation. The name of the head of the business should be stated in Column (l) as employer, together with the nature of the business.

8. For other persons not included above who are mainly dependent upon others' earnings or upon their own or others' private means, write "None" or "Not occupied for a living" in Column (k) and leave Column (l) blank.

PERSONS PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

9. The occupation should be stated in Column (k), whether the worker is at work or not at the time of the Census. If more than one paid occupation is followed, state only that by which the living is mainly earned.

10. The precise character of the occupation should be stated. **Vague and Indefinite Terms must not be used**, such, for example, as Assistant, Collector, Contractor, Factory Hand, Foreman, Inspector, Ironworker, Machinist, Manufacturer, Millhand, Operative, Overlooker.

(d) **Navy, Army, Air Force, Civil Service, Municipal Service, etc.** State the post or rank, as Able Seaman, Police Sergeant, Post Office Sorter, Relieving Officer.

(b) **Shopkeepers, Retail Dealers or Shop Assistants.** Tailors, Bootmakers, Silversmiths, Jewellers, Bakers, etc., if selling only and not making or producing, or if chiefly selling, should add the words "Shopkeeper" or "Dealer" (if principals), and "Shop Assistant" or "Salesman" (if assisting). But a person who is chiefly engaged in making or producing, though also selling, should add "Maker."

(c) **Agents, Brokers, Dealers, Merchants.** State particular kind of business or trade as "Cycle Agent," "Sugar Broker," "Cattle Dealer," "Coal Merchant."

N.B.—OTHER WORKERS SHOULD DESCRIBE THEIR JOB BY THE SPECIAL NAME (IF ANY) BY WHICH IT IS KNOWN IN THE INDUSTRY OR MANUFACTURE.

11. **Name and business of employer.**—The name and business of the employer (firm, company, local authority, government department, etc.), must be stated in Column (i); for example, a bricklayer employed in a brewery should state "Bricklayer" in Column (k) and "Messrs....., Brewers," in Column (i). A carman employed by a firm of bleachers and dyers should state "Carman" in Column (k) and "Messrs....., Bleachers and Dyers," in Column (i). This information is required for the purpose of classifying the persons employed according to the industry or service with which their work is connected, and will not be published.

State precisely the nature of the employer's business, e.g., instead of "Manufacturer," "Merchant," "Ironworks," "Engineering Works," "Lead Works," "Civil Service," use exact business descriptions, such as "Toy Manufacturer," "Coal Merchant," "Iron Rolling Mills," "Textile Machinery Makers," "White Lead Works," "Civil Service, General Post Office," etc.

In the case of **Domestic Servants** or other persons in Private Personal Service the word "Private" should be entered in Column (1) and the name and business of the employer must not be stated. But for Cooks, Waitresses, Chambermaids, employed in Hotels, Restaurants, Boarding Houses, etc., the name and business of the employer should be stated.

The following special examples will indicate the kind of description which should be given both of the occupation and of the employer's business.

For filling up Columns (b), (h), (k) and (l).

1. Column (b).—**RELATIONSHIP.**—Any relative present in the dwelling on Census night who usually lives elsewhere should, for Census purposes, be described in Column (b) as "Visitor," and not as "Son," "Aunt," "Sister-in-law," etc.

2. Column (h).—**EDUCATION.**—For persons attending a school or other institution for the purpose of receiving education, write "Whole Time" if attending daily during the full day school hours or otherwise to an extent which leaves no reasonable time for employment; "Part Time" if attending Day Continuation Schools or Evening Classes, or otherwise giving such partial or intermittent attendance as permits or might permit of substantial regular employment.

3. Columns (k) and (l).—**OCCUPATION AND EMPLOYMENT.**—For a person already entered as "Whole Time" in Column (h), no entry is needed in Column (k), unless the person is studying for a particular profession or occupation (see Instruction 4). For children under 12, Columns (k) (l) and (m) should be left blank.

4. If studying or preparing for any particular profession or occupation, write accordingly in Column (h) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (i) blank. (But apprentices or persons training on similar terms should be entered as actually following the occupations to which they are apprenticed.)

5. For a member of a private household (such as householder's wife) who is mainly occupied in unpaid domestic duties at home, write "Home Duties" in Column (k) and leave Columns (l) and (m) blank.

6. If retired from an occupation or service, and not following any other regular occupation, state former occupation or service in Column (k), adding "Retired" Column (l) should be filled up, business of former employer (if any) being stated.

7. For a member of the household who is chiefly occupied in giving unpaid help in a business carried on by the head of the household or other relative, state the occupation in Column (k) as though it were a paid occupation. The name of the head of the business should be stated in Column (j) as employer, together with the nature of the business.

8. For other persons not included above who are mainly dependent upon others' earnings or upon their own or others' private means, write "None" or "Not occupied for a living" in Column (k) and leave Column (l) blank.

9. The occupation should be stated in Column (k), whether the worker is at work or not at the time of the Census. If more than one paid occupation is followed, state only that by which the living is mainly earned.

The term "Labourer" must not be used alone.

N.B.—OTHER WORKERS SHOULD DESCRIBE THEIR JOB BY THE SPECIAL NAME (IF ANY) BY WHICH IT IS KNOWN IN THE INDUSTRY OR MANUFACTURE.

11. Name and business of employer.—The name and business of the employer (firm, company, local authority, government department, etc.), must be stated in Column (i); for example, a bricklayer employed in a brewery should state "Bricklayer" in Column (k) and "Messrs..... Brewers," in Column (i). A carman employed by a firm of bleachers and dyers should state "Carman" in Column (k) and "Messrs..... Bleachers and Dyers," in Column (i). INSTRUCTIONS

For filling up Columns (b), (h), (k) and (l).

1. Column (b).—RELATIONSHIP.—Any relative present in the dwelling on Census night who usually lives elsewhere should, for Census purposes, be described in Column (b) as "Visitor," and not as "Son," "Aunt," "Sister-in-law," etc.

2. Column (h).—EDUCATION.—For persons attending a school or other institution for the purpose of receiving education, write "Whole Time" if attending daily during the full day school hours or otherwise to an extent which leaves no reasonable time for employment; "Part Time" if attending Day Continuation Schools or Evening Classes, or otherwise giving such partial or intermittent attendance as permits or might permit of substantial regular employment.

3. Columns (k) and (l).—OCCUPATION AND EMPLOYMENT.—For a person already entered as "Whole Time" in Column (h), no entry is needed in Column (k), unless the person is studying for a particular profession or occupation (see Instruction 4). For children under 12, Columns (k) (l) and (m) should be left blank.

PERSONS NOT PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

4. If studying or preparing for any particular profession or occupation, write accordingly in Column (k) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (l) blank. (But apprentices or persons training on similar terms should be entered as actually following the occupations to which they are apprenticed.)

5. For a member of a private household (such as householder's wife) who is mainly occupied in unpaid domestic duties at home, write "Home Duties" in Column (k) and leave Columns (l) and (m) blank.

6. If retired from an occupation or service, and not following any other regular occupation, state former occupation or service in Column (k), adding "Retired." Column (l) should be filled up, business of former employer (if any) being stated.

7. For a member of the household who is chiefly occupied in giving unpaid help in a business carried on by the head of the household or other relative, state the occupation in Column (k) as though it were a paid occupation. The name of the head of the business should be stated in Column (l) as employer, together with the nature of the business.

8. For other persons not included above who are mainly dependent upon others' earnings or upon their own or others' private means, write "None" or "Not occupied for a living" in Column (k) and leave Column (l) blank.

PERSONS PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

9. The occupation should be stated in Column (k), whether the worker is at work or not at the time of the Census. If more than one paid occupation is followed, state only that by which the living is mainly earned.

10. The precise character of the occupation should be stated. Vague and Indefinite Terms must not be used, such, for example, as Assistant, Collector, Contractor, Factory Hand, Foreman, Inspector, Ironworker, Machinist, Manufacturer, Millhand, Operative, Overlooker.

- (a) Foremen and Overlookers should state the department or branch of work in which they are employed.
- (b) Shopkeepers, Retail Dealers or Shop Assistants. Tailors, Bootmakers, Silversmiths, Jewellers, Bakers, etc., if selling only and not making or producing, or if chiefly selling, should add the words "Shopkeeper," or "Dealer" (if principals), and "Shop Assistant" or "Salesman" (if assisting). But a person who is chiefly engaged in making or producing, though also selling, should add "Maker."
- (c) Agents, Brokers, Dealers, Merchants. State particular kind of business or trade as "Cycle Agent," "Sugar Broker," "Cattle Dealer," "Coal Merchant."
- (d) Navy, Army, Air Force, Civil Service, Municipal Service, etc. State the post or rank, as Able Seaman, Police Sergeant, Post Office Sorter, Relieving Officer.
- (e) Nurses. State whether "Nurse (Domestic)," "Monthly Nurse," "Sick Nurse," etc.
- (f) Ironworkers should state whether Puddler, Shingler, Roller, Busheller, etc.
- (g) Labourers. Unskilled workers usually employed on some one kind of work should always state fully the kind of work done, e.g., "Navy," "Bricklayer's Labourer," "Dock Labourer," "Foundry Labourer," "Steelworks Labourer"; but those accustomed to employment in different kinds of work should describe themselves as "General Labourer." The term "Labourer" must not be used alone.

N.B.—OTHER WORKERS SHOULD DESCRIBE THEIR JOB BY THE SPECIAL NAME (IF ANY) BY WHICH IT IS KNOWN IN THE INDUSTRY OR MANUFACTURE.

11. Name and business of employer.—The name and business of the employer (firm, company, local authority, government department, etc.), must be stated in Column (l); for example, a bricklayer employed in a brewery should state "Bricklayer" in Column (k) and "Messrs., Brewers," in Column (l). A carman employed by a firm of bleachers and dyers should state "Carman" in Column (k) and "Messrs., Bleachers and Dyers," in Column (l). This information is required for the purpose of classifying the persons employed according to the industry or service with which their work is connected, and will not be published.

State precisely the nature of the employer's business, e.g., instead of "Manufacturer," "Merchant," "Ironworks," "Engineering Works," "Lead Works," "Civil Service," use exact business descriptions, such as "Toy Manufacturer," "Coal Merchant," "Iron Rolling Mills," "Textile Machinery Makers," "White Lead Works," "Civil Service, General Post Office," etc.

In the case of Domestic Servants or other persons in Private Personal Service the word "Private" should be entered in Column (l) and the name and business of the employer must not be stated. But for Cooks, Waitresses, Chambermaids, employed in Hotels, Restaurants, Boarding Houses, etc., the name and business of the employer should be stated.

The following special examples will indicate the kind of description which should be given both of the occupation and of the employer's business.

INSTRUCTIONS

For filling up Columns (b), (h), (k) and (l).

1. Column (b).—RELATIONSHIP.—Any relative present in the dwelling on Census night who usually lives elsewhere should, for Census purposes, be described in Column (b) as "Visitor," and not as "Son," "Aunt," "Sister-in-law," etc.

2. Column (h).—EDUCATION.—For persons attending a school or other institution for the purpose of receiving education, write "Whole Time" if attending daily during the full day school hours or otherwise to an extent which leaves no reasonable time for employment; "Part Time" if attending Day Continuation Schools or Evening Classes, or otherwise giving such partial or intermittent attendance as permits or might permit of substantial regular employment.

3. Columns (k) and (l).—OCCUPATION AND EMPLOYMENT.—For a person already entered as "Whole Time" in Column (h), no entry is needed in Column (k), unless the person is studying for a particular profession or occupation (see Instruction 4). For children under 12, Columns (k) (l) and (m) should be left blank.

PERSONS NOT PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

4. If studying or preparing for any particular profession or occupation, write accordingly in Column (k) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (l) blank. (But apprentices or persons training on similar terms should be entered as actually following the occupations to which they are apprenticed.)

5. For a member of a private household (such as householder's wife) who is mainly occupied in unpaid domestic duties at home, write "Home Duties" in Column (k) and leave Columns (l) and (m) blank.

6. If retired from an occupation or service, and not following any other regular occupation, state former occupation or service in Column (k), adding "Retired" in Column (l) should be filled up, business of former employer (if any) being stated.

7. For a member of the household who is chiefly occupied in giving unpaid help in a business carried on by the head of the household or other relative, state the occupation in Column (k) as though it were a paid occupation. The name of the head of the business should be stated in Column (l) as employer, together with the nature of the business.

8. For other persons not included above who are mainly dependent upon others' earnings or upon their own or others' private means, write "None" or "Not occupied for a living" in Column (k) and leave Column (l) blank.

PERSONS PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

9. The occupation should be stated in Column (k), whether the worker is at work or not at the time of the Census. If more than one paid occupation is followed, state only that by which the living is mainly earned.

10. The precise character of the occupation should be stated. Vague and Indefinite Terms must not be used, such, for example, as Assistant, Collector, Contractor, Factory Hand, Foreman, Inspector, Ironworker, Machinist, Manufacturer, Millhand, Operative, Overlooker.

- (a) Foremen and Overlookers should state the department or branch of work in which they are employed.
- (b) Shopkeepers, Retail Dealers or Shop Assistants, Tailors, Bootmakers, Silversmiths, Jewellers, Bakers, etc., if selling only and not making or producing, or if chiefly selling, should add the words "Shopkeeper" or "Dealer" (if principals), and "Shop Assistant" or "Salesman" (if assisting). But a person who is chiefly engaged in making or producing, though also selling, should add "Maker."
- (c) Agents, Brokers, Dealers, Merchants. State particular kind of business or trade as "Cycle Agent," "Sugar Broker," "Cattle Dealer," "Coal Merchant," etc.
- (d) Navy, Army, Air Force, Civil Service, Municipal Service, etc. State the post or rank, as Able Seaman, Police Sergeant, Post Office Sorter, Relieving Officer.
- (e) Nurses. State whether "Nurse (Domestic)," "Monthly Nurse," "Sick Nurse," etc.
- (f) Ironworkers should state whether Puddler, Shingler, Roller, Busheller, etc.
- (g) Labourers. Unskilled workers usually employed on some one kind of work should always state fully the kind of work done, e.g., "Navy," "Bricklayer's Labourer," "Dock Labourer," "Foundry Labourer," "Steelworks Labourer," but those accustomed to employment in different kinds of work should describe themselves as "General Labourer." The term "Labourer" must not be used alone.

N.B.—OTHER WORKERS SHOULD DESCRIBE THEIR JOB BY THE SPECIAL NAME (IF ANY) BY WHICH IT IS KNOWN IN THE INDUSTRY OR MANUFACTURE.

11. Name and business of employer.—The name and business of the employer (firm, company, local authority, government department, etc.), must be stated in Column (l); for example, a bricklayer employed in a brewery should state "Bricklayer" in Column (k) and "Messrs., Brewers," in Column (l). A carman employed by a firm of bleachers and dyers should state "Carman" in Column (k) and "Messrs., Bleachers and Dyers," in Column (l). This information is required for the purpose of classifying the persons employed according to the industry or service with which their work is connected, and will not be published.

State precisely the nature of the employer's business, e.g., instead of "Manufacturer," "Merchant," "Ironworks," "Engineering Works," "Lead Works," "Civil Service," use exact business descriptions, such as "Toy Manufacturer," "Coal Merchant," "Iron Rolling Mills," "Textile Machinery Makers," "White Lead Works," "Civil Service, General Post Office," etc.

In the case of Domestic Servants or other persons in Private Personal Service the word "Private" should be entered in Column (l) and the name and business of the employer must not be stated. But for Cooks, Waitresses, Chambermaids, employed in Hotels, Restaurants, Boarding Houses, etc., the name and business of the employer should be stated.

The following special examples will indicate the kind of description which should be given both of the occupation and of the employer's business.

INSTRUCTIONS

For filling up Columns (b), (h), (k) and (l).

1. Column (b).—**RELATIONSHIP.**—Any relative present in the dwelling on Census night who usually lives elsewhere should, for Census purposes, be described in Column (b) as "Visitor," and not as "Son," "Aunt," "Sister-in-law," etc.

2. Column (h).—**EDUCATION.**—For persons attending a school or other institution for the purpose of receiving education, write "Whole Time" if attending daily during the full day school hours or otherwise to an extent which leaves no reasonable time for employment; "Part Time" if attending Day Continuation Schools or Evening Classes, or otherwise giving such partial or intermittent attendance as permits or might permit of substantial regular employment.

3. Columns (k) and (l).—**OCCUPATION AND EMPLOYMENT.**—For a person already entered as "Whole Time" in Column (h), no entry is needed in Column (k), unless the person is studying for a particular profession or occupation (see Instruction 4). For children under 12, Columns (k) (l) and (m) should be left blank.

PERSONS NOT PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

4. If studying or preparing for any particular profession or occupation, write accordingly in Column (k) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (l) blank. (But apprentices or persons training on similar terms should be entered as actually following the occupations to which they are apprenticed.)

5. For a member of a private household (such as householder's wife) who is mainly occupied in unpaid domestic duties at home, write "Home Duties" in Column (k) and leave Columns (l) and (m) blank.

6. If retired from an occupation or service, and not following any other regular occupation, state former occupation or service in Column (k), adding "Retired" in Column (l) should be filled up, business of former employer (if any) being stated.

7. For a member of the household who is chiefly occupied in giving unpaid help in a business carried on by the head of the household or other relative, state the occupation in Column (k) as though it were a paid occupation. The name of the head of the business should be stated in Column (l) as employer, together with the nature of the business.

8. For other persons not included above who are mainly dependent upon others' earnings or upon their own or others' private means, write "None" or "Not occupied for a living" in Column (k) and leave Column (l) blank.

PERSONS PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

9. The occupation should be stated in Column (k), whether the worker is at work or not at the time of the Census. If more than one paid occupation is followed, state only that by which the living is mainly earned.

10. The precise character of the occupation should be stated. Vague and Indefinite Terms must not be used, such, for example, as Assistant, Collector, Contractor, Factory Hand, Foreman, Inspector, Ironworker, Machinist, Manufacturer, Millhand, Operative, Overlooker.

- (a) Foremen and Overlookers should state the department or branch of work in which they are employed.
- (b) Shopkeepers, Retail Dealers or Shop Assistants, Tailors, Bootmakers, Silversmiths, Jewellers, Bakers, etc., if selling only and not making or producing, or if chiefly selling, should add the words "Shopkeeper," or "Dealer" (if principals), and "Shop Assistant" or "Salesman" (if assisting). But a person who is chiefly engaged in making or producing, though also selling, should add "Maker."
- (c) Agents, Brokers, Dealers, Merchants. State particular kind of business or trade as "Cycle Agent," "Sugar Broker," "Cattle Dealer," "Coal Merchant."
- (d) Navy, Army, Air Force, Civil Service, Municipal Service, etc. State the post or rank, as Able Seaman, Police Sergeant, Post Office Sorter, Relieving Officer.
- (e) Nurses. State whether "Nurse (Domestic)," "Monthly Nurse," "Sick Nurse," etc.
- (f) Ironworkers should state whether Puddler, Shingler, Roller, Busheller, etc.
- (g) Labourers. Unskilled workers usually employed on some one kind of work should always state fully the kind of work done, e.g., "Navy," "Bricklayer's Labourer," "Dock Labourer," "Foundry Labourer," "Steelworks Labourer"; but those accustomed to employment in different kinds of work should describe themselves as "General Labourer." The term "Labourer" must not be used alone.

N.B.—OTHER WORKERS SHOULD DESCRIBE THEIR JOB BY THE SPECIAL NAME (IF ANY) BY WHICH IT IS KNOWN IN THE INDUSTRY OR MANUFACTURE.

11. Name and business of employer.—The name and business of the employer (firm, company, local authority, government department, etc.), must be stated in Column (l); for example, a bricklayer employed in a brewery should state "Bricklayer" in Column (k) and "Messrs., Brewers," in Column (l). A carman employed by a firm of bleachers and dyers should state "Carman" in Column (k) and "Messrs., Bleachers and Dyers," in Column (l). This information is required for the purpose of classifying the persons employed according to the industry or service with which their work is connected, and will not be published.

State precisely the nature of the employer's business, e.g., instead of "Manufacturer," "Merchant," "Ironworks," "Engineering Works," "Lead Works," "Civil Service," use exact business descriptions, such as "Toy Manufacturer," "Coal Merchant," "Iron Rolling Mills," "Textile Machinery Makers," "White Lead Works," "Civil Service, General Post Office," etc.

In the case of Domestic Servants or other persons in Private Personal Service the word "Private" should be entered in Column (l) and the name and business of the employer must not be stated. But for Cooks, Waitresses, Chambermaids, employed in Hotels, Restaurants, Boarding Houses, etc., the name and business of the employer should be stated.

The following special examples will indicate the kind of description which should be given both of the occupation and of the employer's business.

INSTRUCTIONS

For filling up Columns (b), (h), (k) and (l).

- Column (b).—**RELATIONSHIP.**—Any relative present in the dwelling on Census night who usually lives elsewhere should, for Census purposes, be described in Column (b) as "Visitor," and not as "Son," "Aunt," "Sister-in-law," etc.
- Column (h).—**EDUCATION.**—For persons attending a school or other institution for the purpose of receiving education, write "Whole Time" if attending daily during the full day school hours or otherwise to an extent which leaves no reasonable time for employment; "Part Time" if attending Day Continuation Schools or Evening Classes, or otherwise giving such partial or intermittent attendance as permits or might permit of substantial regular employment.
- Columns (k) and (l).—**OCCUPATION AND EMPLOYMENT.**—For a person already entered as "Whole Time" in Column (h), no entry is needed in Column (k), unless the person is studying for a particular profession or occupation (see Instruction 4). For children under 12, Columns (k) (l) and (m) should be left blank.

PERSONS NOT PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

- If studying or preparing for any particular profession or occupation, write accordingly in Column (h) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (l) blank. (But apprentices or persons training on similar terms should be entered as actually following the occupations to which they are apprenticed.)
- For a member of a private household (such as householder's wife) who is mainly occupied in unpaid domestic duties at home, write "Home Duties" in Column (k) and leave Columns (l) and (m) blank.
- If retired from an occupation or service, and not following any other regular occupation, state former occupation or service in Column (k), adding "Retired" in Column (l) should be filled up, business of former employer (if any) being stated.
- For a member of the household who is chiefly occupied in giving unpaid help in a business carried on by the head of the household or other relative, state the occupation in Column (k) as though it were a paid occupation. The name of the head of the business should be stated in Column (l) as employer, together with the nature of the business.
- For other persons not included above who are mainly dependent upon others' earnings or upon their own or others' private means, write "None" or "Not occupied for a living" in Column (k) and leave Column (l) blank.

PERSONS PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

- The occupation should be stated in Column (k), whether the worker is at work or not at the time of the Census. If more than one paid occupation is followed, state only that by which the living is mainly earned.
- The precise character of the occupation should be stated. Vague and Indefinite Terms must not be used, such, for example, as Assistant, Collector, Contractor, Factory Hand, Foreman, Inspector, Ironworker, Machinist, Manufacturer, Millhand, Operative, Overlooker.
 - Foremen and Overlookers should state the department or branch of work in which they are employed.
 - Shopkeepers, Retail Dealers or Shop Assistants. Tailors, Bootmakers, Silversmiths, Jewellers, Bakers, etc., if selling only and not making or producing, or if chiefly selling, should add the words "Shopkeeper," "Dealer" (if principal), and "Shop Assistant" or "Salesman" (if assisting). But a person who is chiefly engaged in making or producing, though also selling, should add "Maker."
 - Agents, Brokers, Dealers, Merchants. State particular kind of business or trade as "Cycle Agent," "Sugar Broker," "Cattle Dealer," "Coal Merchant."
- Navy, Army, Air Force, Civil Service, Municipal Service, etc. State the post or rank, as Able Seaman, Police Sergeant, Post Office Sorter, Relieving Officer.
- Nurses. State whether "Nurse (Domestic)," "Monthly Nurse," "Sick Nurse," etc.
- Ironworkers should state whether Puddler, Shingler, Roller, Busheller, etc.
- Labourers. Unskilled workers usually employed on some one kind of work should always state fully the kind of work done, e.g., "Navy," "Bricklayer's Labourer," "Dock Labourer," "Foundry Labourer," "Steelworks Labourer"; but those accustomed to employment in different kinds of work should describe themselves as "General Labourer." The term "Labourer" must not be used alone.

N.B.—OTHER WORKERS SHOULD DESCRIBE THEIR JOB BY THE SPECIAL NAME (IF ANY) BY WHICH IT IS KNOWN IN THE INDUSTRY OR MANUFACTURE.

- Name and business of employer.—The name and business of the employer (firm, company, local authority, government department, etc.), must be stated in Column (l); for example, a bricklayer employed in a brewery should state "Bricklayer" in Column (k) and "Messrs., Brewers," in Column (l). A carman employed by a firm of bleachers and dyers should state "Carman" in Column (k) and "Messrs., Bleachers and Dyers," in Column (l). This information is required for the purpose of classifying the persons employed according to the industry or service with which their work is connected, and will not be published. State precisely the nature of the employer's business, e.g., instead of "Manufacturer," "Merchant," "Ironworks," "Engineering Works," "Lead Works," "Civil Service," use exact business descriptions, such as "Toy Manufacturer," "Coal Merchant," "Iron Rolling Mills," "Textile Machinery Makers," "White Lead Works," "Civil Service, General Post Office," etc.
- In the case of Domestic Servants or other persons in Private Personal Service the word "Private" should be entered in Column (l) and the name and business of the employer must not be stated. But for Cooks, Waitresses, Chambermaids, employed in Hotels, Restaurants, Boarding Houses, etc., the name and business of the employer should be stated.

The following special examples will indicate the kind of description which should be given both of the occupation and of the employer's business.

PERSONS PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

9. The occupation should be stated in Column (k), whether the worker is at work or not at the time of the Census. If more than one paid occupation is followed, state only that by which the living is mainly earned.

10. The precise character of the occupation should be stated. **Vague and Indefinite Terms must not be used**, such, for example, as Assistant, Collector, Contractor, Factory Hand, Foreman, Inspector, Ironworker, Machinist, Manufacturer, Millhand, Operative, Overlooker.

(a) Foremen and Overlookers should state the department or branch of work in which they are employed.

(b) **Shopkeepers, Retail Dealers or Shop Assistants.** Sailors, Bootmakers, Silversmiths, Jewellers, Bakers, etc., if selling only and not making or producing, or if chiefly selling, should add the words "Shopkeeper" or "Dealer" (if principals), and "Shop Assistant" or "Salesman" (if assisting). But a person who is chiefly engaged in making or producing, though also selling, should add "Maker."

(c) Agents, Brokers, Dealers, Merchants. State particular kind of business or trade as "Cycle Agent," "Sugar Broker," "Cattle Dealer," "Coal Merchant,"

N.B.—OTHER WORKERS SHOULD DESCRIBE THEIR JOB BY THE SPECIAL NAME (IF ANY) BY WHICH IT IS KNOWN IN THE INDUSTRY OR MANUFACTURE.

11. **Name and business of employer.**—The name and business of the employer (firm, company, local authority, government department, etc.), must be stated in Column (i); for example, a bricklayer employed in a brewery should state "Bricklayer" in Column (k) and "Messrs....., Brewers," in Column (i). A carman employed by a firm of bleachers and dyers should state "Carman" in Column (k) and "Messrs....., Bleachers and Dyers," in Column (i). This information is required for the purpose of classifying the persons employed according to the industry or service with which their work is connected, and will not be published.

State precisely the nature of the employer's business, e.g., instead of "Manufacturer," "Merchant," "Ironworks," "Engineering Works," "Lead Works," "Civil Service," use exact business descriptions, such as "Toy Manufacturer," "Coal Merchant," "Iron Rolling Mills," "Textile Machinery Makers," "White Lead Works," "Civil Service, General Post Office," etc.

In the case of **Domestic Servants** or other persons in Private Personal Service the word "Private" should be entered in Column (2) and the name and business of the employer must **not** be stated. But for Cooks, Waitresses, Chambermaids, employed in Hotels, Restaurants, Boarding Houses, etc., the name and business of the employer should be stated.

The following special examples will indicate the kind of description which should be given both of the occupation and of the employer's business.

INSTRUCTIONS

For filling up Columns (b), (h), (k) and (l).

1. Column (b).—RELATIONSHIP.—Any relative present in the dwelling on Census night who usually lives elsewhere should, for Census purposes, be described in Column (b) as "Visitor," and not as "Son," "Aunt," "Sister-in-law," etc.

2. Column (h).—EDUCATION.—For persons attending a school or other institution for the purpose of receiving education, write "Whole Time" if attending daily during the full day school hours or otherwise to an extent which leaves no reasonable time for employment; "Part Time" if attending Day Continuation Schools or Evening Classes, or otherwise giving such partial or intermittent attendance as permits or might permit of substantial regular employment.

3. Columns (k) and (l).—OCCUPATION AND EMPLOYMENT.—For a person already entered as "Whole Time" in Column (h), no entry is needed in Column (k), unless the person is studying for a particular profession or occupation (see Instruction 4). For children under 12, Columns (k) (l) and (m) should be left blank.

PERSONS NOT PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

4. If studying or preparing for any particular profession or occupation, write accordingly in Column (k) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (l) blank. (But apprentices or persons training on similar terms should be entered as actually following the occupations to which they are apprenticed.)

5. For a member of a private household (such as householder's wife) who is mainly occupied in unpaid domestic duties at home, write "Home Duties" in Column (k) and leave Columns (l) and (m) blank.

6. If retired from an occupation or service, and not following any other regular occupation, state former occupation or service in Column (k), adding "Retired" Column (l) should be filled up, business of former employer (if any) being stated.

7. For a member of the household who is chiefly occupied in giving unpaid help in a business carried on by the head of the household or other relative, state the occupation in Column (k) as though it were a paid occupation. The name of the head of the business should be stated in Column (l) as employer, together with the nature of the business.

8. For other persons not included above who are mainly dependent upon others' earnings or upon their own or others' private means, write "None" or "Not occupied for a living" in Column (k) and leave Column (l) blank.

PERSONS PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

9. The occupation should be stated in Column (k), whether the worker is at work or not at the time of the Census. If more than one paid occupation is followed, state only that by which the living is mainly earned.

10. The precise character of the occupation should be stated. Vague and Indefinite Terms must not be used, such, for example, as Assistant, Collector, Contractor, Factory Hand, Foreman, Inspector, Ironworker, Machinist, Manufacturer, Millhand, Operative, Overlooker.

(a) Foremen and Overlookers should state the department or branch of work in which they are employed.

(b) Shopkeepers, Retail Dealers or Shop Assistants, Tailors, Bootmakers, Silversmiths, Jewellers, Bakers, etc., if selling only and not making or producing, or if chiefly selling, should add the words "Shopkeeper" or "Dealer" (if principals), and "Shop Assistant" or "Salesman" (if assisting). But a person who is chiefly engaged in making or producing, though also selling, should add "Maker."

(c) Agents, Brokers, Dealers, Merchants. State particular kind of business or trade as "Cycle Agent," "Sugar Broker," "Cattle Dealer," "Coal Merchant."

(d) Navy, Army, Air Force, Civil Service, Municipal Service, etc. State the post or rank, as Able Seaman, Police Sergeant, Post Office Sorter, Relieving Officer.

(e) Nurses. State whether "Nurse (Domestic)," "Monthly Nurse," "Sick Nurse," etc.

(f) Ironworkers should state whether Puddler, Shingler, Roller, Busheller, etc.

(g) Labourers. Unskilled workers usually employed on some one kind of work should always state fully the kind of work done, e.g., "Navy," "Bricklayer's Labourer," "Deck Labourer," "Foundry Labourer," "Steelworks Labourer"; but those accustomed to employment in different kinds of work should describe themselves as "General Labourer." The term "Labourer" must not be used alone.

N.B.—OTHER WORKERS SHOULD DESCRIBE THEIR JOB BY THE SPECIAL NAME (IF ANY) BY WHICH IT IS KNOWN IN THE INDUSTRY OR MANUFACTURE.

11. Name and business of employer.—The name and business of the employer (firm, company, local authority, government department, etc.), must be stated in Column (l); for example, a bricklayer employed in a brewery should state "Bricklayer" in Column (k) and "Messrs., Brewers," in Column (l). A carman employed by a firm of bleachers and dyers should state "Carman" in Column (k) and "Messrs., Bleachers and Dyers," in Column (l). This information is required for the purpose of classifying the persons employed according to the industry or service with which their work is connected, and will not be published.

State precisely the nature of the employer's business, e.g., instead of "Manufacturer," "Merchant," "Ironworks," "Engineering Works," "Lead Works," "Civil Service," use exact business descriptions, such as "Toy Manufacturer," "Coal Merchant," "Iron Rolling Mills," "Textile Machinery Makers," "White Lead Works," "Civil Service, General Post Office," etc.

In the case of Domestic Servants or other persons in Private Personal Service the word "Private" should be entered in Column (l) and the name and business of the employer must not be stated. For filling up Columns (b), (h), (k) and (l).

- 1. Column (b).—RELATIONSHIP.—Any relative present in the dwelling on Census night who usually lives elsewhere should, for Census purposes, be described in Column (b) as "Visitor," and not as "Son," "Aunt," "Sister-in-law," etc.
 - 2. Column (h).—EDUCATION.—For persons attending a school or other institution for the purpose of receiving education, write "Whole Time" if attending daily during the full day school hours or otherwise to an extent which leaves no reasonable time for employment; "Part Time" if attending Day Continuation Schools or Evening Classes, or otherwise giving such partial or intermittent attendance as permits or might permit of substantial regular employment.
 - 3. Columns (k) and (l).—OCCUPATION AND EMPLOYMENT.—For a person already entered as "Whole Time" in Column (h), no entry is needed in Column (k), unless the person is studying for a particular profession or occupation (see Instruction 4). For children under 12, Columns (k) (l) and (m) should be left blank.
- PERSONS NOT PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.
- 4. If studying or preparing for any particular profession or occupation, write accordingly in Column (k) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (l) blank. (But apprentices or persons training on similar terms should be entered as actually following the occupations to which they are apprenticed.)
 - 5. For a member of a private household (such as householder's wife) who is mainly occupied in unpaid domestic duties at home, write "Home Duties" in Column (k) and leave Columns (l) and (m) blank.
 - 6. If retired from an occupation or service, and not following any other regular occupation, state former occupation or service in Column (k), adding "Retired" in Column (l) should be filled up, business of former employer (if any) being stated.
 - 7. For a member of the household who is chiefly occupied in giving unpaid help in a business carried on by the head of the household or other relative, state the occupation in Column (k) as though it were a paid occupation. The name of the head of the business should be stated in Column (l) as employer, together with the nature of the business.
 - 8. For other persons not included above who are mainly dependent upon others' earnings or upon their own or others' private means, write "None" or "Not occupied for a living" in Column (k) and leave Column (l) blank.

PERSONS PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

- 9. The occupation should be stated in Column (k), whether the worker is at work or not at the time of the Census. If more than one paid occupation is followed, state only that by which the living is mainly earned.
- 10. The precise character of the occupation should be stated. Vague and Indefinite Terms must not be used, such, for example, as Assistant, Collector, Contractor, Factory Hand, Foreman, Inspector, Ironworker, Machinist, Manufacturer, Millhand, Operative, Overlooker.

But a person who is chiefly engaged in making or producing, though also selling, should add "Maker."
- (c) Agents, Brokers, Dealers, Merchants. State particular kind of business or trade as "Cycle Agent," "Sugar Broker," "Cattle Dealer," "Coal Merchant."
- N.B.—OTHER WORKERS SHOULD DESCRIBE THEIR JOB BY THE SPECIAL NAME (IF ANY) BY WHICH IT IS KNOWN IN THE INDUSTRY OR MANUFACTURE.
- 11. Name and business of employer.—The name and business of the employer (firm, company, local authority, government department, etc.), must be stated in Column (l); for example, a bricklayer employed in a brewery should state "Bricklayer" in Column (k) and "Messrs., Brewers," in Column (l). A carman employed by a firm of bleachers and dyers should state "Carman" in Column (k) and "Messrs., Bleachers and Dyers," in Column (l). This information is required for the purpose of classifying the persons employed according to the industry or service with which their work is connected, and will not be published. State precisely the nature of the employer's business, e.g., instead of "Manufacturer," "Merchant," "Ironworks," "Engineering Works," "Lead Works," "Civil Service," use exact business descriptions, such as "Toy Manufacturer," "Coal Merchant," "Iron Rolling Mills," "Textile Machinery Makers," "White Lead Works," "Civil Service, General Post Office," etc.

3. Columns (k) and (l).—**OCCUPATION AND EMPLOYMENT.**—For a person already entered as "Whole Time" in Column (h), no entry is needed in Column (k), unless the person is studying for a particular profession or occupation (see Instruction 4). INSTRUCTIONS

For filling up Columns (b), (h), (k) and (l).

1. Column (b).—RELATIONSHIP.—Any relative present in the dwelling on Census night who usually lives elsewhere should, for Census purposes, be described in Column (b) as "Visitor," and not as "Son," "Aunt," "Sister-in-law," etc.

2. Column (h).—EDUCATION.—For persons attending a school or other institution for the purpose of receiving education, write "Whole Time" if attending daily during the full day school hours or otherwise to an extent which leaves no reasonable time for employment; "Part Time" if attending Day Continuation Schools or Evening Classes, or otherwise giving such partial or intermittent attendance as permits or might permit of substantial regular employment.

3. Columns (k) and (l).—OCCUPATION AND EMPLOYMENT.—For a person already entered as "Whole Time" in Column (h), no entry is needed in Column (k), unless the person is studying for a particular profession or occupation (see Instruction 4). For children under 12, Columns (k) (l) and (m) should be left blank.

PERSONS NOT PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

4. If studying or preparing for any particular profession or occupation, write accordingly in Column (k) "Wireless Student," "Engineering Student," "Law Student," "Medical Student," etc., and leave Column (l) blank. (But apprentices or persons training on similar terms should be entered as actually following the occupations to which they are apprenticed.)

5. For a member of a private household (such as householder's wife) who is mainly occupied in unpaid domestic duties at home, write "Home Duties" in Column (k) and leave Columns (l) and (m) blank.

6. If retired from an occupation or service, and not following any other regular occupation, state former occupation or service in Column (k), adding "Retired." Column (l) should be filled up, business of former employer (if any) being stated.

7. For a member of the household who is chiefly occupied in giving unpaid help in a business carried on by the head of the household or other relative, state the occupation in Column (k) as though it were a paid occupation. The name of the head of the business should be stated in Column (l) as employer, together with the nature of the business.

8. For other persons not included above who are mainly dependent upon others' earnings or upon their own or others' private means, write "None" or "Not occupied for a living" in Column (k) and leave Column (l) blank.

PERSONS PRINCIPALLY OCCUPIED IN WORKING FOR PAYMENT OR PROFIT.

9. The occupation should be stated in Column (k), whether the worker is at work or not at the time of the Census. If more than one paid occupation is followed, state only that by which the living is mainly earned.

10. The precise character of the occupation should be stated. Vague and Indefinite Terms must not be used, such, for example, as Assistant, Collector, Contractor, Factory Hand, Foreman, Inspector, Ironworker, Machinist, Manufacturer, Millhand, Operative, Overlooker.

(a) Foremen and Overlookers should state the department or branch of work in which they are employed.

(b) Shopkeepers, Retail Dealers or Shop Assistants, Tailors, Bootmakers, Silversmiths, Jewellers, Bakers, etc., if selling only and not making or producing, or if chiefly selling, should add the words "Shopkeeper" or "Dealer" (if principals), and "Shop Assistant" or "Salesman" (if assisting). But a person who is chiefly engaged in making or producing, though also selling, should add "Maker."

(c) Agents, Brokers, Dealers, Merchants. State particular kind of business or trade as "Cycle Agent," "Sugar Broker," "Cattle Dealer," "Coal Merchant."

(d) Navy, Army, Air Force, Civil Service, Municipal Service, etc. State the post or rank, as Able Seaman, Police Sergeant, Post Office Sorter, Relieving Officer.

(e) Nurses. State whether "Nurse (Domestic)," "Monthly Nurse," "Sick Nurse," etc.

(f) Ironworkers should state whether Puddler, Shingler, Roller, Busheller, etc.

(g) Labourers. Unskilled workers usually employed on some one kind of work should always state fully the kind of work done, e.g., "Navy," "Bricklayer's Labourer," "Dock Labourer," "Foundry Labourer," "Steelworks Labourer"; but those accustomed to employment in different kinds of work should describe themselves as "General Labourer." The term "Labourer" must not be used alone.

N.B.—OTHER WORKERS SHOULD DESCRIBE THEIR JOB BY THE SPECIAL NAME (IF ANY) BY WHICH IT IS KNOWN IN THE INDUSTRY OR MANUFACTURE.

11. Name and business of employer.—The name and business of the employer (firm, company, local authority, government department, etc.), must be stated in Column (l); for example, a bricklayer employed in a brewery should state "Bricklayer" in Column (k) and "Messrs., Brewers," in Column (l). A carman employed by a firm of bleachers and dyers should state "Carman" in Column (k) and "Messrs., Bleachers and Dyers," in Column (l). This information is required for the purpose of classifying the persons employed according to the industry or service with which their work is connected, and will not be published.

State precisely the nature of the employer's business, e.g., instead of "Manufacturer," "Merchant," "Ironworks," "Engineering Works," "Lead Works," "Civil Service," use exact business descriptions, such as "Toy Manufacturer," "Coal Merchant," "Iron Rolling Mills," "Textile Machinery Makers," "White Lead Works," "Civil Service, General Post Office," etc.

In the case of Domestic Servants or other persons in Private Personal Service the word "Private" should be entered in Column (l) and the name and business of the employer must not be stated. But for Cooks, Waitresses, Chambermaids, employed in Hotels, Restaurants, Boarding Houses, etc., the name and business of the employer should be stated.

The following special examples will indicate the kind of description which should be given both of the occupation and of the employer's business.
